The Church of Baseball Ron Shelton, 2023-06-20 LA TIMES BESTSELLER • From the award-winning screenwriter and director of cult classic *Bull Durham*, the extremely entertaining behind-the-scenes story of the making of the film, and an insightful primer on the art and business of moviemaking. This book tells you how to make a movie—the whole nine innings of it—out of nothing but sheer will.” —Tony Gilroy, writer/director of *Michael Clayton* and *The Bourne Legacy* The only church that truly feeds the soul, day in, day out, is the church of baseball.—Annie in *Bull Durham* *Bull Durham*, the breakthrough 1988 film about a minor league baseball team, is widely revered as the best sports movie of all time. But back in 1987, Ron Shelton was a first-time director and no one was willing to finance a movie about baseball—especially a story set in the minors. The jury was still out on Kevin Costner’s leading-man potential, while Susan Sarandon was already a has-been. There were doubts. But something miraculous happened, and *The Church of Baseball* attempts to capture why. From organizing a baseball camp for the actors and rewriting key scenes while on set, to dealing with a short production schedule and overcoming the challenge of filming the sport, Shelton brings to life the making of this beloved American movie. Shelton explains the rarely revealed ins and outs of moviemaking, from a film’s inception and financing, screenwriting, casting, the nuts and bolts of directing, the postproduction process, and even through its release. But this is also a book about baseball and its singular romance in the world of sports. Shelton spent six years in the minor leagues before making this film, and his experiences resonate throughout this book. Full of wry humor and insight, *The Church of Baseball* tells the remarkable story behind an iconic film.

Bull Durham Nicole Peters,2020-04-16 Crash Davis (Kevin Costner, showcasing his Midwestern charm) is a perennial Minor Leaguer assigned to the Durham Bulls, a hapless team with a long tradition of mediocrity. There he tutors a young, dim-witted pitching prodigy, Nuke LaLoosh (Tim Robbins) in the ways of baseball, life, and love.

The Church of Baseball Jim Cryns,2017-11-17 This is the story behind the making of the most popular sports movie of all time. Released in 1988, *Bull Durham* was rejected by every studio in Hollywood--twice. The film defied odds as it became a sports movie that actually made money--a lot of money. It has also been credited with breathing new life into the minor leagues of baseball. Writer and director Ron Shelton played professional baseball at the AAA level for five years. He voluntarily left baseball to pursue a Master's degree. Later, he began writing articles, then covered scripts for legendary producer Ed Pressman. It was this experience that encouraged a young Shelton to write screenplays, including *Under Fire* starring Gene Hackman and *Best of Times*, starring Robin Williams and Kurt Russell. Shelton had an idea for a film that took place in the Carolina Leagues in the minors. It was a love story set in the decaying tobacco town of Durham, North Carolina. *Bull Durham* Producer Thom Mount, formerly head Universal Pictures, was from Durham. He instantly became enamored with the script and the story, which appeared destined to be told. The book includes interviews with Ron Shelton, Kevin Costner, Susan Sarandon, Tim Robbins, Bob Costas, Robert Wuhl, George F. Will, Brian Anderson, William O'Leary and many others.

No Bull Ron Morris,2017-06-13 In 1980, Durham, N.C., was a downtrodden city without baseball or much identity at all beyond the tobacco industry, which was slowly fading away. Enter the Durham Bulls,

who debuted to instant success that year and led to an era of rebirth for the city. This is the story of the 1980 Durham Bulls, told by the beat writer who followed them from spring training through the dog days of August, and how they gave rise to successes that none of them could have envisioned. Just as covering the Brooklyn Dodgers in the 1950s proved to be “The Boys of Summer” for author Roger Kahn, the 1980 Durham Bulls provided Ron Morris with a story to cover that has endured over the next three decades. While many baseball fans think the success of the movie Bull Durham led to the rise of the Durham Bulls, in fact the opposite is true. The Bulls were a hit from the first time they opened the gates in 1980, and their sustained success led to the rebirth of Durham, N.C., as a city, to the renaissance of minor league baseball as a viable industry, and even the rise of Baseball America as the recognized leader in baseball media. In No Bull, Morris follows the 1980 Durham Bulls through their inaugural season, using that narrative thread to explore all the ripples that the team caused in the city and beyond. Morris was the reporter who covered the team for the Durham Herald-Sun that season, and now he has gone back and interviewed the former players and coaches, as well as residents of Durham, to examine the team's impact on the city.

Bull Durham Ron Shelton, 1987

Durham Jim Wise, 2002 From Durham, North Carolina's start in the tobacco and textile industries, the

stories of the history and evolution of the Bull City are fascinating and sometimes unexpected. From the Cigarette City to the City of Medicine, Durham has progressed from a country crossroad, famed for rum and rowdiness, to a prosperous metropolis, renowned for medical research and advanced technology. Recognized as a thriving point in North Carolina's Research Triangle, the city began along industrial and commercial networks as early as the seventeenth century, paving the way for famous beginnings in the distinctive tobacco and textile industries. From its roots in the agrarian Carolina backcountry to its foundation as a railroad stop, growth into a tobacco-based industrial area, and transformation into a coming-of-age city, the Bull City story is wrought with tales of coincidence, good fortune, and unexpected outcomes. Durham exists through quirk and happenstance, derived from a slave's drowsiness, a textile tycoon's authority, and the union of a widower and the county's loveliest girl. The developing city embodies the spirit of these unique beginnings. Starting long before North Carolina was established and extending to the present, *Durham: A Bull City Story* recounts the engaging, comprehensive history of an environmentally and culturally rich area of the state. A myriad of first-hand accounts allow the reader to mingle with Durham's residents throughout significant historical times.

