Colonial Phantoms Dixa Ramírez,2018-04-24 Using a blend of historical and literary analysis, *Colonial Phantoms* reveals how Western discourses have ghosted—miscategorized or erased—the Dominican Republic since the nineteenth century despite its central place in the architecture of the Americas. Through a variety of Dominican cultural texts, from literature to public monuments to musical performance, it illuminates the Dominican quest for legibility and resistance.

Amarita's Way Amara La Negra,Heddrick McBride,2018-10 Amarita's way is a colorful book about an ambitious young girl who never lets life's obstacles stand in her way. Her motivational stories will empower, and motivate all readers. There are three stories in this book: Self-Love, Mommy and Me, and 'Never Give Up.

1619 James Horn,2018-10-16 An extraordinary year in which American democracy and American slavery emerged hand in hand Along the banks of the James River, Virginia, during an oppressively hot spell in the middle of summer 1619, two events occurred within a few weeks of each other that would profoundly shape the course of history. In the newly built church at Jamestown, the General Assembly--the first gathering of a representative governing body in America--came together. A few weeks later, a battered privateer entered the Chesapeake Bay carrying the first African slaves to land on mainland English America. In 1619, historian James Horn sheds new light on the year that gave birth to the great paradox of our nation: slavery in the midst of freedom. This portentous year marked both the origin of the most important political development in American history, the rise of democracy, and the emergence of what would in time become one of the nation's greatest challenges: the corrosive legacy of racial inequality that has afflicted America since its beginning.

Plant Names Scientific and Popular Albert Brown Lyons,1900

Magic City Trick Daddy,Peter Bailey,2010-11-16 “A thug is someone who stands on his own. He lives by the decisions he makes and accepts the consequences. A thug is comfortable in his own skin. I wear mine like a glove.” Trick Daddy was born a thug—just a stone’s throw from downtown Miami, yet a world away from its dazzling beauty and sparkling wealth. Where grinding poverty, deadly crime, and devastating racial tension taught kids to live by the ‘hood rules. Remarkably, Trick came from nothing and made it big just when his chances had run out. Magic City is the extraordinary tale of a boy whose father was a pimp, who learned to hustle to survive, and whose only role model was his brother, the drug dealer he watched plying his trade on the block. It’s the untold truth behind the cult movie Scarface, of the drug money that transformed the city into a shining mecca for the rich and famous while turf wars between smalltime pushers claimed countless lives. It’s also the incredible story of how that potent mixture of extremes—the electric pulse and glittering abundance of South Beach and the crime, corruption, and despair in its shadows—gave rise to the most dominant sound in hip-hop today. Magic City is an ode to Miami, a riveting tale of a paradise lost and a native son determined to infuse it with new life.

The Girl's Got Secrets Linda Kage, Here’s the same old “girl posing as a boy” story but with a rock-n-roll twist. Remy Curran dreams of one day being in a band, except the group she wants to join refuses to hire a girl drummer. So, she auditions as a guy...and makes the cut. Becoming “Sticks,” a member of Non-Castrato, isn’t quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what’s even harder to deal with is acting oblivious when the band’s heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he’d be so much more than a pretty face with a nice voice. But he’s better than perfect. He’s perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could prevent you from attaining an even bigger dream?

How to Janessa Rose Perez,2020-12-17 Are you trapped in a negative mindset? Do you feel like your life will never change? Not for the easily offended, *How to: Stop Being a F*cking B.U.M.* is full of raw truth about everyday choices. Uniquely designed to resonate with the urban community to introduce self-awareness, this book will alter your view of life. For readers seeking no-nonsense, no-holds-barred advice on how to overcome a negative mindset, author Janessa Rose uses frank, uncensored language to let you know that growing up in scarcity isn't an excuse for a broken urban mentality. Inside, you'll find tips to change poor moral code, learn how to get the most out of life, and locate the perfect starting point for a new and successful path, no matter what your circumstances are now or where they began. Learning how to change what we choose to see and hear is the first step in a positive outlook. Changing your life starts on the inside.

Introduction to Dominican Blackness Silvio Torres-Saillant,2010 This study is a reflection on the complexity of racial thinking and racial discourse in Dominican society.

Black Behind the Ears Ginetta E. B. Candelario,2007-12-12 An innovative historical and ethnographic examination of Dominican identity formation in the Dominican Republic and the United States.

