**Mallias the Greek Gangster** Suzanne Valtsioti,2018-01-22 Based on a true story. Markella's burning desire is to share what she knows with the world. But she can't. A situation develops and push comes to shove. She decides to write it all out, bringing to life a chatty journal filled with information about her husband, Nick, alias Mallias, a renowned card cheat, a mobster. They make quite the couple. Some love them, some hate them, while so many love to hate them. Markella takes time to get her thoughts together, expressing half of what she is thinking always. She writes in her slow burn style, sometimes staccato and sometimes rambling, sometimes brash and often politically incorrect, filling the pages of her journal with their story, one drenched with crime, mystery, eccentricity, double-crossers, dripping with the unique flavors of Greece, New York, and Osaka and soaked through and through with gossip, romance and a touch of the metaphysical.

*Gangsters and Goodfellas* Henry Hill,2023-03-01 At the age of twelve, my ambition was to become a gangster. To be a wiseguy was better than being President of the United States. To be a wiseguy was to own the world. –Henry Hill When Henry Hill entered the Witness Protection Program, he was certain that his criminal days had finally come to an end. He was wrong. For over twenty years, Henry Hill lived the high life as a powerful member of the Lucchese crime family, a life immortalized in Martin Scorsese's classic film GoodFellas. After his arrest in 1980, Hill disappeared into the Witness Protection Program. With this book, Henry comes clean about his last twenty years, filling in the gaps about his recent past as well as setting the record straight on his days as a wiseguy. At once hilarious, unpredictable, scandalous, and arresting, Henry Hill's tale will destroy everything you thought you knew about the Witness Protection Program.

**Confessions of a Mob Hitman** Ray Flynn,2014-06-24 Finally, an inside look at mob warfare in greater St. Louis by one of the men who actually lived it...and shaped it. It is an explosive, first person account...for the first time! John Auble, Reporter Fox Television- St. Louis Aficionados of true crime history and/or human nature will enjoy this journey into the past as gangster Ray Flynn recalls a life that he clearly feels was well-lived. You may disagree with the well-lived part, but it was an interesting life. No doubt about that. Bill McLellan St. Louis Post Dispatch Columnist Ray Flynn reached the pinnacle of his career in the 1960's when he joined the Buster Eortman Gang. Wortman began his career as one of the infamous Al Capone's southern lieutenants and as Capone's cellmate. Wortman eventually won a bloody gang war for control of St. Louis and southern Illinois. Michale Flynn Son of the author Ray Flynn

The Gangster's Guide to Sobriety Richie Stephens,John Altschuler,Dave Krinsky,2022-05-24 Richie Stephens is an actor who often plays hardened gangsters and criminals. This is easy for him because he was a drug trafficker, kidnapper, drug addict, alcoholic, and all-around criminal himself. His life twisted and turned in harrowing self-destructive adventures that took him from his native Ireland to San Francisco, Australia, and finally, Los Angeles, coalescing into a classic tale of a man trying to run from his problems by moving to new and more exotic locations—a hard and painful realization that comes at a point in which he's about to take his own life. The only reason there is a story to tell is because he did not. Instead, he found help, and in doing so, found himself. More than that, he found that help comes in different forms, and oftentimes it just takes the right thought to hit at the right time for it all to make sense. The Gangster's Guide to Sobriety chronicles Richie's descent into the abyss of crime and dependency, and how his personal understanding of freedom allowed him to become the functioning positive force he is today. Richie's story is sprawling and epic, but the key to the book is the same key to his recovery: the 12 Steps. With his own flair and original understanding of life and the world, he followed the 12 Steps to find the clarity he needed to save his own life and evolve into a positive force for others. As Richie

says, "Hopefully if people see that someone as fucked up as me could change their life, then there is hope for anyone." The Gangster's Guide to Sobriety is gripping in its honesty and openness. Even at its darkest moments, there is a keen understanding of the absurd nature of life as the author comes to grips with his failings and his faith, while also entering a place of self-acceptance. This is a story of redemption and the power of the human spirit, and how sometimes you have to turn to something greater than yourself.

