As an openly bisexual man, Elliot has no problem with having his cake and eating it too. When he tells Mona and Demitri that he wants both of them at the same time, all hell breaks loose. Hittin' the Bricks Noire, 2009-01-27 "Urban erotica has never been hotter!" –Nikki Turner, author of *Black Widow* Have you ever been betrayed by those you love? Violated in the worst kind of way? And no matter how hard you tried to fight your way out of a trick bag, no matter how tall you tried to walk, did the cold streets of life lead you right back to your grimy destiny? The bestselling author of *G-Spot* and *Candy Licker*, Noire pens the intense tale of Eva Patterson, a tragic daughter of the ghetto who finds peril on the streets of New York. With an abusive mother and a heroin monkey on her back, Eva experiences a series of traumatizing events, forcing her to flee her Brooklyn tenement and seek refuge with her beloved cousin Fiyah in Harlem. But fate is not done wreaking havoc in Eva's life yet. Poised on the brink of progress, Eva meets King Brody, a vicious Harlem drug lord who runs Bricks, the hottest rap club in town. Unbeknownst to Eva, her cousin Fiyah's thirst for glory leads him to cut a killer deal with Brody. A trade-off is arranged: Fiyah gets a recording contract—and Brody gets Eva. The problem is, Eva already has a man: Ice Mello Williams, a hot Harlem rapper who has a bitter feud going with Fiyah and is determined to seize his recording contract. Torn between the man she loves

and a violent kingpin, Eva becomes an unwilling pawn in a deadly game of cat and mouse. Can Fiyah and Mello help her elude the sadistic jaws of Brody, or will she end up losing her life in his brutal trap?

Seventeen-year-old Peter was just a typical teenager, looking for a good time. After a night out with a friend looking for sexual fulfilment, he awakes to find that it's two year's in the future - and he has no memory of how he's got there. Peter quickly realises that he's become something quite different from his younger self. To his horror, he discovers that he's at the centre of a violent drug-dealing culture, where dangerous vile characters - including his homicidal twin - are searching for him, asking questions that he can no longer answer.

All the money in his possession has disappeared. He is only too aware his former associates will want their pound of flesh... Four decades later, Peter is involved in another harsh battle for survival. During this fight he meets two fascinating creatures: Jennifer, who becomes the love of his life, and a strange and beguiling temptress, who reveals – through torture – the twisted secrets of his lost years. Warning: This adult romance story of 63,000 words contains mature sexual situations involving hypnosis

Indie TV James Lyons, Yannis Tzioumakis, 2023-03-27 This edited collection is the first book to offer a wide-ranging examination of the interface between American independent film and a converged television landscape that consists of terrestrial broadcasters, cable networks and streaming providers, in which independent film and television intersect in complex, multifaceted and creative ways. The

book covers the long history of continuities and connections between the two sectors, as seen in the activities of PBS, HBO or Sundance. It considers the movement of filmmakers between indie film and TV such as Steven Soderbergh, Rian Johnson, the Duplass brothers, Joe Swanberg, Lynn Shelton and Gregg Araki; details the confluence of aesthetic and thematic elements seen in shows such as *Girls*, *Breaking Bad*, *Master of None*, or *Glow*; points to a shared interest in regional sensibilities evident in shows like *One Mississippi* or *Fargo*; and makes the case for documentaries and web series as significant entities in this domain. Collectively, the book builds a compelling picture of indie TV as a significant feature of US screen entertainment in the 21st Century. This interdisciplinary landmark volume will be a go-to reference for students and scholars of Television Studies, Film Studies and Media Studies.

