The Bible Recap Tara-Leigh Cobble,2020-11-03 Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures.--MICHAEL DEAN MCDONALD, the Bible Project

Misquoting Jesus Bart D. Ehrman,2009-10-06 When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In *Misquoting Jesus*, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

Crazy Love Francis Chan,2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. God the Savior Bible Study Guide plus Streaming Video Randy Frazee, 2021-07-13 God goes to great lengths to rescue lost and hurting people. In this 8-session video Bible study (streaming included), enter the culmination of God's complex plan to deliver his people in the person of Jesus Christ, our Savior. Salvation is what the story of the Bible is all about: the final goal of God's narrative. But throughout the Bible, there are two parallel dramas unfolding: The lower story, which describes the events from our human perspective. The upper story, which reveals how the events unfold from God's perspective. The goal of the God the Savior Bible study is to introduce you to these lower and upper stories as told in the New Testament. As you read these stories—featuring characters such as Mary and Joseph, the Twelve Disciples, John the Baptist, Mary Magdalene, and the central figure, Jesus Christ—you will see how God has been weaving our lower story into the greater upper story that he has been writing. This study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, video notes, and Scripture readings. An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). Evidence for the Resurrection Josh McDowell, Sean McDowell, 2010-12-09 When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.
