Book 1 - One You Can't Forget - Hades' Spawn MC Club Emily Rose Dougherty is a good Catholic girl from mythical Walkerville, CT. She had somehow managed to get herself into a heap trouble with the law, all because an ex-boyfriend has decided to make things difficult. Luke Spade Wade owns a Motorcycle repair shop and is the Road Captain for Hades' Spawn MC. He's shocked when he reads in the paper that his old high school flame has been arrested. She's always been the one he couldn't forget. Will destiny let them find each other again? Or what happens in the past, best left for the history books? Book 2 - Making Her His - Beating the Biker Series Anthony Parks, AKA Saks, straddles two worlds and neither one is very reputable. By day, he's a motorcycle mechanic and Road Captain of the Hades' Spawn, a none-too-squeaky-clean motorcycle club. By night, he's the scion of an organized crime family who wants him to join the family business full time. Recent events with the Spawn MC have soured his community reputation, and while certain women like bad boys that's not the kind Saks is looking for. Add in pressure from his family to marry, and Saks is faced with an impossible situation. His wise-guy uncle proposes an arranged marriage between Saks and the daughter of a don from another crime family. When he meets a mysterious blonde who shows him love at first sight is possible, he knows he can never accept his uncle's proposal. Now he has to figure out a way to tell Uncle Vits without getting excommunicated from the family or putting the Spawn in the crosshairs of a powerful crime organization. Now if only he could find the woman who stole his heart. Book 3 - Billionaire Biker I look at you and I see the rest of my life in your eyes. I'll love you. Forever. Katie's not the usual rich girl and Morgan's not your typical biker. The two collide at a bar, and then bump into each other after Morgan leaves the scene of a terrible crime. Falling for one another is inevitable, but when the truth of who Katie is comes out, will it change everything? Book 4 - Battle Lines Loyalties will be tested and lives will be lost. Jace is a brother, now turned president, of the Cerberus Legends Motorcycle club. It wasn't by choice. The presidency came at the cost of his best friend's, Fork's, life. Fork was shot by a rival motorcycle gang, the Chiron Knights. Jace is forced to finish the job. It tears holes inside of him bigger than any bullet could do. He finds comfort in the arms (and legs) of Classic, a bar dancer at the Iron Hog. Classic belongs to one of the Chiron Knight brothers and Jace must immediately choose bros before hoes. When Classic is critically injured while riding her motorbike, it's clear the Chiron Knights tried to take her out of the picture. **Biker's Handbook** Jay Barbieri,2007-11-15 There are millions of new motorcyclists hitting the blacktop every year. But being part of the American motorcycle culture takes more than just wanting to be cool. It takes a passion for the open road, freedom, and a lifestyle that even the best financing cant buy. This book, by someone who knows motorcycles as few do, provides a road map to biker culture for anyone new to the experience. Jay Barbieri explains everything a new rider needs to know to become a real biker. He begins with a brief history of motorcycles, and draws on his twenty-five years of riding experience for examples of what works and doesn't in this heady world. Most of all, he aims to spare new bikers the bad decisions neophytes typically make. With hundreds of motorcycle trips under his belt, there is not a mistake Barbieri hasn't made or a situation he hasn't encountered. By sharing the sometimes comical outcomes, he gives the new biker a head start to become more comfortable, credible, and knowledgeable about joining a community that is as much a part of American culture as baseball, hotdogs and apple pie.

Pastor's Wife Wears Biker Boots Karla Akins,2013-08-09 Pastor's wife, Kirstie Donovan, lives life in a fishbowl, so when she hops on the back of a bright pink motorcycle, tongues start to wag at the conservative, century-old First Independent Christian Community Church of Eels Falls. Kirstie loves roaring down a road less traveled by most women over forty, but she's not just riding her bike for the fun of it. Kirstie has a ministry. However, certain church members have secrets to hide, and when God uses Kirstie's ministry to fill the pews with leather-clad, tattooed bikers, those secrets could be exposed... and some will stop at nothing to hide the truth. Join Kirstie and her motorcycle gang—two church matrons and a mouthy, gum-smacking non-church member—as they discover that road-toughened bikers are quite capable of ministering to others, and faith is fortified in the most unexpected ways.