Then They Do Trace Adkins,Jim Collins,Sunny Russ,2003 You want the dreams they dreamed of to come true-Then They Do. That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the moments with your children and celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

West Side Story: Musical in Two Acts Burton D Fisher,2007

Dictionary of Spoken Spanish U. S. War Dept,2013-03-27 This is a complete, unabridged republication of a Dictionary of Spoken Spanish, which was specially prepared by nationally known linguists for the U.S. War Department (TM#30-900). It is compiled from spoken Spanish and emphasizes idiom and colloquial usage in both Castilian and Latin American areas. More than 16,000 entries provide exact translations of both English and Spanish sentences and phrases; as many as 60 idioms are listed under each entry. This is easily the largest list of idiomatic constructions ever published. Travelers, business people, and students who are interested in Latin American studies have found this dictionary their best source for those expressions of daily life and social activity not usually found in books. More than 18,000 idioms are given, not as isolated words that you have to conjugate or alter, but as complete sentences that you can use without change. A 25-page introduction provides a rapid survey of Spanish sounds, grammar, and syntax, with full consideration of irregular verbs. It is especially apt in its modern treatment of phrase and clause structure. A 17-page appendix gives translations of geographical names, numbers, national holidays for Spanish countries, important street signs, useful expressions of high frequency, and a unique 7-page glossary of Spanish and Spanish-American foods and dishes.

Anthology of Ancient Medieval Woman's Song A. Klinck,2004-04-16 This collection focuses on a woman's point of view in love poetry, and juxtaposes poems by women and poems about women to raise questions about how femininity is constructed. Although most medieval 'woman's songs' are either anonymous or male-authored lyrics in a popular style, the term can usefully be expanded to cover poetry composed by women, and poetry that is aristocratic or learned rather than popular. Poetry from ancient Greece and Rome that resonates with the medieval poems is also included here. Readers will find a range of voices, often echoing similar themes, as women rejoice or lament, praise or condemn, plead or curse, speak in jest or in earnest, to men and to each other, about love.

History and Proceedings of the Pocumtuck Valley Memorial Association Pocumtuck Valley Memorial Association (Deerfield, Mass.),Pocumtuck Valley Memorial Association, Deerfield, Mass,1905

The African Presence in Santo Domingo Carlos Andujar,2012-06-01 Throughout its long and often tumultuous history, “La Hispanola” has taken on various cultural identities to meet the expectations—and especially the demands—of those who governed it. The island shared by the Dominican Republic and Haiti saw its first great shift with the arrival of Spanish colonists, who eliminated the indigenous population and established a pattern of indifference or hostility to diversity there. This enlightening book explores the Dominican Republic through the lens of its African descendants,

beginning with the rise of the black slave trade in fifteenth- and sixteenth-century West Africa, and continuing on to slavery as it existed on the island. An engaging history that vividly details black life in the Dominican Republic, the book investigates the slave rebellions and evaluates the numerous contributions of black slaves to Dominican culture.

The Darker Side of Dawn Ananda Kentish Coomaraswamy,1935

Democracy May Not Exist, but We'll Miss It When It's Gone Astra Taylor,2019-05-07 What is democracy really? What do we mean when we use the term? And can it ever truly exist? Astra Taylor, hailed as a “New Civil Rights Leader” by the Los Angeles Times, provides surprising answers. There is no shortage of democracy, at least in name, and yet it is in crisis everywhere we look. From a cabal of plutocrats in the White House to gerrymandering and dark-money campaign contributions, it is clear that the principle of government by and for the people is not living up to its promise. The problems lie deeper than any one election cycle. As Astra Taylor demonstrates, real democracy—fully inclusive and completely egalitarian—has in fact never existed. In a tone that is both philosophical and anecdotal, weaving together history, theory, the stories of individuals, and interviews with such leading thinkers as Cornel West and Wendy Brown, Taylor invites us to reexamine the term. Is democracy a means or an end, a process or a set of desired outcomes? What if those outcomes, whatever they may be—peace, prosperity, equality, liberty, an engaged citizenry—can be achieved by non-democratic means? In what areas of life should democratic principles apply? If democracy means rule by the people, what does it mean to rule and who counts as the people? Democracy's inherent paradoxes often go unnamed and unrecognized. Exploring such questions, *Democracy May Not Exist* offers a better understanding of what is possible, what we want, why democracy is so hard to realize, and why it is worth striving for.

Medieval Woman's Song Anne L. Klinck,Ann Marie Rasmussen,2015-08-06 The number of surviving medieval secular poems attributed to named female authors is small, some of the best known being those of the trobairitz the female troubadours of southern France. However, there is a large body of poetry that constructs a particular textual femininity through the use of the female voice. Some of these poems are by men and a few by women (including the trobairitz); many are anonymous, and often the gender of the poet is unresolvable. A woman's song in this sense can be defined as a female-voice poem on the subject of love, typically characterized by simple language, sexual candor, and apparent artlessness. The chapters in *Medieval Woman's Song* bring together scholars in a range of disciplines to examine how both men and women contributed to this art form. Without eschewing consideration of authorship, the collection deliberately overturns the long-standing scholarly practice of treating as separate and distinct entities female-voice lyrics composed by men and those composed by women. What is at stake here is less the voice of women themselves than its cultural and generic construction.

The Calligraphic State Brinkley Messick,1996-06-16 Throws completely fresh light on non-colonial yet modern systems of legality and moral power. . . . The picture given of Islamic legal education and practice is one of the best available . . . a compelling read and a fine book for teaching.—Paul Dresch, Oxford University

The Natural History of the Island of Rodrigues H. J. Snell,1920
