Love and Infection S. Swain, 2019-08-29 Should half-dead look so good? When your best friend is infected with some kind of rage zombie virus, do you... A. Run for your life? B. Put a bullet in his brain? C. Trust that he won't hurt you? When Jasmyn Saunders sees Akin Pratt moves at a predatory speed and use his superhuman strength, she knows she should be afraid of him. But Jasmyn refuses to be scared of the man she loves, even if he technically isn't a man at all anymore. Keeping her feelings in check is vital to their survival in more ways than one. Just a kiss from Akin may infect her, but it feels like the world is ending, and she wants to tell him how she really feels—before he is too far gone to care. Akin is losing his humanity with each passing minute. One thing still familiar to him is his desire for Jasmyn, which is as strong as his newfound abilities. Yet, more than ever he is determined to keep her at arm's length. The infected are constantly attacking, mercenaries are out to kill them all, and the anger he's kept locked away his entire life is harder to tether. But he refuses to give in completely to the infection raging inside him until Jasmyn is safe even if that means sacrificing himself.

A Cigarette-Maker's Romance F. Marion Crawford, 2010-03 F Marion Crawford

was born in 1854 in Italy. He lived in New England and in 1879 he moved to India. He later returned to the United States to study Sanskrit at Harvard. He wrote over 40 romances, but is best known for his stories of horror and the occult. This romance begins, The inner room of a tobacconist's shop is not perhaps the spot which a writer of fiction would naturally choose as the theatre of his play, nor does the inventor of pleasant romances, of stirring incident, or moving love-tales feel himself instinctively inclined to turn to Munich as to the city of his dreams. On the other hand, it is by no means certain that, if the choice of a stage for our performance were offered to the most contented among us, we should be satisfied to speak our parts and go through our actor's business upon the boards of this world. Some would prefer to take their properties, their player's crowns and robes, their aspiring expressions and their finely expressed aspirations before the audience of a larger planet; others, perhaps the majority, would choose, with more humility as well as with more common sense, the shadowy scenery, the softer footlights and the less exigent public of a modest asteroid, beyond the reach of our earthly haste, of our noisy and unclean high-roads to honour, of our furious chariot races round the goals of fame, and, especially, beyond the reach of competition.

The Biker and the Professor S. Ann Cole ,2020-08-27 Raw, scorned, and finally free from my disastrous marriage, I flee the lies, humiliation, and manipulation of my old life like a bat out of hell, leaving it all in my

rearview mirror. Seduced by the sunny, diverse, laid-back Denver, Colorado, I settle in and set up a new life. New job. New house. New friends... Freedom. □ The idea was to start over. Fresh. Anew. But I didn't anticipate starting over with my twenty-year-old student. □ Nero Gunnar might be twelve years my junior, but he's the manliest man I've ever met. He has his sights set on me and he's not letting up. It's wrong. Forbidden. A disaster waiting to happen. But sinful wrongs have never tasted so, so sweet. Love under Siege Sonja S. Key, 2015-04-09 It has been twenty-four years since Violette de la Marne was told her parents were dead. Now as she stands beside her Grand-Père Philippe's death bed, she clutches the only thing she has left from her parents—a golden locket—and waits for him to take his last breath. But before he does, she overhears him reveal a shocking secret during a confession to a bishop: he has lied to Violette for years, fearing he would lose her to the Huguenots. Her parents are alive. Betrayed by her Grand-Père and betrothed to a man she does not love, Violette derives strength from the locket, rejects the arranged marriage, and embarks on a determined quest through sixteenth century France to find her parents who may be imprisoned in Paris. Drawn to the Huguenots who promise intimacy with God and assurance of salvation, Violette continues to hope for a marriage built on love, trust,

and faith. With the help of God and the handsome rogue, Thomas Montmorency, her search eventually propels her into the immoral and promiscuous court of Henry II and Catherine de Medici where she must hide the truth in order to avoid persecution and death. Love under Siege shares the tale of a young woman's struggles after she overhears a shocking secret and risks everything in a valiant search for her parents, true love, and a new faith.

Rethinking the Romance Genre E. Davis, 2013-12-05 Rethinking the Romance Genre examines why the romance genre has proven such an irresistible form for contemporary writers and filmmakers as they approach global issues. In contemporary texts ranging from literary works, to films, to social media, romance facilitates a range of intimacies that offer new feminist models in the age of globalization.

Darkness Falls S. Frost, 2021-02-19 The Monster She's my obsession. Something I can't let go of. My world is incomplete until I get her back. She thinks she escaped me and that's the end of the story. Little does she know that's just our beginning. I say when our time is over and that's not until my need for her is fulfilled. Brianna I ran for my life in hopes of leaving the horror I encountered behind. I knew no matter how far or how fast I ran that the nightmare wasn't over. I knew he would seek me out again and that's exactly what happened. He found me right at the time my love returned to me. Now not only do I have to fight for my life, but my love is on the line as

well. Brianna has to do everything she can to survive the darkness that wants to take her under. The monster in the dark wants to own her and destroy her at the same time. While fighting to survive Brianna must fight to allow love in. With true love on her side Brianna and her man will make sure that darkness fails in its attempt. Excerpt The Monster I glide my thumb over her picture time and time again. This girl is my weakness or my sickness, some may say. I can't get over the fact that she got away from me. I've never been sloppy. I've never allowed anyone to get the best of me, but she did. After everything I did to catch her, and it was all for nothing. I hate the thought of her slipping through my fingers like water running in a stream. All I wanted was to be close to her. I searched for her for so long. All the others before her and after her were pale in comparison to the real thing. I waited so long to break her so that I could build her up. She would be better due to my work with her. I exchange the photo for a tv remote. When I turn the television on, the news begins to show. A male newscaster is sitting on the tv, talking about the events that happened two years ago. "The city was held hostage by a mad man for a year, three years ago. This man waltzed into our lives like the boogie man. He attacked the young women of our town. After he snatched these young, innocent girls from their lives, he would hold them hostage and inflict terrible pain upon them, before throwing them away as if they were trash. His reign of terror was brought to a halt when a brave young woman named Tyler Scott found the courage to beat the odds. She was able to

withstand the horror of her captor for three days before finding her way free. Just like every other newscast, we have decided not to air her likeness, but I would like to say to that brave girl on this second anniversary of her escape that I am proud of the strength you have shown. I know you have seen so many dark days, but the light will always be waiting for you. Thank you and good night," the newscaster says before the show credits appear. I flick the tv off. That bastard doesn't know what he's talking about. The girls I take need me. I'm their light, and the one who got away is my light, but better, yet she is mine. It's time to get her back.
