The Tree of Heaven May Sinclair,1917 The Tree of Heaven by May Sinclair is a classic novel written in 1917 and recently republished as part of the British Library Women Writers series. The book tells the Harrison Family's story before and during the First World War.

Summary of Alex Soojung-Kim Pang's Rest Swift Reads,2020-12-18 Buy now to get the insights from Alex Soojung-Kim Pang's Rest. Sample

Insights: 1) Modern life has deprived us of opportunities for rest and forced us to trade quantity for quality. It has led us to believe that long hours are necessary to produce great work. As a result, overworking is normalized and people wear fatigue as a badge of honor. 2) With the growth of global industries and the proliferation of digital tools that let you work anywhere and anytime, opportunities for work expand. People now think of work as something you do all day. Because of this, resting becomes almost impossible.

East Goes West Younghill Kang,2021-02-23 A beautiful collectible hardcover edition of the father of Korean American literature's wonderfully resplendent evocation of a newcomer's America (Chang-rae Lee, author of Native Speaker) A Penguin Vitae Edition Having fled Japanese-occupied Korea for the gleaming promise of the United States with nothing but four dollars and a suitcase full of Shakespeare to his name, the young, idealistic Chungpa Han arrives in a New York teeming with expatriates, businessmen, students, scholars, and indigents. Struggling to support his studies, he travels throughout the United States and Canada, becoming by turns a traveling salesman, a domestic worker, and a farmer, and observing along the way the idealism, greed, and shifting values of the industrializing twentieth century. Part picaresque adventure, part shrewd social commentary, *East Goes West* casts a sharply satirical eye on the demands and perils of assimilation. It is a masterpiece not only of Asian American literature but also of American literature. Penguin Vitae—loosely translated as Penguin of one's life—is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.