Breaking Down is Waking up Russell Razzaque, 2014-05-13 Razzaque explores an entirely new way of understanding psychological and mental distress based on clinical case studies from a mental hospital. His extraordinary conclusion: mental illness can be a form of spiritual awakening. The book describes new forms of treatment for mental illness inspired by Eastern approaches and centering, in particular, around practices such as mindfulness and meditation. These therapies offer both patients and their families the inspiring idea that the approach to their psychological difficulties should go beyond just treating episodes of mental illness but also, where possible, help the individual to complete the process of spiritual growth they have begun. Dr Razzaque argues passionately that our society as a whole could benefit from developing an awareness of the spiritual power of this process of transformation. Written in the tradition of the bestselling medical doctors, Stanford's Irvin D. Yalom and Britain's Oliver Sacks, *Breaking Down is Waking Up*, will speak to both professionals in the field of mental health as well as those suffering from mental illness, their family and friends and, indeed, all

those who have an interest in exploring the deepest layers of what it really means to be human.

No Hiding in Boise Kim Hooper, 2021-06-15 A 2021 INDIE NEXT Pick A Women's National Book Association 2021 Great Group Read When Angie is awakened by a midnight call from an officer with the Boise Police Department, she thinks there must be a misunderstanding. The officer tells her that her husband was involved in a shooting at a local bar, but how can that be possible when her husband is sleeping right next to her? Except when she turns to wake him, he isn't there. Tessa is the twenty-three-year-old bartender who escapes to a backroom storage closet during the shooting. When it

comes to light that five people were killed, she is burdened with the question of why she survived. Joyce wakes up to a knock at her front door, a knock she assumes is her wayward son, Jed, who must have lost his keys. It's not Jed, though. Two police officers tell her that Jed is dead, shot at the bar. Then they deliver even worse news: "We have reason to believe your son was the shooter." So begins the story of three women tied together by tragic fate—a wife trying to understand why her now-comatose husband was frequenting a bar in the middle of the night, the young woman who her husband was apparently pursuing, and a mother who is forced to confront the reality of who her son was and who she is.

Couples John Updike, 2012-03-13 "Trapped in their cozy catacombs, the couples have made sex by turns their toy, their glue, their trauma, their therapy, their hope, their frustration, their revenge, their narcotic, their main line of communication and their sole and pitiable shield against the awareness of death."—Time One of the signature novels of the American 1960s, *Couples* is a book that, when it debuted, scandalized the public with prose pictures of the way people live, and that today provides an engrossing epitaph to the short, happy life of the "post-Pill paradise." It chronicles the interactions of ten young married couples in a seaside New England community who make a cult of sex and of themselves. The group of acquaintances form a magical circle, complete with ritualistic games, religious substitutions, a priest (Freddy Thorne), and a scapegoat (Piet Hanema). As with most American utopias, this one's existence is brief and unsustainable, but the "imaginative quest" that inspires its creation is eternal. Praise for *Couples* "Couples [is] John Updike's tour de force of

extramarital wanderlust.”—The New York Times Book Review “Ingenious . . . If this is a dirty book, I don’t see how sex can be written about at all.”—Wilfrid Sheed, The New York Times Book Review

My Friend You Donald Clark, 2018-09-27 *My Friend You* is a true story chronicling a young Afro-American man's four-year tour of duty in the marine corps during the Vietnam War era. The book contains its share of wartime drama, but upon reading further, it doesn't take you long to realize this book is not a typical Vietnam War story, but, instead, it tells about the love and devotion the young marine has for two orphaned children he met in mid-July of 1965 when he was flying as a volunteer crewman aboard a marine medevac helicopter and was dispatched to rescue a party of seventeen children. During the rescue, the young marine was awkwardly introduced to a pretty orphaned ten-year-old girl Kim and her protective teenage brother, Lanh. The three quickly bonded, and their interactions inexplicably triggered the marine's paternal senses to befriend them both, thus, changing his life forever. Some fifty-two years have passed since I promised those kids I would tell the world about their story, and I plan to do just that, God willing.

Sex Pots Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond. Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women, and many women reduced the politics of men's power to questions about sexuality. By the 1980s these questions had become more and more focused on the issue of pornography--now a metaphor for the menace of male power. Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists, but made it harder to think clearly about either sexuality or pornography--indeed, about feminist politics more generally. This provocative collection, by well-known feminists, surveys these arguments, and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography.
