Blaze Ian Wuertz,2015-07-07 Michael Solomon is a killer. He was forced into the world of killers after the devastating attack on the Estate by the Morpheus Order and its villainous Director, Jonathan Xavier-Richards. Now, Michael is more determined than ever to put an end to the Order's plot to rule the world. No matter the cost. Although the war between the Solomons and the Order has raged on for centuries, it reaches an unheard of scale during Michael's turn as Patriarch of the Solomon family. This fight pushes unlikely candidates into the line of fire, reveals secrets long hidden, and forces Michael and his team to reexamine why they do what they do. The Solomons's journey takes them from Pennsylvania to London, from New Orleans up the Eastern Seaboard, all leading up to where this war will end: where it all began.

Blaze Nicholas Faith,2000-08-11 A true tale of modern science and a deadly killer traces the twenty-five-year war on fire waged by forensic experts who cut the fire-related mortality rate from 12,000 to 5,000.

Blaze Kenneth Jeffres,2021-12-29 Blaze and Hawk are sent to Greenburg City to investigate the disappearance of a lady named Lilly Trust who was last seen with the governor's son. With so many questions and not enough answers, they start their investigation, which leads them to a plethora of evidence that not only points to the governor's son but also points to a mysterious tall man that steals their powers and has his own agenda.

Drawn to that culture which respects fighters above all others, Blaze must decide where his true spirit lies.Enjoy the excitement, passion and danger of the final days of America's great cliff dwellings. Blaze Avery Ford,2018-01-16 Fighting fires is Luke Taylor's calling. Mastering the seductive, deadly dance of the flames helps him save people and animals. He's not afraid to put his muscular body and life on the line to do some good in the world. All that's missing is someone special to share his life with. Freddie Masterson never dreamed that he'd wind up decorating cakes for a living. He was going to be a lawyer, or maybe a physical therapist. But when his daughter came along, unplanned and unexpected, Freddie stepped up to the plate, determined to give her the best life he could. With his marriage in tatters, Freddie moved back to his home town of Prescott to start again. When Freddie's house burns down, taking all of the supplies he needs for his business with it, he doesn't have time to panic. He has to hustle. But being asked out by the attractive fireman who saved his cat - if not the building - is too much to resist. The two men find a spark between them strong enough to burn down a thousand houses. But Freddie can't just pick up and go on with his life after he learns that his house was deliberately targeted by an arsonist. And the culprit? Much closer than anyone would have guessed. Will revealing the culprit quench the heat between them, or will the fire of justice drive the men apart for good? - Amazon.com
