Cookham to Cannes Brent Tyler,2017-04-23 When Brent and Debbie Tyler's small publishing business collapsed at the end of 2009, they had to act fast as they'd run out of cash and were about to be evicted from their rented property in Cookham, Berkshire. Deciding that taking a leap into the unknown was better than making no decision at all, they borrowed a little money from some good friends, packed up their belongings and headed to a mobile home site just outside Cannes. Whilst there, they would look for work with the hope of settling in the region.What no one bothered to tell France's newest arrivals was that the people they were about to be interviewed by and eventually work for were all blisteringly, yet deliciously mad. Whilst minding his own business in the garden belonging to one of these certifiable lunatics, Brent gets adopted by a dog with his own obsession, maintaining the author's theory that sanity is an extremely rare commodity in the south of France.

The Cannes Con Joseph Pittman,2021-06-16 He charmed you in London. He deceived you in California. His tales have taken people for their money in New York and Florida. Now, snarky con man Todd Gleason goes to France. Is the con finally on him?THE CANNES CONIt begins before he's even involved, with a young lady named Alice. Her life is far from a Wonderland. She's in possession of a rare jewel, la grenouille doree. But not for long. She loses the jewel, and her life.Ah, Todd Gleason. He's never lacking for something to do. See, he's met a beautiful woman, an actress with, uh, questionable talents. But she's been cast in the lead role of a Broadway revival of Can-Can. Opening night leads to Todd meeting a woman of influence who may just have a job for him. It involves money. Lots. And a lost jewel.Yup, he takes the assignment. His destination? The south of France, to retrieve what he's come to know as the Golden Frog.Meanwhile, Alice's sister, Audrey, is already in the City of Light, hiring a private investigator to find out what rabbit hole her sister fell through. There are others involved, all of them with their own motives. The mystery of the gilded amphibian will only deepen. And darken.The search for the truth will lead them all to Cannes, where they discover it takes a thief to catch a thief. And a killer.

RAF Evaders Oliver Clutton-Brock,2009-02-19 Stories of the British airmen shot down over Western Europe who evaded capture by the Germans and made their way to Allied territory during World War II. During the five years from May 1940 to May 1945 several thousand Allied airmen, forced to abandon their aircraft behind enemy lines, evaded capture and reached freedom, by land, sea and air. The territory held

by the Germans was immense—from Norway and Denmark in the north, through Holland, Belgium, Luxembourg to the south of France—and initially there was no organization to help the men on the run. The first one to assist the evaders and escapers (“E & E” as the Americans called them) was the PAT line, along the Mediterranean coast to Perpignan and down the Spanish border; named after a naval officer Pat O’Leary, from 1942 it became the PAO line. Next was the Comet line, from Brussels to the Pyrenees. Thousands of brave people were to be involved for whom, if caught, the penalty was death. Theirs is a stirring and awe-inspiring story. Respected historian Oliver Clutton-Brock has researched in depth this secret world of evasion, uncovering some treachery and many hitherto unpublished details, operations and photos. It is a tremendous reference work, written in his own colorful style with numerous anecdotes, which fills a gap of knowledge formerly unavailable to historians, professional or amateur. Packed the information, key figure biographies and listings—2, 094 evaders identified—this is a valuable testimony to the courage of all those involved.

**The Lazarus Effect** Ben Witherington, Ann Witherington, 2008-09-15 Archaeologist Art West makes the discovery of a lifetime in Jerusalem finding the tombstone of Lazarus, which indicates that Jesus raised him from the dead. But before he can make public his amazing discovery, the stone is stolen, sold to the British Library, and West is implicated in an antiquities fraud that will lead to a trial. West's Jewish and Muslim friends in Jerusalem rally to support West's innocence and to help find the thief who stole the stone, but then West is shot and in critical condition in a Jerusalem hospital. Can the truth be discovered in time, and West's life be saved? And what was on that Aramaic scroll that was found in Lazarus's coffin? In this fast-paced thriller, Ben Witherington, himself a NT scholar with a degree in English literature, together with his wife, Ann, introduces us to the life of an archaeologist and NT scholar and his trials and tribulations when a big find comes to light. Set in the always volatile city of Jerusalem, the Witheringtons reveal the fascinating hidden dimensions of multi-religious life in that Holy Place, and show how even today Christians, Jews, and Muslims can work together so the truth may come to light, and all may experience the Lazarus Effect--new life from the dead.
