

Bridal Dressup

Carrie Hertz

Framing the Bride Bonnie Adrian, 2003-12-08 Do not be misled by the title of this book. It is a study of Taiwan's bridal industry but it is also a fine ethnography of marriage in contemporary urban Taipei. With great subtlety, Bonnie Adrian shows us how much marriage in Taiwan has changed and how many of the old ways it has retained. She does so with wit and humor.—Margery Wolf, author of *A Thrice-Told Tale: Feminism, Postmodernism, and Ethnographic Responsibility* Faced with the puzzle of the ubiquitous bridal photography in Taipei, Bonnie Adrian has produced a model ethnography of media-saturated contemporary life. Ethnographically adventurous, analytically smart, and warmly human, this book cleverly unpacks the ways women's canny choices in Taiwan are forged at the intersection of everyday worlds of inter-generational tension, fantasies fed by a keenly competitive local culture industry, and global imagery tied to the transnational beauty industry. Unlike many who work on globalization, Adrian has not lost sight of the ways that gender and family are still at the heart of people's social worlds and women are not victims.—Lila Abu-Lughod, author of *Veiled Sentiments and Writing Women's Worlds*

Love Suzanne was Part 1 of the Love Series. Love Suzanne Part 2 is the sequel and is expected to be published in the summer of 2010. Love Suzanne - Part 3 of the Love Series is expected to be published in late 2010.

Ramani, 2017-03-17 I have a business idea or I have a business entity – when I go to meet investors or advisors I am asked about my business plan or even when I want to get exceptional talent or I want to explode the business idea/business into a growth trajectory or I simply want to put on paper my plan for my business. If you answered yes to anyone of the above, then this book is for you. Mystery Villa E.R. Punshon,2015-06-01 Description Con

Conway, the notorious cat burglar, was not the kind of person to be scared out of his wits for nothing. So it seemed odd to Sergeant

Bobby Owen, when he met Con quite by chance rushing, terrified, along a road in the Brush Hill district just before midnight.

Afterwards he investigated the house where it seemed Conway had been, yet there was nothing, not a shred of evidence to suggest that swag had been hidden there or taken from there. It was a strange place, Tudor Lodge; it had an eerie atmosphere and disturbing associations. Twice Sergeant Owen returned to look it over but all he encountered was a very pretty and very frightened girl. Finally he found in the house a murdered man - murdered years ago. Yet still he could not make out why Conway had been quite so frightened - until he went to work in earnest on the job.

Mystery Villa is the fourth of E.R. Punshon's acclaimed Bobby Owen mysteries, first published in 1934 and part of a series which eventually spanned thirty-five novels. This edition features a new introduction by crime fiction historian Curtis Evans. What is distinction? The few who achieve it step - plot or no plot - unquestioned into the first rank. We recognized it in Sherlock Holmes, and in Trent's Last Case, in The Mystery of the Villa Rose, in the Father Brown stories and in the works of Mr. E.R. Punshon we salute it every time. Dorothy L. Sayers

Dressing with Purpose Carrie Hertz, 2021-12-21 Dress helps us

fashion identity, history, community, and place. Dress has been harnessed as a metaphor for both progress and stability, the exotic and the utopian, oppression and freedom, belonging and resistance. *Dressing with Purpose* examines three Scandinavian dress traditions—Swedish folkdräkt, Norwegian bunad, and Sámi gákti—and traces their development during two centuries of social and political change across northern Europe. By the 20th century, many in Sweden worried about the ravages of industrialization, urbanization, and emigration on traditional ways of life. Norway was gripped in a struggle for national independence. Indigenous Sámi communities—artificially divided by national borders and long resisting colonial control—rose up in protests that demanded political recognition and sparked cultural renewal. Within this context of European nation-building, colonial expansion, and Indigenous activism, traditional dress took on special meaning as folk, national, or ethnic minority costumes—complex categories that deserve reexamination today. Through lavishly illustrated and richly detailed case studies, *Dressing with Purpose* introduces readers to individuals who adapt and revitalize dress traditions to articulate who they are, proclaim personal values and group allegiances, strive for sartorial excellence, reflect critically on the past, and

ultimately, reshape the societies they live in.

Love at Mistletoe Inn Cindy Kirk, 2014-11-25 They've helped orchestrate the perfect day for countless couples. Now twelve new couples will find themselves in the wedding spotlight in the second Year of Weddings novella collection. Sometimes the road to happiness is paved with youthful mistakes. Hope Prentiss didn't go to the Harmony High School senior prom. Instead, she and John Burke drove to Boise and got married. At eighteen. But when Hope panicked after saying "I do," the mail-order preacher assured her he just wouldn't send in the paperwork. No forms, no marriage, no problem. Right? Well . . . Now, ten years later, Hope discovers that her prom-night wedding counted—and, as fate would have it, the jilted John Burke has just ridden back into town. And he's staying with her Aunt Verna at the inn where she and Hope host weddings. Though Hope thinks she wants an annulment, a little time with John makes her think twice . . . and emotions between the more-or-less Mr. and Mrs. Burke reach a boiling point as soon as they get a moment alone. With annulment out the window, Hope finds herself staring in the face of a divorce. But after spending some time with John and helping plan a Christmas wedding for a mystery couple, Hope begins to wonder if she really wants a divorce ... or a

real wedding of her own.
