Bina Pradhan

Bulu: African Wonder Dog Dick Houston, 2011-05-10 Fans of narrative non-fiction, true dog stories, and African wildlife will want to check out Bulu! Born on a crocodile farm in Zambia's untamed South Luangwa Valley, the puppy seemed different from his littermates. Too quiet. Unresponsive. Terriers are usually full of energy and bouncing off walls. But not this one. Nobody wanted him. Enter Anna and Steve Tolan—former police officers who had left behind their life in England to live in the African bush. People thought the Tolans were a bit different, too. The peculiar puppy suited them perfectly. They named him Bulu, or wild dog in the local Nyanja language. Living in the bush, Bulu not only found his voice, he also found his calling as a foster parent to the orphaned baby animals—including warthogs, monkeys, elephants, baboons, bushbucks, and buffalo—cared for by the Tolans. But Bulu's protective nature led him into terrifying situations in the wild. It's a miracle he survived! But survive he did, disarming people with his wacky ways and nurturing once-unwanted creatures like him until they too could be set free. Bulu's story is a joyful confirmation of dogs as unique spirits, capable of love, compassion, and bravery. Packed with vivid descriptions of encounters with crocodiles, lions,

leopards, poisonous snakes, armed poachers, and more—and illustrated throughout with black-and-white photographs—Bulu: African Wonder Dog is a great resource for meeting Common Core State Standards that will be enjoyed by readers of all ages.

*Handbook of Bulu* George L. Bates, 1904

Joel Bulu Joeli Mbulu, 1884

**The Road to Bau and The Autobiography of Joeli Bulu Alan Tippet**, 2013-07-09 Alan Tippet's publications played a significant role in the development of missiology. The volumes in this series augment his distinguished reputation by bringing to light his many unpublished materials and hard-to-locate printed articles. These books—encompassing theology, anthropology, history, area studies, religion, and ethnohistory—broaden the contours of the discipline. English missionary John Hunt and Tongan missionary Joeli Bulu served in the Fiji islands in the 1840s. Their lives were intertwined as they faced the social issues of island warfare, cannibalism, and the ills brought to the Pacific by traders and those involved in the labor trade. In this fascinating two-volume book Alan Tippet first provides the biography of Hunt, then together with Tomasi Kanailagi gives us the thoroughly researched and annotated autobiography of Joeli Bulu. Twenty years as a missionary in Fiji,

following pastoral ministry in Australia and graduate degrees in history and anthropology, provide the rich database that made Alan R. Tippett a leading missiologist of the twentieth century. Tippett served as Professor of Anthropology and Oceanic Studies at Fuller Theological Seminary.

My Name Is Bulu Buddhadeb Pan, 2024-01-09 Despite hailing from a small town, Darpan Bose harbors dreams far grander than his humble beginnings. Fate leads him into the captivating realm of the Media World, where he envisions making a name for himself in the Nation's Capital, achieving fortune, fame, and wealth. Life, however, offers him a chance only after a series of struggles and numerous shortcuts, unleashing an insatiable greed within him. His newfound mantra becomes - Lie, Cheat, and Succeed. The winds

of change sweep through Darpan's life as the Corona Pandemic alters the landscape. Forced to return to his hometown, he endeavors to rebuild his life and marry the woman he loves. In this pursuit, he resorts to deceiving friends and orchestrating a cunning scheme to exploit a Media Baron. All seems well, until Karma intervenes, leading to a dramatic unraveling of the world he meticulously crafted. 'My Name Is Bulu: The Thug of Media' narrates the tale of a man determined to ascend the peaks of the Media World. Yet, in his quest for success, he treads down the wrong paths, alienating those around him. As life snatches away everything he holds dear, including the love of his life, the consequences of his choices come crashing down, reshaping the very foundation of his existence.

Joel Bulu Joeli Mbulu, 2013-12-08 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your

understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Things in Your Head Kimberly Johnson,2017-10-09

Imagine what would happen if our children were empowered from the earliest of ages to understand their emotions. What if they were taught positive words to use daily along with strategies to help them manage their emotions? What if all of these lessons could start as early as 2 years of age? The Adventures Of BuLu is

designed to give children life skills at the most impressionable time in their lives, early childhood. I believe by putting all the great thoughts in their minds as early as we can, we can empower them to be strong, thoughtful individuals who can understand that their happiness lies within them...nowhere else. Give your children the gifts of self love, confidence and happiness; an extraordinary foundation that will last them a life time!
