📖 **IS HE CHEATING?** JENNIFER MATTHEWS,2015-05-23 Countless relationships and marriages have been wrecked by affairs. Recent studies have shown that most couples experience the agonizing pain of infidelity at some point in their relationship. Affairs are often the result of a conflict in a relationship, because the partners fail to make each other feel happy and secure in their relationship. Trouble in a relationship often comes out of the miscommunication or ignorance of and failure to meet each other’s emotional needs. Left unaddressed, eventually one partner is left feeling physically and emotionally alienated and disconnected, and may even get that nagging suspicion that there’s something going on with the other partner. If you picked up this book and are presently contemplating the need to find out if your husband or boyfriend is cheating on you, chances are that your relationship is also at that point where you need to make some decisions regarding how to move forward. This book will guide you through the steps of verifying whether or not your husband or boyfriend is cheating on you. And while it is our sincerest hope that your suspicions will be proven wrong so that you can rekindle the fire in your relationship, this book is here to help you proceed with caution at all times, and to be firm in dealing with the aftermath, regardless of the outcome of your investigations.
