After moving to Los Angeles, Susan Orlean became fascinated by a mysterious local crime that has gone unsolved since it was carried out on the morning of 29 April 1986: who set fire to the Los Angeles Public Library, ultimately destroying more than 400,000 books, and perhaps even more perplexing, why? With her characteristic humour, insight and compassion, Orlean uses this terrible event as a lens through which to tell the story of all libraries - their history, their meaning and their uncertain future as they adapt and redefine themselves in a digital world. Filled with heart, passion and extraordinary characters, *The Library Book* discusses the larger, crucial role that libraries play in our lives.

📖 **20/30** Paul Grenert,2008-11 Paul Grenert*As 20/30 is a lively, provocative novel that lends credence to the mordant admonition, a Donat marry an actress. A This is an earnest, optimistic step into tough territory. A*Barry Gifford, author of *Wild at Heart* It's viscerally obvious that Paul Grenert passionately believes every word that he writes. Every page crackles with honest intent and uncorrupted ideals. This is one book that wears its emotions on its cover sleeves. His friends have left their dreams by the wayside and have opted for tedious mainstream work. Lux doesn't want this, but time is slipping by. His girl, Lulu, is ready for marriage; he isn't quite there yet. Some encounters with former lovers complicate the situation, pressuring Lux to face exactly where he is headed and what he wants. Paris, 1939. Young, ambitious, and tempestuous, Odile Souchet has it all: Paul, her handsome police officer beau; Margaret, her best friend from England; Remy, her twin brother who she adores; and a dream job at the American Library in Paris, working alongside the library's legendary director, Dorothy Reeder. When World War II breaks out, Odile stands to lose everything she holds dear—including her beloved library. After the Nazi army marches into the City of Light and declares a war on words, Odile and her fellow librarians join the Resistance with the best weapons they have: books. Again and again, they risk their lives to help their fellow Jewish readers, but by war's end, Odile tastes the bitter sting of unspeakable betrayal. Montana, 1983. Odile's solitary existence in gossipy small-town Montana is unexpectedly interrupted by her neighbor Lily, a lonely teenager craving adventure. As Lily uncovers more about Odile's mysterious past, they find they share not only a love of language but also the same lethal jealousy. Odile helps Lily navigate the troubled waters of adolescence by always recommending the right book at the right time, never suspecting that Lily will be the one to help her reckon with her own terrible secret. 📖 **500 Great Books for Teens** Anita Silvey,2006-10-03 If you are looking for a book to give to a teenage reader, here's the reference you've been waiting for. Until now, there's been no accepted guide to what's good, bad, or indifferent in the flood of books coming off the presses in the hot new category of young-adult publishing. If it's true that you can't judge a book by its cover, it is especially true for teen books, as publishers take aim at a new class of readers. The books land on shelves without a history, and so there is no standard by which to judge them. Anita Silvey, one of the country's leading authorities on books for young people, has interviewed teenage readers all over the country and immersed herself in young-adult books, with an emphasis on books published in the last five years. The result is this invaluable and very readable guide for parents, teachers, librarians, booksellers, reading groups, and of course teens themselves. With its extended essays describing 500 selections, parents will quickly see what their teenagers are actually reading -- and will be able to find good books to introduce them to. Teachers can spot excellent additions to summer reading lists. Booksellers can move customers from one favorite to a host of others in the same genre. Librarians can round out collections. Book groups -- for adults, teens, or both -- will have hundreds of new titles to consider. *500 Great Books for Teens* is divided into twenty-one sections, including adventure and survival, politics and social history, horror, romance, war and conflict, fantasy, plays, graphic novels, poetry, memoir, and spirituality. Every section offers up classics, but the majority of titles are new. In *Beyond the 500*, Silvey compiles a number of useful lists, including books organized by geographic location and historical period, as well as recommended audio books.

As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.

