Nesting Birds of a Tropical Frontier Timothy Brush,2005 The story behind the birds everyone wants to see Halfway between Dallas and Mexico City, along the last few hundred miles of the Rio Grande, lies a subtropical outpost where people come from all over the world to see birds. Located between the temperate north and the tropic south, with desert to the west and ocean to the east, the Lower Rio Grande Valley of Texas provides habitat for a variety of birds seen nowhere else in the United States. If you want to see a Hooked-billed Kite, Muscovy Duck, or Altamira Oriole, this is the place. Drawing on years of personal observation and study, Timothy Brush has written a classic work of natural history about the little-known breeding bird communities of the Valley and the diversity of nesting strategies and behaviors that can be seen. Brush estimates that there are more than 150 current breeding species in the Lower Rio Grande Valley. In *Nesting Birds of a Tropical Frontier*, he describes the habits, distribution, changes in occurrence, and general outlook of these as well as former breeders, concentrating on Valley specialties and other birds of particular interest in the Valley. The species are all dependent upon appropriate habitat, from riparian forest to mesquite savannah, and Brush describes the history of these habitats and the special features that keep the birds coming. He also discusses conservation and the need for both large-scale land acquisitions by public and private groups and small-scale restoration through urban parks and individual landscaping. Art by Gerald Sneed and color photographs by several of Texas' top nature photographers show off some of the Valley's famous birds. Historical maps of vegetation and geology help us gain a better perspective on the changes that have taken place along the Rio Grande and on the breeding bird communities of the U.S.-Mexico frontier.

This Is Ridiculous, This Is Amazing Jason Good,2014-05-13 “Hands down, the best humor book about family life I have ever read.” —Nikki Knepper, author of *Moms Who Drink and Swear* Comedian/blogger/family man Jason Good delivers a laugh-out-loud reminder that everything is easier and more fun when approached with a sense of humor—especially parenting. Each list in this book captures a perfect (or perfectly terrible) aspect of parenthood while at the same time wholeheartedly embracing every moment: “You Deserve a Break” offers ideas for downtime, such as giving blood and untangling cords, while “Self-Help from a Three-Year-Old” collects such wisdom as “If you fall down, stay down. Someone will pick you up eventually.” Sweet, sincere, and painfully funny, *This is Ridiculous, This is Amazing* is ideal for parents who could use a laugh—and isn’t that every single one of them? “His blog is great, but his first book is even better.” —Parade “Parents will appreciate Good’s offbeat outlook and quirky one-liners.” —Publishers Weekly
