As an openly bisexual man, Elliot has no problem with having his cake and eating it too. When he tells Mona and Demetri that he wants both of them at the same time, all hell breaks loose. And then, just when you think you have it all figured out, Elliot's ex steps into the picture and throws a monkey wrench that Mona never saw coming. **Hittin' the Bricks** Noire, 2009-01-27 "Urban erotica has never been hotter!" -Nikki Turner, author of *Black Widow* Have you ever been betrayed by those you love? Violated in the worst kind of way? And no matter how hard you tried to fight your way out of a trick bag, no matter how tall you tried to walk, did the cold streets of life lead you right back to your grimy destiny? The bestselling author of *G-Spot* and *Candy Licker*, Noire pens the intense tale of Eva Patterson, a tragic daughter of the ghetto who finds peril on the streets of New York. With an abusive mother and a heroin monkey on her back, Eva experiences a series of traumatizing events, forcing her to flee her Brooklyn tenement and seek refuge with her beloved cousin Fiyah in Harlem. But fate is not done wreaking havoc in Eva's life yet. Poised on the brink of progress, Eva meets King Brody, a vicious Harlem drug lord who runs Bricks, the hottest rap club in town. Unbeknownst to Eva, her cousin Fiyah's thirst for glory leads him to cut a killer deal with Brody. A trade-off is arranged: Fiyah gets a recording contract and Brody gets Eva. The problem is, Eva already has a man: Ice Mello Williams, a hot Harlem rapper who has a bitter feud going with Fiyah and is determined to seize his recording contract. Torn between the man she loves and a violent kingpin, Eva becomes an unwilling pawn in a deadly game of cat and mouse. Can Fiyah and Mello help her elude the sadistic jaws of Brody, or will she end up losing her life in his brutal trap?

A woman whose eyes conceal a mind of menace and intrigue. *Lilian Snipe* will be seen, heard and much more. Seventeen-year-old Peter was just a typical teenager, looking for a good time. After a night out with a friend looking for sexual fulfilment, he awakes to find that it's two years in the future - and he has no memory of how he's got there. Peter quickly realises that he's become something quite different from his younger self. To his horror, he discovers that he's at the centre of a violent drug-dealing culture, where dangerous vile characters - including his homicidal twin - are searching for him, asking questions that he can no longer answer. All the money in his possession has disappeared. He is only too aware his former associates will want their pound of flesh... Four decades later, Peter is involved in another harsh battle for survival. During this fight he meets two fascinating creatures: Jennifer, who becomes the love of his life, and a strange and beguiling temptress, who reveals - through torture - the twisted secrets of his lost years. Upon discovering the truth about his brutal past, Peter decides on a course of action that sees him cast into a world of uncertainty, where nothing stays the same for long...

**Indie TV** James Lyons, Yannis Tzioumakis, 2023-03-27 This edited collection is the first book to offer a wide-ranging examination of the interface between American independent film and a converged television landscape that consists of terrestrial broadcasters, cable networks and streaming providers, in which independent film and television intersect in complex, multifaceted and creative ways. The book covers the long history of continuities and connections between the two sectors, as seen in the activities of PBS, HBO or Sundance. It considers the movement of filmmakers between indie film and TV such as Steven Soderbergh, Rian Johnson, the Duplass brothers, Joe Swanberg, Lynn Shelton and Gregg Araki; details the confluence of aesthetic and thematic elements seen in shows such as *Girls*, *Breaking Bad*, *Master of None*, or *Glow*; points to a shared interest in regional sensibilities evident in shows like *One Mississippi* or *Fargo*; and makes the case for documentaries and web series as significant entities in this domain. Collectively, the book builds a compelling picture of indie TV as a significant feature of US screen entertainment in the 21st Century. This interdisciplinary landmark volume will be a go-to reference for students and scholars of Television Studies, Film Studies and Media Studies.

*Breaking Down is Waking up* Russell Razzaque, 2014-05-13 Razzaque explores an entirely new way of understanding psychological and mental distress based on clinical case studies from a mental hospital. His extraordinary conclusion: mental illness can be a form of spiritual awakening. The book describes new forms of treatment for mental illness inspired by Eastern approaches and centering, in particular, around practices such as mindfulness and meditation. These therapies offer both patients and their families the inspiring idea that the approach to their psychological difficulties should go beyond just treating episodes of mental illness but also, where possible, help the individual to complete the process of spiritual growth they have begun. Dr Razzaque argues passionately that our society as a whole could benefit from developing an awareness of the spiritual power of this process of transformation. Written in the tradition of the bestselling medical doctors, Stanford's Irvin D. Yalom and Britain's Oliver Sacks, *Breaking Down is Waking Up*, will speak to both professionals in the field of mental health as well as those suffering from mental illness, their family and friends and, indeed, all those who have an interest in exploring the deepest layers of what it really means to be human.

