The Late Truck Driver David Longanecker,2021-02-03 The Late Truck Driver isn't about a deceased truck driver or someone who arrives late to pick up or deliver a load. It's about becoming a

truck driver later in life. David Longanecker always dreamed of driving a big rig, but his life took a different path, leading him to enjoy a career as a higher education administrator and in policy analysis. When he retired, however, he chased his dream. In this book, he shares how he made the leap, what it was like prepping for and taking the test to earn his commercial driver's license, and how he earned real-world experience on the road. He also pays tribute to the beauty of big rigs and the pure joy that comes along with looking at them and driving them. There really is nothing like admiring the beauty of a landscape while sitting in the elevated cab of a big rig tractor. Whether you've wondered what it is like to drive a big rig, want to make a career change, or simply crave to know more about truck driving culture, you'll get an accurate picture of what the life is all about with this book.

Trucking Tales Truckers Media,Alexander Dubois,2023-10-05 Enter the world of 'Trucking Tales,' a compendium of ten captivating stories set against the backdrop of the trucking industry. Whether you're a seasoned trucker enduring the often lengthy and tiresome waits during loading and unloading or simply a seeker of gripping tales, this book will command your attention so fully that time will seem to effortlessly slip away. You'll immerse yourself in stories like 'The Time Machine,' where a trucker is mysteriously transported back to the 1950s, or join the journey of '68-PALI, a self-driving truck that gains consciousness. Plunge into the gripping narrative of 'Angry Max,' as an enraged trucker descends into madness. Alongside these, seven other tales await your discovery within this book. These stories provide just the right amount of entertainment, leaving you yearning to savor each one a little longer. Embark on this literary adventure down the road with us.

Pedal To The Metal Lawrence Ouellet,2010-08-17 A revealing inside account of truckers' work ethic.

Truck Driving 101 Dennis Fox,2019-04-22 This book contains information many truck drivers can

benefit from. One of them was how I developed a way to stay awake and alert for many miles behind the wheel.

How To Become a Truck Driver Howexpert, Bruce Stimson, 2019-12-29 Let's talk about the money, most truck drivers can expect to earn \$30,000-\$40,000 in their 1st year. I know some drivers who work as Solo drivers and decide to give up their apartments so they can stay in the truck all year long and save money. They still take days off from time to time, and stay with friends, family or rent a hotel for a few days so they can take a break. Once you have 6 months experience you may be able to find a job that pays more money. I've seen motivated drivers earning in the \$60,000 range in their 1st year. The money is there to earn if you look for it. Too many drivers get complacent and they stay with the same company in the same position making low wages for years and years. Sometimes all you need to do to increase your income is switch positions within the company. If the company you work for doesn't offer anything that will take you to the next level then find another company that will. I know a Walmart driver who earns \$100,000 year and he's home every night and weekend. Companies pay you in cents per mile (CPM) so the more mileage you drive the more you earn The bottom line is company drivers can make anywhere from \$30,000 to around \$100,000 per year. Stay away from company lease options, 99% of the time only the company does well with this type of position. They will make their lease program sound perfect, touting how you will be your own boss and make lots of money. Drivers often find themselves making just enough to cover the WEEKLY truck lease payment. If you want to truly be your own boss as a owner operator of your own truck then save up the money to buy a used truck cash or you may be able to find a 3rd party (not company sponsored) lease program. I have seen a couple of decent 3rd party lease programs, these will allow you to contract with any company you want. So if you're not making enough money with one company then you can easily switch to another. Owner operators can make anywhere from \$50,000 - \$250,000 per year. About the Expert I have been driving a truck full time for over 4 years at the time of this publishing. I have been a company driver for 3 of those years and an owner/operator for a bit over one. In the 4+ years that I've been driving I have spent one year driving most of the lower 48 states. I haven't made it up to North Carolina, and a few other states in the northeast but all of the others I have. For the last two years I have been truck driving with my team from Los Angeles to the Kansas City area and back. We did that twice a week. After doing that for about a year I was able to get a driving position working nights and being home every day. I did that for almost year. I left there because the company did a pathetic job of maintaining their equipment. I was afraid of getting stopped by law enforcement. So I

left them and got my own truck to take care of. Now I am contracted with a carrier to move their freight and it works out a lot better. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Best Truck Driver. Ever Edna a Green,2019-11-25 **Best Truck Driver. Ever** This funny notebook is the best choice for your friend or coworker! Spice up your office with this hilarious gift notebook journal with a funny saying. Be inspired to write in this notebook every day and give your team workmates a laugh. Trucker's Guide for the Beginning Truck Driver Thomas Francs,2021-06-03 This guide is for individuals looking to become a truck driver or just graduated from truck driving school. The information in this guide will go well beyond what you learn in truck driving school or from a driver trainer. The guide is not for preparation to take the CDL exams, it is for information about different trucking procedures and what you should know as a beginning truck driver. · Learn about different types of truck driving jobs and how to find the right one for you. · Learn what you should know and what to look for when searching for a truck driving job. · Learn about loading, unloading, and weight distribution procedures. · Learn the different basic procedures used at Shipping and Receiving facilities · Learn about cargo container terminals and intermodal procedures. · The information in this guide will help you to succeed as a truck driver.