What would this reading trajectory say about you? With passion, humor, and insight, the editor of The New York Times Book Review shares the stories that have shaped her life. Pamela Paul has kept a single book by her side for twenty-eight years – carried throughout high school and college, hauled from Paris to London to Thailand, from job to job, safely packed away and then carefully removed from apartment to house to its current perch on a shelf over her desk – reliable if frayed, anonymous-looking yet deeply personal. This book has a name: Bob. Bob is Paul’s book of books, a journal that records every book she’s ever read, from Sweet Valley High to Anna Karenina, from Catch-22 to Swimming to Cambodia, a journey in reading that reflects her inner life – her fantasies and hopes, her mistakes and missteps, her dreams and her ideas, both half-baked and wholehearted. Her life, in turn, influences the books she chooses, whether for solace or escape, information or sheer entertainment. But My Life with Bob isn’t really about those books. It’s about the deep and powerful relationship between book and reader. It’s about the way books provide each of us the perspective, courage, companionship, and imperfect self-knowledge to forge our own path. It’s about why we read what we read and how those choices make us who we are. It’s about how we make our own stories.

📖 **The New Me** Halle Butler,2019-03-05 [A] definitive work of millennial literature . . . wretchedly riveting. —Jia Tolentino, The New Yorker “Girls + Office Space + My Year of Rest and Relaxation + anxious sweating = The New Me.” —Entertainment Weekly I’m still trying to make the dream possible: still might finish my cleaning project, still might sign up for that yoga class, still might, still might. I step into the shower and almost faint, an image of taking the day by the throat and bashing its head against the wall floating in my mind. Thirty-year-old Millie just can’t pull it together. She spends her days working a thankless temp job and her nights alone in her apartment, fixating on all the ways she might change her situation—her job, her attitude, her appearance, her life. Then she watches TV until she falls asleep, and the cycle begins again. When the possibility of a full-time job offer arises, it seems to bring the better life she’s envisioning within reach. But with it also comes the paralyzing realization, lurking just beneath the surface, of how hollow that vision has become. Wretchedly riveting (The New Yorker) and masterfully cringe-inducing (Chicago Tribune), The New Me is the must-read new novel by National Book Foundation 5 Under 35 honoree and Granta Best Young American novelist Halle Butler. Named a Best Book of the Decade by Vox, and a Best Book of 2019 by Vanity Fair, Vulture, Chicago Tribune, Mashable, Bustle, and NPR

📖 **Improvement** Joan Silber,2018-08-21 The national bestseller and New York Times notable book about a young single mother living in New York, her eccentric aunt, and the decisions they make that have unexpected implications for the world around them from one of America’s most gifted writers of fiction, our own country’s Alice Munro (The Washington Post). Reyna knows her relationship with Boyd isn’t perfect, yet as she visits him throughout his three-month stint at Rikers Island, their bond grows tighter. Kiki, now settled in the East Village after a journey that took her to Turkey and around the world, admires her niece’s spirit but worries that she always picks the wrong man. Little does she know that the otherwise honorable Boyd is pulling Reyna into a cigarette smuggling scheme, across state lines, where he could risk violating probation. When Reyna ultimately decides to remove herself for the sake of her four-year-old child, her small act of resistance sets into motion a tapestry of events that affect the lives of loved ones and strangers around them. A novel that examines conviction, connection, and the possibility of generosity in the face of loss, Improvement is as intricately woven together as Kiki’s beloved Turkish rugs, as colorful as the tattoos decorating Reyna’s body, with narrative twists and turns as surprising and unexpected as the lives all around us. The Boston Globe says of Joan Silber: No other writer can make a few small decisions ripple across the globe, and across time, with more subtlety and power. Improvement is Silber’s most shining achievement yet. Without fuss or flourishes, Joan Silber weaves a remarkably patterned tapestry connecting strangers from around the world to a central tragic car accident. The writing here is funny and down-to-earth, the characters are recognizably fallible, and the message is quietly profound: We are not ever really alone, however lonely we feel. —The Wall Street Journal