From the deepest, most dangerous mines to the front lines of airborne combat, Taylin has spent her entire life as a slave, hating her masters more and more every moment. She wants no part of keeping a slave of her own, no matter how powerful. The choice is soon taken out of her hands, as the pair find themselves stranded in an alien future. There, they will need to rely on one another and a host of new allies; not only to navigate their new world, but to fend off the machinations of Immurai the Masked, a demon with a history with Ru and whose plans for them pose a threat to the

very gods. **Rune Breaker: The Complete Saga** collects the entire webserial novel series, *Rune Breaker* by Landon Porter, reprinting the following books: *A Girl and Her Monster*, *Lighter Days*, *Darker Nights*, *The Path of Destruction*, and *Evil Unto Evil*. **Cultural Activism** Begüm Özden Firat, Aylin Kuryel Aylin Kuryel, 2011-03 This volume addresses contemporary activist practices that aim to interrupt and reorient politics as well as culture. The specific tactics analyzed here are diverse, ranging from culture jamming, sousveillance, media hoaxing, adbusting, subvertising, street art, to hacktivism, billboard liberation, and urban guerilla, to name but a few. Though indebted to the artistic and political movements of the past, this form of activism brings a novel dimension to public protest with its insistence on humor, playfulness, and confusion. This book attempts to grasp both the old and new aspects of contemporary activist practices, as well as their common characteristics and internal varieties. It attempts to open up space for the acknowledgement of the ways in which contemporary capitalism affects all our lives, and for the reflection on possible modes of struggling with it. It focuses on the possibilities that different activist tactics enable, the ways in which those may be innovative or destructive, as well as on their complications and dilemmas. The encounter between the insights of political, social and critical theory on the one hand and activist visions and struggles on the other is urgent and appealing. The essays collected here all explore such a confrontational collaboration, testing its limits and productiveness, in theory as well as in practice. In a mutually beneficial relationship, theoretical concepts are rethought through activist practices, while those activist practices are developed with the help of the insights of critical theory. This volume brings scholars and activists together in the hope of establishing a productive dialogue between the theorizations of the intricacies of our times and the subversive practices that deal with them.

**My Friend You** Donald Clark, 2018-09-27 *My Friend You* is a true story chronicling a young Afro-American man's four-year tour of duty in the marine corps during the Vietnam War era. The book contains its share of wartime drama, but upon reading further, it doesn't take you long to realize this book is not a typical Vietnam War story, but, instead, it tells about the love and devotion the young marine has for two orphaned children he met in mid-July of 1965 when he was flying as a volunteer crewman aboard a marine medevac helicopter and was dispatched to rescue a party of seventeen children. During the rescue, the young marine was awkwardly introduced to a pretty orphaned ten-year-old girl Kim and her protective teenage brother, Lanh. The three quickly bonded, and their interactions inexplicably triggered the marine's paternal senses to befriend them both, thus, changing his life forever. Some fifty-two years have passed since I promised those kids I would tell the world about their story, and I plan to do just that, God willing.

**No Hiding in Boise** Kim Hooper, 2021-06-15 A 2021 INDIE NEXT Pick A Women's National Book Association 2021 Great Group Read When Angie is awakened by a midnight call from an officer with the Boise Police Department, she thinks there must be a misunderstanding. The officer tells her that her husband was involved in a shooting at a local bar, but how can that be possible when her husband is sleeping right next to her? Except when she turns to wake him, he isn't there. Tessa is the twenty-three-year-old bartender who escapes to a backroom storage closet during the shooting. When it comes to light that five people were killed, she is burdened with the question of why she survived. Joyce wakes up to a knock at her front door, a knock she assumes is her wayward son, Jed, who must have lost his keys. It's not Jed, though. Two police officers tell her that Jed is dead, shot at the bar. Then they deliver even worse news: "We have reason to believe your son was the shooter." So begins the story of three women tied together by tragic fate—a wife trying to understand why her now-comatose husband was frequenting a bar in the middle of the night, the young woman who her husband was apparently pursuing, and a mother who is forced to confront the reality of who her son was and who she is.

**Breaking Up Is Hard to Do** Ed Gorman, 2013-12-31 At the height of the Cold War, a dead woman turns up in a bomb shelter Black River Falls used to be a boring small town, but at the pinnacle of the Cuban Missile Crisis, nowhere in America can be boring anymore. As the country awaits nuclear annihilation, Iowa gubernatorial favorite Ross Murdoch has a crisis of his own: There is a dead woman in his bomb shelter. Murdoch tells his lawyer, Sam McCain, that the corpse was planted there by his enemies in the local police force, and begs McCain to clear his name before Election Day. The dead woman was mistress to four of the town's most powerful men—any of whom might have wanted her dead. As the nation's nuclear paranoia reaches a fever pitch, McCain searches for a killer and learns that there are certain kinds of disaster for which even the finest bomb shelter is no match.

**Sex Pots** Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond. Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women, and many women reduced the politics of men's power to questions about sexuality. By the 1980s these questions had become more and more focused on the issue of pornography—now a metaphor for the menace of male power. Collapsing feminist politics

into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists, but made it harder to think clearly about either sexuality or pornography--indeed, about feminist politics more generally. This provocative collection, by well-known feminists, surveys these arguments, and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography.