The Long Haul: A Trucker's Tales of Life on the Road Finn Murphy,2017-06-06 “There’s nothing semi about Finn Murphy’s trucking tales of The Long Haul.”—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he’s covered more than a million miles as a mover, packing, loading, hauling people’s belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

NEW TO OTR Chris Aragon,2014-03-14 Chris Aragon provides a direct, somewhat cynical, and slightly gruff look at the everyday tasks and responsibilities of being an Over The Road Truck Driver as an employee of a very large trucking company. Hollywood has always painted the public picture of what yesterday’s trucker looked like, but Chris’s hard toned look at the modern and highly regulated Commercial Drivers License paints a much different picture. With Road Safety at the center, Chris attempts to explain some of the complexity that is today’s Trucking Industry for the Non-Owner-Operator of the 18 Wheeler Culture. From the starting point of obtaining a Class A Commercial Driver’s License to the day to day dealings with company management to the suggestions for comfort while out on a national tour, Chris lays his no nonsense approach out in a raw sense without the hidden meanings tucked in the folds. In Chris’s previous full career as a Corrections Officer Sergeant in a maximum security setting, he developed a Funny Frowned Face as opposed to a poker face in communicating his thoughts. Chris often jokes about his Grumpy Personality with many of his friends and family and he hopes that the raw and pungent outlay doesn’t protrude itself as overly provocative to any reader.

Best Truck Driver Ever Meraki Journals,2019-12-10 MERAKI JOURNALS presents you this simple and minimalist notebook, very classy, is a wonderful multi-purpose journal for sketching, jotting down thoughts, writing notes and externalize emotions.If you would like to see a sample of the notebook, click on the Look Inside feature.Funny Gift for Coworker. Novelty Gag Notebook, Journal.

The Trucker’s Bible Gerald Howard,2020-11-09 This book is intended to reduce your learning curve if you are new to trucking. It will also help you survive the popular “lease purchase” that so many trucking companies are using to attract drivers. This book will help you save money and reduce stress in your daily life. Even if you don’t drive a truck, this book is full of insight into the life of truckers

for those who are curious.

A Survival Guide for Truck Drivers Alice Adams, Andrew Ryder, 2002-10 An employer's cost to replace a driver ranges from \$5,000 to \$8,000. Turnover can be prevented and retention increased by developing a driver with the life skills necessary to be successful in their daily working lives. A Survival Guide for Truck Drivers is the only book written for students or experienced drivers that offers, in a straightforward and nonpatronizing style, the practical tips for making life on the road more stress-free and comfortable – both for the driver and his or her family. Until now, drivers usually entered the transportation industry armed with a Commercial Drivers License and perhaps stories and information from friends and family. This new guide not only provides valuable information and invaluable insights into the life of a professional driver, but also offers resources and encouragement for those who keep North America's commerce moving down the highway. Topics range from Money Management and Professional Improvement to Staying Healthy and Dealing With Stress – presenting advice to make the driver's life better and happier. This lifestyle guide has a universal application that will appeal to student drivers, company drivers, owner-operators, and also the drivers' families. A driving school graduate's chance of landing a good job partly depends on his or her possession of life skills. Good retention tools are needed for the experienced but problem driver. A Survival Guide for Truck Drivers is the one solution for successful drivers.

Just Joe Joe Ward, 2020-04-29 If there's one thing truck drivers enjoy, it's telling stories from the road. From near-death experiences to narrow escapes and with a diversity of characters and locations all over the country, this book describes life on the road for one American truck driver. From drama to physical danger to maddening actions, he describes the stories with a wry sense of humor that will leave you either scratching your head in bewilderment or laughing out loud. This book contains stories of the author's interaction with people from all over the country as a trainer for the industry. It also shows the diversity of the American experience, from people who lived in their vehicles to people dealing with personal issues, everyone looking to change the direction of their lives by learning a new skill. These stories are meant to be more entertaining than informative, a break from everyday monotony with a look into a lifestyle most will never experience. From driving through ice and snowstorms for days at a time to high winds and traffic jams, the stories cover it all. So grab a cup of coffee, sit back, and enjoy the ride.

So, You Want to be a Truck Driver? Les Auger,

What You Didn't Learn in Trucking School Janet Walker, 2020-11-16 **WHAT YOU DIDN'T LEARN**

IN TRUCKING SCHOOL is a refreshingly frank and delightful pocket guide that offers practical advice and etiquette tips for truck drivers. Being a truck driver is not easy. Truckers' challenges include working long hours, being hundreds of miles from home and constantly trying to avoid or prevent hazards on the roadway. The biggest complaint truck drivers have? Other truck drivers! Especially the ones with toilet habits you wouldn't tolerate from kindergartners. Janet Walker shares with readers the opinions, gripes and peeves she has collected from drivers during her 12 years in the trucking industry. To help remedy these problems, she offers solutions that, if implemented, can help make the trucking lifestyle more enjoyable and more respectful for the men and women who are the heroes of our country's highways. This little book of etiquette is a valuable guide for anyone who wants to be a truck driver in America-and who wants to know which habits to avoid as they travel the road to truck-driving success.

Trucker Paradise M. Grube, Melissa Grube, 2009-06 Get an inside peek into the trucking industry from someone who has driven all kinds of trucks for twenty years. Find answers to all those trucker questions you've always had. Learn the do's and don'ts of the trade. Get informed and entertained all at the same time. Written in an informal, free-flowing style, **Trucker Paradise** is easy to read and will keep you engaged till the very last page. An absolute must read for anyone contemplating a career in the trucking business or for anyone interested in lifting the veil off of this little-understood industry.
