Perception and Identity Seblewengel Daniel, 2019-10-14 Ethiopia is an icon of freedom and indigenous Christianity across Africa due to its historic independence, ancient Christian identity and rich religious heritage. However, Ethiopia and its various Christian denominations have their own understandings of this identity and how these communities relate to one another. In this detailed study, Dr Seblewengel Daniel explores the perception and identity of the Ethiopian Orthodox Church and evangelical church in Ethiopia and examines the relations between the two. Beginning with the earliest evangelical missionary engagement with the Orthodox church, Dr Daniel skilfully uses historical and theological frameworks to explain the dynamics at play when approaching the relations over two centuries between these two churches and their respective communities. Daniel ultimately emphasizes that what unites the Orthodox and evangelical church is greater than what divides – namely an ancient faith in the triune God. This important study urges both sides to place the Bible at the centre, using it to understand their differences, and challenges them to take responsibility for past negative perceptions in order to move forward together in greater unity and mutual respect.

The Traditional Teaching of the Ethiopian Orthodox Tāwahedo Church Christine Chaillot, Christine Chaillot's new book, The Traditional Teaching of the Ethiopian Orthodox Tāwahedo Church: Faith and Spirituality, presents a topic that is little – if at all – known outside Ethiopia, even in Christian circles. Moreover, it is a much neglected field in the wider study of African education. It is a teaching based on ancient texts and books, taught orally to the students who will become the future clergy and who will then share their knowledge with the faithful in Church life. The studies of the different disciplines are pursued at different schools and at different levels, in liturgy, theology with commentaries of books (Old and New Testaments, books of the Church fathers and monks) as well as composition of poems (qenes) and iconography. All this teaching presented in the present volume is deeply related to the faith and spirituality of the Ethiopian Orthodox Church. This teaching is a unique intangible cultural heritage. One

wonders, however, what its future will be in the context of the modern educational methods and social attitudes that have evolved in Ethiopia over the last half-century.

Insight Into Ethiopia Molla Tikuye, 2009 This book designed to give knowledge is written about Ethiopia, a nation with long time history known as a country of script and museum of history. For many intellectuals history of Ethiopia has become relevant to / cliché' or unique in African history. Materials covered in this book include transference of Ethiopian heritage to young generation, Sheba's and Ark's history, Amharic language and alphabet, information for tourists, and prayer for Ethio-econo-socio-political development. Since faith has power, life for a Christian is easy because God says in Luke 11:9-10: Ask and it shall be given to you. In the same token if Ethiopians pray according to John 15:16 and John 16:23-24 in the name of Jesus, to believe in the Cross and to unify the country nothing will prevent to transform their lives and to get answer for their prayer. I, Molla born and raised in Ethiopia/Wollo/ Woldia having a Bachelor's degree in history like to make research in my spare time. Whenever; I write I produce original works. I have submitted my writings in 1990, 1991 and 1994 to Institute of Ethiopian Studies, major research institute of Ethiopia. In those days my writings were about mighty conquerors. After I came to America I accepted Jesus as my personal Savior in 1995. Ever since I accepted Jesus, hungry for the Word of God, I jump for the glory of the Lord whenever; worship starts. As a result miracles in my life continue to flow. Now I am a nurse. Before six years prophesy came to me through Pastor Seifu Kebede (Divine Mission Ministry) that I would be author of books. These days I start to write books to show the greatness of God and the weakness of man.

The Genesis of the Bible Shaka Saye Bambata Dolo, 2012-03 This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the Jesus' Deception that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as There Is No Religion Higher Than The Truth. Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me

from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

Originally recorded in the ancient Ethiopian language (Ge'ez) by anonymous scribes, The Red Sea Press, Inc. and Kingston Publishers now bring you a complete, accurate modern English translation of this long suppressed account.