1000 Biker Tattoos Sara Liberte, 2013-10-15 DIV Anyone who rides a motorcycle lives, to some degree, in the margins of society. Where members of the herd drive Toyota Camrys and hipster hatchbacks, bikers opt for Harley-Davidsons, Triumphs, and Ducatis, putting themselves out there like raised middle fingers thrust at the ordinary citizens of the world. And just as a motorcyclist's ride is an affront to the sensibilities of the meek and the conventional, so too is the ink on his or her skin. Tattoos have long been an integral part of this culture, the result of the overwhelming number of ex-military men who formed the nucleus of the postwar outlaw motorcycle club scene. These soldiers, sailors, and marines returned from war with statements etched in ink upon their bodies, and they continued that tradition when they formed the clubs that came to define motorcycle culture. In *1000 Biker Tattoos*, motorcycle photographer Sara Liberte celebrates this most personal of art forms by capturing the wild abandon of the motorcycle lifestyle as expressed through tattoo work. Featuring 1,000 photos of tattoos and the artwork used to create them, along with profiles of the most renowned tattoo artists in the biker community, this book provides an unprecedented window into the most intimate aspect of motorcycle culture./div

*Owned by the Biker* Naomi West, *Owned by the Biker* is book 2 of the Blood Warriors MC trilogy. Book 3, *Owned by the Outlaw*, is available everywhere now! I BOUGHT HER SO SHE COULD GIVE ME A CHILD. I need a son to fulfill my father's last wishes. The pretty bartender is perfect for the job: hot, lonely, and desperate. Now, I own all of her – from her lips to her womb. And she's going to have my baby. It sure as hell wasn't how I saw my life going. I'm a biker, after all, not some loser dad with a white picket fence and 2.3 annoying children. I drink, I fight, I screw. I definitely don't babysit. But even for a rebel like myself, some things simply must be done. My father begged me on his deathbed to give him a grandchild. Plus, he made it a requirement of my inheritance. Fine. As you wish, Pops. One baby, coming up. But the women in my life are hardly fit for conversation, much less reproducing. I need someone a little different. That's where Star came in. She's as tough as they come, but more importantly, she's desperate for some money. I can give her that. In exchange, I want all of her. I want to see that sexy little grin. To touch that tight little body. And to give her a night that she will never forget – at least, not for nine months afterwards. I'll do whatever I want with this vixen. After all, I own her now.

Breaking the Outlaw Biker Code of Silence Karen Katz, 2011-05-01 We can't be infiltrated, no cops can get inside of us, they don't have the resources, the manpower or the time to wait. We're unbeatable and untouchable. (Hells Angel, Ralph Sonny Barger, quoted in Droban, 2007, p. back cover) There's nobody lower in this world than someone who rats on our club...and that includes Anthony Tait. (Barger, 2000, p. 229) Outlaw Motorcycle Gangs as organized crime bodies are considered to be the single most serious threat to North America-the enemy within. Members of Outlaw Motorcycle Gangs have been deemed criminals without borders-they are known and feared the world over. Outlaw Motorcycle Gangs close their world to the outside; outlaw bikers tend to be highly suspicious of outsiders, and they are extremely concerned about being infiltrated by undercover police officers. Members of the outlaw biker subculture do not want to be studied and, consequently, refuse to engage in formal interviews, fill out questionnaires, or have any statements tape-recorded. There is a rigid code of silence that cloaks their world in secrecy-the punishment for breaking this code is death. Nonetheless, there are literally hundred of works written on the outlaw biker subculture. Many of these works are polarized between two extremes, being probiker or anti-biker. Myth, legend, and reality overlap in the history of the outlaw biker. A researcher needs to become completely familiar with the topic they are investigating. This means seeking out, obtaining, and then reading as much as possible. The literature on your topic under investigation will be made up of many different kinds of sources, including

scholarly literature, popular literature, newspaper articles, and magazine articles. Until now there has only been one attempt to compile a comprehensive literature search of the diverse sources on Outlaw Motorcycle Gangs. That attempt, published in 1996, was a valuable addition to the literature and an excellent source for those studying the outlaw biker subculture; however, it is out-of-date and did not include many sources. *Breaking the Outlaw Biker Code of Silence* fills in the gaps and provides one of the most comprehensive compilations of sources on the outlaw biker phenomenon. This literature search is unique because it includes sources written by academics, law enforcement officials, former and current outlaw bikers, females associates, authors of popular literature, and journalists. The dissemination of the literature is important because the purpose of research is to contribute in some way to our understanding of the outlaw biker subculture. This cannot be done if information is not shared. The sources in this book are organized in a manner that attempts to make the bibliography a user friendly tool for a variety of possible readers ranging from academic researchers and students, journalists, authors of popular literature, lawyers, judges, law enforcement personnel, members of the outlaw biker subculture, and members of the general public.
