The Sailor Moon Role-playing Game and Resource Book Mark C. MacKinnon,1999 Welcome to the ultimate English-language guide for one of the most popular Japanese anime shows of all times! Sailor Moon is a hit with boys and girls of all ages, and is watched on Cartoon Network's popular Toonami programming block every day by over one million viewers. This book offers a comprehensive Sailor Moon resource and reference section, including episode summaries, character bios, and series analysis in a clear and easy to read format.

Mecha Vs Kaiju Johnathan Stanley Wright,2014 Born in nuclear fire, they stride across the face of the world, unstoppable. They are the Kaiju -- giant monsters that have ravaged the nation of Japan for decades. Only one power can stand against these titans of destruction -- the mecha Assault Force! The giant robots of the M.A.F. stand ready to do battle against the monstrous might of the kaiju. Mecha vs Kaiju is a Fate Core role playing game inspired by Japanese kaiju eiga (monster movies) like Godzilla and Gamera, and robot anime like Gundam and Evangelion. Players become fearless mecha pilots based on anime archetypes and design giant robots with custom-made weapons and armor. Gamemasters will pit their players against monstrous kaiju capable of leveling cities. MvK features an intricate setting inspired by giant monster movies, military robot anime, and martial arts epics. Readers will uncover the secret history of Japan and use its wealth of story possibilities to inspire their own battles in the relentless, never-ending conflict of Mecha vs Kaiju!

Game Preview Nicolae Sfetcu,2014-05-04 A guide for game preview and rules: history, definitions, classification, theory, video game consoles, cheating, links, etc. While many different subdivisions have been proposed, anthropologists classify games under three major headings, and have drawn some conclusions as to the social bases that each sort of game requires. They divide games broadly into, games of pure skill, such as hopscotch and target shooting; games of pure strategy, such as checkers, go, or tic-tac-toe; and games of chance, such as craps and snakes and ladders. A guide for game preview and rules: history, definitions, classification, theory, video game consoles, cheating, links, etc.

Anima Prime Christian Griffen,2011-04-08 Fight for love and vengeance.Wield megaswords and magic guns.Battle on top of airships.Summon powerful eidolons.Walk between dimensions.And that's just the beginning.Anima Prime is a tabletop roleplaying game that combines narrative freedom in character scenes and combat maneuvers with elemental powers, Soulbound Weapons, and the summoning of eidolons to allow you to create your own stories and action scenes rivaling those usually seen in video game cut scenes and anime. Make a 2D RPG in a Weekend Darrin Perez,2015-12-19 Updated for RPG Maker MV using JavaScript, Make a 2D RPG in a Weekend shows you how to create your very own dungeon crawler game in RPG Maker MV in a single weekend. The entire process, from start to finish, is covered within this book. You will see a variety of dungeon maps and events, all broken down for your convenience.One of the hardest parts of game development is actually finishing a game, but it is also one of the most important steps on the way to becoming a game developer. If you have yet to finish a game, this book will give you the confidence and resources you need to finally be able to create your very own RPG. Once you've completed the game in this book, you'll be able to modify it as much as you like, adding new monsters and quests, and you'll have the skills to go on to create your second game all by yourself. Among the topics covered in this book are: Creating various types of enemy encounters via the use of the eventing system, and JavaScript replacing the old Ruby commands. Creating a special area that allows the player to pick their character of choice instead of being forced to play a particular character. Clever uses of events to create items that allow the player to return to town instantly and summon vehicles to their side. What You'll Learn: Create playable characters that have different attributes and play styles. Create a wide variety of weapons, armors, and items for the player to purchase, find, and use. JavaScript is now used throughout. Design dungeon levels with specific goals in mind. Create treasure chests with random contents or contents based on the player's character. Create doors that require keys or puzzles to unlock. Create a variety of enemy encounters. Who This Book is For: Make a 2D RPG in a Weekend is for anyone who has ever wanted to create a game from scratch. All you need is this book and a copy of RPG Maker MV.

Maid Ryo Kamiya,2014 Maid: The Role-Playing Game is a comedic take on a uniquely Japanese cultural icon: The fetishized modern maid. Injecting the concept of Maid with 50ccs of anime and comedy, the players take on the roles of maids, serving the master (played by the GM). Sheets are left unfolded and mantelpieces undusted when giant robots crash through the mansion, ninjas attack and kidnap the young master, and a demonic pit to Hell opens up in the pantry... and all before teatime! Play in the modern comedy setting, or mix it up with 9 additional settings including Victorian era, old Edo period, fantasy and post-apocalypse; and 6 genres including romance, horror, and action. Due to the rules system and random events that form the backbone of the Maid RPG, the game practically runs itself: Go from opening the book to playing a game with friends within just minutes! Three game styles in one: The traditional scenario-type; the random event-driven type; and the favor race, a race to the master's heart! Make characters and start playing the game within minutes of opening the book. Everything about the game gears it for Fast Play, Now. Optional character types including player-character masters and butlers, and optional rules for seduction and romantic tragedy. 11 complete adventure scenarios. 3 complete replays, actual play scenarios in screenplay format. Great for learning the feel of the game. The first ever Japanese tabletop role-playing game to be released in English! ...which, when you think about it, totally makes sense in a weird sort of way. Hundreds of optional items, costumes, genre and setting events, all presented in a way to easily bring them into the game! Combines the original Japanese core book and two supplements into one huge, complete edition of the game in English. A \$75 value!

The Dominion Tank Police David L. Pulver,1999 Based on the classic 1989 four-part Japanese anime series, from the mind of Japan's prominent storyteller artist, Masamune Shirow! In the year 2010 A.D., the Earth is a very unfriendly place -- the atmosphere is a poisonous bacterial soup, vicious underworld organizations have run of the cities, and the governments are virtually helpless.

The Dreamcast Encyclopedia Chris Scullion,2023-11-30 The Dreamcast Encyclopedia is the fifth book in Scottish author and games journalist Chris Scullion’s critically-acclaimed series of video game encyclopedias. The Sega Dreamcast is fondly remembered by players as a games console that was ahead of its time, almost to a fault. Its incredible graphics offered a level of detail that hadn’t been seen on home systems to that point, and its built-in modem brought online multiplayer to many console players for the first time ever. Ultimately though, the release of the PS2 (and later the GameCube and Xbox) led to struggling sales and Sega would eventually pull the plug on the Dreamcast just two years into its life, bowing out of the console manufacturing business altogether. On paper the Dreamcast was a commercial failure, but those who owned one remember it so fondly that for many it remains one of the greatest games consoles of all time, with a small but well-formed library of high-quality games. This book contains every one of those games, including not only the entire western library of around 270 titles, but also the 340 or so games that were exclusively released in Japan. With over 600 games covered in total, screenshots for every title and a light-hearted writing style designed for an entertaining read, The Dreamcast Encyclopedia is the definitive guide to one of the most underrated gaming systems of all time.
