Burn Baby Burn Josh McDaniel,Bob Starrett,2004 While this introduction to burning CDs is exhaustive--covering the range of CD-R and audio restoration software, CD-R and CD-R/RW drives, audio file formats, and audio sources available today--the information is delivered in easily digestible, jargon-free chunks. A troubleshooting chapter describes how to deal with the most common bugaboos: long silences between tracks, a CD that works fine in the computer but fizzles on the stereo, and more.

Earth Force Shemer Kuznits,2019-04-30 On the first day, a mist descended from the heavens blanketing Earth.On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began...There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.

The Green Ripper John D. MacDonald,2013-10-08 From a beloved master of crime fiction, The Green Ripper is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee has

known his share of beautiful girls, but true love always passed him by—until Gretel. Life aboard the Busted Flush has never been so sweet. But suddenly, Gretel dies of an unidentified illness—or so he’s told. Convinced that the woman who stole his heart has been murdered, McGee finds himself pursuing a less-than-noble cause: revenge. “To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen.”—Kurt Vonnegut McGee has lost not only the love of his life but also his last hope for stability. Soon grief turns to blinding rage. So when he finds the people responsible for Gretel’s death, McGee goes off the rails—and off the grid, three thousand miles from home. McGee emerges in the California woods as Tom McGraw, a fisherman looking for his long-lost daughter. This mysterious newcomer starts knocking off targets one by one. But as he pursues his single-minded crusade for justice, he becomes more and more unhinged. McGee has spent his life saving other people, but now he’ll need to find the strength to save himself—before he loses his mind. Features a new Introduction by Lee Child

Ripper Isabel Allende, 2021-01-05 From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda’s father, the Chief Inspector of the San Francisco police. Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper’s latest murder mystery—"the case of the misplaced bat"-begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it’s a fast-paced read that grabs you right from the start and keeps you glued to the page.

The Last Tortilla Sergio Troncoso, 2015-03-18 She asked me if I liked them. And what could I say? They were

wonderful. From the very beginning of Sergio Troncoso's celebrated story *Angie Luna*, we know we are in the hands of a gifted storyteller. Born of Mexican immigrants, raised in El Paso, and now living in New York City, Troncoso has a rare knack for celebrating life. Writing in a straightforward, light-handed style reminiscent of Grace Paley and Raymond Carver, he spins charming tales that reflect his experiences in two worlds. Troncoso's El Paso is a normal town where common people who happen to be Mexican eat, sleep, fall in love, and undergo epiphanies just like everyone else. His tales are coming-of-age stories from the Mexican-American border, stories of the working class, stories of those coping with the trials of growing old in a rapidly changing society. He also explores New York with vignettes of life in the big city, capturing its loneliness and danger. Beginning with Troncoso's widely acclaimed story *Angie Luna*, the tale of a feverish love affair in which a young man rediscovers his Mexican heritage and learns how much love can hurt, these stories delve into the many dimensions of the human condition. We watch boys playing a game that begins innocently but takes a dangerous turn. We see an old Anglo woman befriending her Mexican gardener because both are lonely. We witness a man terrorized in his New York apartment, taking solace in memories of lost love. Two new stories will be welcomed by Troncoso's readers. *My Life in the City* relates a transplanted Texan's yearning for companionship in New York, while *The Last Tortilla* returns to the Southwest to explore family strains after a mother's death—and the secret behind that death. Each reflects an insight about the human heart that has already established the author's work in literary circles. Troncoso sets aside the polemics about social discomfort sometimes found in contemporary Chicano writing and focuses instead on the moral and intellectual lives of his characters. The twelve stories gathered here form a richly textured tapestry that adds to our understanding of what it is to be human.
