The Maya Prophecy P. A. Faber,2012-03-28 According to Mayan prophecy, the world will end December 21, 2012. It is a mystery how the Mayans came to this conclusion; it is also a mystery how to stop certain doom. But in all their wisdom, is there a possibility that the Mayans knew how to postpone the end of the world? If so, could there be an ancient text that reveals the answer archaeologists seek? Anthropologist Kate OHara thinks so. She and a team of fellow academics stumble upon a mysterious Mayan codex while investigating in the Yucatan Peninsula. Before the codex can be authenticated, however, it disappears, and the team begins to receive death threats from a menacing secret society. Luckily, Kate already made a copy of the manuscript, and so begins the lengthy process of translation, despite the terrible danger to their lives. The codex reveals the story of Ahkan, a Maya shaman, and her cousin and soul mate, Took Pac, a priest of the Maya Temple of Kulkulkan. Took Pac discovered a secret text written by the Mayan king and prophet, Chan Bahlam II. Kate believes the answer to the worlds crisis may be found in the words of Chan Bahlam. Now she must try to translate the manuscript in time and live long enough to share the good news with others.

HIDDEN TRUTHS OF THE BIBLE LEIGHTON GORDON,2013-11-19 Do you desire to know the truth? There are a lot of misconceptions about the Bible. Lies are often passed down from generation to generation, manipulating the word of God. The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration. Some may be fine with not knowing the complete truth, or pretending to be a sold out Christian, and not honestly knowing what God's word says about many issues faced on a daily basis. Individuals may be fine displaying that tag that reads, "Jesus is my co-pilot" on the front of their car. In all reality, Jesus is the pilot; he operates the vehicle that drives us through life. Most of us are driving underage and need some parental guidance. God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word, The Bible. Jesus gives us the freedom to run to him or away from him. Hidden Truths challenges you to consider the truth and what it entails. Leighton directly approaches the truth in a daring way that reveals Jesus' love for you and causes you to re-evaluate your relationship with Jesus. Leighton urges you to redevelop principles that you have been practicing the wrong way. The only right way to do things is by following God's holy word.

You Call That Service?, Vol. 6 (light novel) Kiseki Morita,2022-06-28 A Big Decision for Shiren... The thing is, her mother is a wanted criminal in the empire, and now she's taken control of the Virginal Father! Say What I Am Called Dieter Bitterli,2009-05-09 Perhaps the most enigmatic cultural artifacts that survive from the Anglo-Saxon period are the Old English riddle poems that were preserved in the tenth century Exeter Book manuscript. Clever, challenging, and notoriously obscure, the riddles have fascinated readers for centuries and provided crucial insight into the period. In *Say What I Am Called*, Dieter Bitterli takes a fresh look at the riddles by examining them in the context of earlier Anglo-Latin riddles. Bitterli argues that there is a vigorous common tradition between Anglo-Latin and Old English riddles and details how the contents of the Exeter Book emulate and reassess their Latin predecessors while also expanding their literary and formal conventions. The book also considers the ways in which convention and content relate to writing in a vernacular language. A rich and illuminating work that is as intriguing as the riddles themselves, *Say What I Am Called* is a rewarding study of some of the most interesting works from the Anglo-Saxon period.

Reimagining the Call to Teach David T. Hansen,2021 In this sequel to his acclaimed *The Call to Teach*, David Hansen revisits the idea of teaching as a calling in light of contemporary prospects in education. He shows why the call to teach walks hand in hand with teaching as the holistic practice of being with students in their interaction with subject matter, one another, and their larger life experience. The book is a sequel, not merely a new edition. thoroughly re-written and re-researched to expand original premise of *The Call to Teach*.--

Nicholas of Lyra, Literal Commentary on Galatians ,2015-12-31 Though little-known today, Nicholas of Lyra's commentaries are arguably among the most widely-read and influential commentaries of all time. For more than two hundred years, from the time of their composition, well into the Reformation era, they were copied and recopied, printed and reprinted, as an indispensable guide to the meaning of scripture. Naumann presents here a complete translation of Lyra's literal commentary on Galatians in English for the first time, with a freshly-edited Latin text, and provides ample notes on its significance in relation to the works of previous authors.

Last Call Jerry Herships,2015-10-30 "I had a vision of a faith community where people could have a wider understanding of God and our relationship to him/her. Jerry Herships, former altar boy who had dreamed of making it big in show biz, tended bar to make ends meet as he worked gigs in comedy and game shows, looking for his big break. After giving up the dream and leaving Los Angeles, he found his way back to the church and discovered God calling him to ministry—but not just any ministry. Now he leads AfterHours Denver, a bar church where people worship with a whiskey in their hand and make peanut butter and jelly sandwiches to serve Denver's homeless. *Last Call* is a story of having and giving up on dreams, finding yourself, and finding how God can use you in unexpected ways.

With Bible truths, stories of real hope and joy, and Carlos's let's do this energy, kids will be empowered to thrive no matter how life tries to discourage them, put them down,make them anxious, or cause them to feel isolated. In Get Your Hopes Up, 8 to 12-year olds will connect Bible verses with real-life stories of finding and spreading hope, see prayer in action today, discover ways to advocate for the marginalized, and learn to lead with love and fight for change. In this plugged-in world, the lines between childhood and adulthood have become blurred, and kids are exposed to hate, division, injustice, and negative emotions earlier than ever. Knowing where to find truth and positive environments can be confusing. Jesus gave us something long ago, though, that helps us remain grounded and steady in the face of all that's broken in our world: hope.
