*The Bible Recap* Tara-Leigh Cobble, 2020-11-03

Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures.--MICHAEL DEAN MCDONALD, the Bible Project

**Crazy Love** Francis Chan, 2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless,

all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. ### **How (Not) to Read the Bible** Dan

Kimball, 2020-12-01 Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the Bible was called the Good Book, a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes reflecting popular cultural objections, How (Not) to Read the Bible is a lifeline for individuals who are confused or discouraged with questions about the Bible. It also works great as a small-group study or sermon

series.

**Misquoting Jesus** Bart D. Ehrman, 2009-10-06 When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In *Misquoting Jesus*, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the

provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

*Believing Jesus Bible Study Guide plus Streaming Video* Lisa Harper, 2022-09-13 Journey through the biblical stories of the early Christian movement, and see what kind of wild adventures await those who truly believe Jesus. Throughout the book of Acts, believing Jesus and what he said is the core value that marked every believer in the first church. Because they believed Jesus, the early Christians were willing to risk everything—their comfort, their homes, even their lives. In this eight-session video Bible study (streaming included), Lisa Harper launches into the book of Acts to discover how Jesus' command to spread the gospel changed the lives of those who believed and shaped the culture that surrounded the growing church. At the end of this journey together, not

only will you have studied this wild, adventurous, risk-taking book of the Bible; but you'll see how God supernaturally orchestrated the events in Scripture to bring about the message of salvation that the early believers preached. Today, we are faced with the same risks. Will we truly believe the words of Jesus and allow them to transform every part of our lives? *Know How We Got Our Bible* Ryan Matthew Reeves, Charles E. Hill, 2018-08-07 The easy accessibility of the Bible in most of the world's major languages can obscure a dramatic and sometimes unexpected story. In *Know How We Got Our Bible*, scholars Ryan Reeves and Charles Hill trace the history of the Bible from its beginnings to the present day, highlighting key figures and demonstrating overall the reliability of Scripture. Reeves and Hill begin with the writing of the Bible's books (including authorship and dating), move into the formation of the Old and New Testaments (including early transmission and the development of the canon), and conclude with several chapters on Bible translation from the Latin Vulgate to the ongoing work of translation around the world today. Written simply and focused on the overarching story of how the Bible came to us today, *Know How We Got Our Bible* is an excellent introduction for formal students and lay learners alike. Each chapter includes reflection questions and recommended readings for further learning.

**God the Savior Bible Study Guide plus Streaming Video** Randy Frazee, 2021-07-13 God goes to great lengths to rescue lost and hurting people. In this 8-session video Bible study (streaming included), enter the culmination of God's complex plan to deliver his people in the person of Jesus Christ, our Savior. Salvation is what the story of the Bible is all about: the final goal of God's narrative. But throughout the Bible, there are two parallel dramas unfolding: The lower story, which describes the events from our human perspective. The upper story, which reveals how the events unfold from God's perspective. The goal of the *God the Savior Bible study* is to introduce you to these lower and upper stories as told in the New

Testament. As you read these stories—featuring characters such as Mary and Joseph, the Twelve Disciples, John the Baptist, Mary Magdalene, and the central figure, Jesus Christ—you will see how God has been weaving our lower story into the greater upper story that he has been writing. This study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, video notes, and Scripture readings. An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). Sessions include: Jesus' Birth and Ministry (Matthew-John) Jesus, the Son of God (Matthew-John) The Hour of Darkness (Matthew-John) The Resurrection (Matthew-John) New Beginnings (Acts 1-12) Paul's Mission (Acts 13-18) Paul's Final Days (Acts 19-28) The End of Time (Revelation) The God the Savior Study Guide is part of The Story Bible Study Series: a three-part Bible study drawn from Randy Frazee's bestselling *The Story*, which reveals the Bible as a single, continuous narrative of God and his people. Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required. Void where prohibited, taxed, or restricted by law. Additional offer details inside.
