**Misquoting Jesus** Bart D. Ehrman, 2009-10-06 When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In *Misquoting Jesus*, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

**The Lost Book of Moses** Chanan Tigay, 2016-04-12  
One man's quest to find the oldest Bible scrolls in the world and uncover the story of the brilliant, doomed antiquarian accused of forging them. In the summer of 1883, Moses Wilhelm Shapira—archaeological treasure hunter and inveterate social climber—showed up unannounced in London claiming to have discovered the oldest copy of the Bible in the world. But before the museum could pony up his £1 million asking price for the scrolls—which discovery called into question the divine authorship of the scriptures—Shapira's nemesis, the French archaeologist Charles Clermont-Ganneau, denounced the manuscripts, turning the public against him. Distraught over this humiliating public rebuke, Shapira fled to the Netherlands and committed suicide. Then, in 1947 the Dead Sea Scrolls were discovered. Noting the similarities between these and Shapira's scrolls, scholars made efforts to re-examine Shapira's case, but it was too late: the primary piece of evidence, the parchment scrolls themselves had mysteriously vanished. Tigay, journalist and son of a renowned Biblical scholar, was galvanized by this peculiar story and this indecipherable man, and became determined to find the scrolls. He sets out on a quest that takes him to Australia, England, Holland, Germany where he

meets Shapira's still aggrieved descendants and Jerusalem where Shapira is still referred to in the present tense as a "Naughty boy". He wades into museum storerooms, musty English attics, and even the Jordanian gorge where the scrolls were said to have been found all in a tireless effort to uncover the truth about the scrolls and about Shapira, himself. At once historical drama and modern-day mystery, *The Lost Book of Moses* explores the nineteenth-century disappearance of Shapira's scrolls and Tigay's globetrotting hunt for the ancient manuscript. As it follows Tigay's trail to the truth, the book brings to light a flamboyant, romantic, devious, and ultimately tragic personality in a story that vibrates with the suspense of a classic detective tale.

In this 8-session video Bible study (streaming included), enter the culmination of God's complex plan to deliver his people in the person of Jesus Christ, our Savior. Salvation is what the story of the Bible is all about: the final goal of God's narrative. The upper story, which reveals how the events unfold from God's perspective. As you read these stories—featuring characters such as Mary and Joseph, the Twelve

Disciples, John the Baptist, Mary Magdalene, and the central figure, Jesus Christ—you will see how God has been weaving our lower story into the greater upper story that he has been writing.
