2 DARWIN'S LABORATORY ROY M. MACLEOD,PHILIP F. REHBOCK,1994-01-01 No scientific traveler was more influenced by the Pacific than Charles Darwin, and his legacy in the region remains unparalleled. Yet the extent of the Pacific's impact on the thought of Darwin and those who followed him has not been sufficiently grasped. In this volume of essays, sixteen scholars explore the many dimensions - biological, geological, anthropological, social, and political - of Darwinism in the Pacific. Fired by Darwinian ideas, nineteenth-century naturalists within and around the Pacific rim worked to further Darwin's programs in their own research: in Seattle, conchologist P. Brooks Randolph; in Honolulu, evolutionist John Thomas Gulick; in Adelaide, botanist Richard Schomburgk; and in Malaysia, biogeographer Alfred Russel Wallace. Lesser-known enthusiasts furnished Darwin with fresh material and replied to his endless inquiries, while young aspiring biologists from Cambridge tested Darwinian ideas directly in the laboratory of the Pacific. But the implications of Darwinism for the understanding of human nature and history turned it into a public theory as well as a scientific one. Anthropologists, geographers, missionaries, politicians, and social commentators - from Australia to Japan - all found ways to adapt Darwinism to their own agendas. Darwin's Laboratory demonstrates the variety and richness of Darwinian ideas in the Pacific and, in so doing, shows how the region functioned as a testing ground for the theory of evolution. Further, it illustrates how Darwinian ideas and their European contexts helped invent and define the particular conception we have of the Pacific. Both the general reader and the specialist will find controversy, illumination, and entertainment in this, the first book to probe the extent of Darwinism and Darwinian thinking in the Pacific.

2 REVOLUTION AND COUNTER-REVOLUTION IN SCOTLAND, 1644-51 DAVID STEVENSON,2003-09-08 In 1644 a massive Scottish army of Scottish Covenanters moved over the border into England, claiming they were not invading their neighbour but acting to save its liberties, by helping ensure that the absolutist King Charles I did not win the civil war he was fighting with the English parliament. It was a daring move but the Covenanters believed it a necessary for defensive reasons, for if Charles triumphed over parliament in England he would then attempt to overthrow the Covenanters' regime. More positive ambitions were also involved. Having won the English civil war, the Scots then planned to impose a settlement that protected Scotland's political position under the union of the crowns, and force on England and Ireland Scotland's Presbyterian church. The Covenanters proved over-ambitious and over-confident, driven by their conviction that God would bring them triumph. They did play a decisive role in parliament's victory, but not in the sensational way they had hoped, and the English were reluctant to give them credit - or to accept the Scottish vision of a Scottish-dominated, Presbyterian Britain. Moreover, invading England provoked a major royalist rebellion in Scotland, led by the Marquis of Montrose. Disillusioned by the English parliament, some sought a compromise with the king, but a new invasion of England in 1648 led to disaster. Extremist Covenanters then seized power in Scotland, and sought to impose radical policies, but they were forced by a growing royalist revival to again fall back on monarchy, provoking English invasion led by Oliver Cromwell. This volume continues the story begun in The Scottish Revolution of the Covenanters' sudden rise to power, but how their soaring ambitions and religious zeal in the end led Scotland to an unparalleled disaster. Scotland had long boasted of being 'the never conquered nation.' The legacy of the Covenanters was that Scotland could never make that boast again. It is a book that will appeal to scholars and students of the civil wars, as well as to all those with an interest in this fascinating and turbulent period in Scottish - and indeed British - history.

2 ASSOCIATE PASTORS MICHAEL MATTHEW MAURIELLO ,2022-06-21 Rather than simply leading or following, why not consider stewarding? Associate pastors of all kinds--whether assigned to children, youth, worship, adult, or outreach--are often caught in the middle of complicated relationships in their congregations. It's an emotionally taxing and organizationally confusing position. In Associate Pastors, Michael Matthew Mauriello demonstrates how associate pastors can harness the ambiguity that accompanies their role in ways that can mutually benefit church members and other pastoral staff. The heart of Associate Pastors comes from personal interviews with twenty-five associate pastors in small-to-medium-sized churches who have served in pastoral ministry positions for more than ten years. Their shared experiences demonstrate the unique social and spiritual dynamics of the associate pastor role and suggest great promise for those willing to approach their calling with creativity and care. Specifically, when associate pastors facilitate learning within their congregations, they confer benefits on church leadership and laypeople alike. Dr. Michael Mauriello's research is fueled by his love for God and the desire to see pastors flourish. Associate Pastors: Ministry from the Middle is a must-read for Christian leaders. --Deborah Colwill, Associate Professor of Educational and Leadership Studies, Trinity Evangelical Divinity School Dr. Michael Mauriello has written a thoughtful and well-researched guide for associate pastors who want to understand the dynamics and strategic advantages of their role. He not only understands the position, but he can help pastors serve effectively from the middle seat. --Lee Eclov, Adjunct Professor, Trinity Evangelical Divinity School; Columnist, PreachingToday.com This is a much-needed contribution to resources addressing the unique role of associate pastors--those who 'navigate complicated relationships as a pastoral practice.' --Donald C. Guthrie, Executive Director, Center for Transformational Churches, Jeanette L. Hsieh Chair of Educational Leadership and Director of the PhD (Educational Studies), Trinity Evangelical Divinity School
