The Family Business Carl Weber, Eric Pete, 2012-02-01 By day, the Duncans are an upstanding family who run a thriving car dealership in Queens. By night, they live a dangerous secret life! Carl Weber and Eric Pete deliver a thrilling underworld drama in *The Family Business*. L.C. Duncan, patriarch of the family, is at the age when he's starting to think about retirement in sunny Florida. But the recession is taking a bite out of the business and, worrying more, he has to decide which of his children should take over. When his workaholic son Orlando gets the nod, Orlando's siblings—including the favorite son Vegas, conniving daughter London, glamorous party girl Paris and flamboyant nightclub owner Rio—are up in arms. But so are the Zunigas, a rival family whose fragile business alliance with the Duncans may explode at any moment. When Vegas suddenly breaks away from the family, London's lawyer husband, Harris, makes a play for the company and all hell breaks loose. Selling cars, it turns out, is only a small part of the Duncans' family business. Each member of the family has a secret expertise to reveal. And now, under siege from the Mafia, Mexican drug cartels and the Zunigas, the Duncans will have to stick together—or die separately!

The Choir Director 2 Carl Weber, 2014-08-19 Carl Weber takes readers back to church in his latest drama-filled novel, the much-anticipated sequel to the New York Times bestseller, *The Choir Director*. It's been three years since Aaron Mackie succeeded in helping his friend and mentor, Bishop T.K. Wilson, dig his ministry out of financial ruin. Aaron is also responsible for re-energizing the almost defunct choir into something special. His success has drawn national attention, and he's on the verge of signing a huge recording contract. With his life in order, Aaron decides the time is right to propose to Tia Gregory, the church secretary who caught his eye and inspired him to shed his Tiger Woods-like tendencies to become a one-woman man. The stage is set for what might be the wedding of the year, but quickly becomes the disaster of the year when Aaron is left at the altar without explanation. Now, during his own hour of need, Aaron turns to the bishop for help. Unfortunately, the line he asks T. K. to cross will force the bishop to choose between faith and friendship, or as he puts it, between heaven and hell. As the investigation into Tia's disappearance continues, the two men are challenged in ways they never imagined.

Influence Carl Weber, 2018-08-28 From the New York Times bestselling author of *The Family Business* crime series comes a deliciously provocative legal page-turner about the Hudson family. When famed attorney Bradley Hudson learns of his youngest son Langston's arrest for drug trafficking, he immediately assembles a team of lawyers and investigators, including members of his own family, to build a defense. With his reputation for being a shark in the courtroom, Bradley is confident he will get justice for his son—until he realizes he will be going up against an old foe, Assistant District Attorney James Brown. Is the ADA allowing his personal history

with the Hudsons to influence his handling of the prosecution? To complicate matters, Bradley discovers that his older son, Lamont, a young lawyer and Bradley's right-hand man, has secretly been planning his exit from the family law firm to get out from under his father's shadow. Desiree, Bradley's only daughter, is fresh out of law school and quite reserved compared to her siblings. She's the good girl who doesn't normally like to rock the boat, but in what could be considered the worst of all timing, she is secretly dating a man and a woman, and both relationships are on a collision course. Given the problems her family is facing, now is not the right time for Desiree to introduce more drama to the mix, but she just can't seem to help herself. As if fighting for one son's freedom and fending off the other's betrayal isn't enough pressure, Bradley is also in the middle of his own love triangle between his ex-wife, federal judge Jacqueline Hudson, and his current wife and jury consultant, Carla. He knows how much is at stake if his family's drama spirals out of control, so he'll do everything within his power to keep it all together and prevent his son from landing behind bars. With his trademark dramatic style, Carl Weber introduces readers to the Hudsons. Only time will tell if they can stand united, or if the legal dynasty of Bradley Hudson is about to come crashing down.