27 Views of Durham Jean Anderson, Jim Wise, Katy Munger, Ariel Dorfman, Rodrigo Dorfman, Barry Yeoman, Clyde Edgerton, Pam Spaulding, Diane Daniel, Cliff Bellamy, 2012 Eno Publishers builds on its successful 27 Views series by showcasing the literary community of Durham, North Carolina, in 27 Views of Durham: The Bull City in Prose & Poetry. The book features 27 writers, who in poetry, essays, short

stories, and book excerpts focus on the town of Durham, famous for Duke University, tobacco, and Southern cuisine. The collection offers readers a broad and varied picture of life past and present in Durham, as well as a sense of the town's literary breadth. Contributing authors include Steve Schewel, Jean Anderson, Carl Kenney, Katy Munger, Ariel Dorfman, Pierce Freelon, John Valentine, Shirlette Ammons, Jim Wise, and others.

Bull-Durham Fred H. Carley, 2004-07 Ignite the Passion is not your ordinary business guide. There are no theories or doctrines to learn. There are no boring graphs that make no sense. It is not written by a disconnected corporate icon or a professor of sociology. Ignite the Passion is written by a leader, for a leader. Peter A. LaPorta is a twenty year veteran of leadership, having personally motivated thousands of employees to reach new heights. He has been a beacon of light to many, clearing the fog for a path towards their destinations. Ignite the Passion is filled with practical knowledge you can apply today. Sharing his many years of experience, Peter brings it all together with real examples of applied usage. Story after story will keep you turning the page as your motivation builds. Peter takes you on a journey from manager to leader, dull interest to full passion. From the moment you open the book, you will open your mind to endless possibilities. Come along for the ride and you won't be disappointed. Ignite the passion today.

Durham Tales Jim Wise,2008-11-12 There is much history in the Bull City, and some of it can be found within these pages. Journalist and local historian Jim Wise relates how Bull Durham smoking tobacco put Durham, North Carolina, on the map; how a plastic cow and an oversized flag cut the city council down to size; how it felt to travel back in time at the Duke Homestead; and how sportsman Al Mann and Mom Ruby Planck left indelible marks on their hometown. Durham's stories are its own, but in them readers may find people, places and truths that resonate with hometowns everywhere.

Seven Broken Souls Bull Durham,2020-10-12 This is my real life story about the parents that emotionally, verbally and physically abused me. They left me with lifelong physical and emotional scars that I would have to first recognize and then fight to overcome. I have no back up or safety net to rely on in life, its just me and always has been. When I turned 17, I started life on my own, paying my own way and making my own mistakes at my own peril. I worked extremely hard to put myself through high school, college and became a Vice President at one of the nations largest banks only to see my bosses and those above me with power retaliate against me time and time again before and after I was a whistle blower. I have tried to become better at everything I do from school, work, my health and own the mistakes I made, but I wont let anyone take my integrity away from me, I've worked too hard at it and for

it. I'm healthier than I have ever been, but my family isn't and won't get the help they need. I have lost most of my family as well during this process of recovery. I had money, success, and dated some of the most beautiful women inside and out, but none of that made me happy until God started showing me I had to love myself before I could love anyone or anything else. I was in survival mode for almost 25 years and now I'm unleashing the bull that my grandfather always referred to me as. I have had multiple surgeries, hospital emergency room visits and therapists because of the damage my parents did, but I have never used these as a crutch. I haven't always done the right things in my personal life, but I have worked with the highest integrity in my professional career with my clients to ensure success for them and myself. This bank and HVAC retailer only care about money, keeping their secrets and will try to run over anyone that gets in their way. Both of these companies are about to learn if you mess with the bull you're going to get the horns!!!! Make no mistake a stagecoach and horses are no match for a bull!!!!

The Greatest Show on Dirt James Bailey, 2012-01-17 Minor league baseball is the land of dreamers, where young men endure months on the road, long bus rides, bad food, and constant pressure while they hone their craft and reach for the next rung up the ladder. Like the players on the field, the men and women who work for the teams put in long hours for low pay to be part of the game they love. It doesn't take Lane Hamilton long to understand the appeal. When he's fired for sleeping through an important meeting at the bank where he works, Lane hooks on as an operations assistant with the Durham Bulls. Every day at historic Durham Athletic Park brings something new, and despite the grueling hours, Lane's too busy ducking jealous co-workers and amped-up relief pitchers to ever get bored. Set in the same

beloved old stadium where Bull Durham was filmed, *The Greatest Show on Dirt* provides a look at baseball from a different angle. Players come and go, but there would be no games without a front office to sell the tickets, groom the field, and open the gates to let the fans in. A former Bulls employee who later spent six years covering the minor leagues for Baseball America, James Bailey has crafted a realistic, yet often hilarious, account of a young man's indoctrination into life in the bush leagues. Reviewers have lauded the colorful cast of characters, from foul-mouthed, 12-year-old groundskeeper Spanky Paul to subtle middle-aged cougar Faith Andrews, who's looking to peddle more than t-shirts out of the team's souvenir shop. Ben Steelman of the Wilmington (N.C.) *StarNews* says, Lane's co-workers are colorful enough to make Damon Runyan's characters look like the cast of a Henry James novel. And Tom Hoffarth of the Los Angeles *Daily News* says, [I]t's not just believable, but is easy to imagine as being the starting point for a movie script--even with Bull Durham already a classic. Bailey doesn't use baseball locker-talk for shock value, but keeps the reader moving at the right pace, fully locked and loaded, trying to figure out how this crumbling old minor-league park will somehow expose the secret to life for at least one person who feels disconnected, but is willing to listen to see if it's speaking his language.