**Hollywood's Celebrity Gangster** Bradley Lewis, 2007 The first full-length biography of West Coast gangster Mickey Cohen, a man of many parts: boxer, bodyguard, blackmailer, pimp, gambler, haberdasher, restaurateur, racketeer, thief. A confidant of Hollywood legends, Cohen hung out with Rat Pack mega stars and hobnobbed with Jerry Lewis. In the world of crime, Mickey Cohen knew everyone--from underworld bosses to punks, from operator-enforcers to B-girls. A personal friend of professional gigolo Johnny Stompanato, Mickey had an association with Jack Ruby and acted as bodyguard for Bugsy Siegel. He did the bidding for Mafiosi bigwigs, including Meyer Lansky, Sam Giancana, Carlo Gambino, Vito Genovese, Frank Costello, and Lucky Luciano. At five feet five inches, Mickey still had a way with women. The fugitive Patty Hearst even played a role in the incredible life of this celebrity gangster, right at home during Hollywood's Golden Age--and beyond.--From publisher description.

**Balls** Ken Sanz, Scott M. Deitche, 2015-01-20 The true story of the man who scammed the mob and informed the FBI for over two decades. Eddie Trascher had balls. Born in the bayou of Louisiana, Eddie learned about gambling at the side of his stepfather. Starting his career in 1950s Vegas, he moved to pre-Castro Cuba and became adept at running a casino and stealing from the mobsters who owned it. He was a regular fixture at Rat Pack--era Vegas--stealing chips from the craps table, running gambling out of his bar, and hanging around with a wild assortment of gangsters, conmen, thieves, and celebrities. By the time he moved to Clearwater, Florida, after a stint running a Los Angeles hotel for the Chicago Outfit, Eddie was the biggest bookmaker in the state. But the FBI made him an offer he couldn't refuse: "Help us get the Mafia and we'll let you keep bookmaking." For the next twenty years, Eddie became the Bureau and later the Florida Department of Law Enforcement's eyes and ears as they investigated organized crime in Florida. From the famous Donnie Brasco case to the new guard of the Tampa Mafia, Eddie was in the middle of it all. Eventually, he gave up the booking to become a professor, teaching law enforcement everything there was to know about bookmaking and running the scams. Balls is the story of the quintessential gangster, a man who didn't make money for anyone but himself. Instead of working for the Mafia bosses, Eddie stole from right under their noses. And he lived to tell the story.

**Mr. New Orleans** Matthew Randazzo V, Frenchy Brouillette, 2014-06-19 Wiseguys called him the Keith Richards of the American Mafia and JFK hero Jim Garrison denounced him as one of the most notorious vice operators in the history of New Orleans ... but you can just call him MR. NEW ORLEANS. Mr. New Orleans tells the incredible story of Frenchy Brouillette, a redneck Cajun teenager who stole his big brother's motorcycle and embarked on a 60-year vacation to New Orleans, where he became a legendary gangster and the underworld political fixer for his cousin, Louisiana Governor Edwin Edwards. Written by Crescent City native Matthew Randazzo V, the wickedly funny Mr. New

Orleans is the first book to ever break the code of secrecy of the New Orleans Mafia Family, the oldest and most mysterious criminal secret society in America. Mr. New Orleans is a rollicking, disturbing ride through the underbelly of a bygone New Orleans, lined with moments of dark, side-splitting hilarity. If you're a fan of James Lee Burke, drop what you're reading and pick this one up. In an era when popular wisdom tells us T.V. has stolen all depth from the literary true-crime narrative, Matthew Randazzo has found a way to beat that trend mightily; he's gone straight to the source and captured the singular, confounding voice of the New Orleans' mafia's top political fixer with fast-paced, riveting prose and a fine journalist's eye for detail. Chris Rice, New York Times Bestselling Author Mr. New Orleans is a total knockout: Take everything you ever imagined about the sleazy good times to be had in New Orleans -- the sleazy good times capital of America -- and quadruple it, and you have a hint of what's inside these sticky pages. Bill Tonelli, Author of The Italian American Reader and Editor for Esquire and Rolling Stone

**Original Gangster** Frank Lucas, Aliya S. King, 2011-08-16 A suspenseful memoir from the real life American gangster, Frank Lucas In his own words, Frank Lucas recounts his life as the former heroin dealer and organized crime boss who ran Harlem during the late 1960s and early 1970s. From being taken under the wing of old time gangster Bumpy Johnson, through one of the most successful drug smuggling operations, to being sentenced to seventy years in prison, Original Gangster is a chilling look at the rise and fall of a modern legacy. Frank Lucas realized that in order to gain the kind of success he craved he would have to break the monopoly that the Italian mafia held in New York. So Frank cut out middlemen and began smuggling heroin into the United States directly from his source in the Golden Triangle by using coffins. Making a million dollars per day selling Blue Magic--what was known as the purest heroin on the street--Frank Lucas became one of the most powerful crime lords of his time, while rubbing shoulders with the elite in entertainment, politics, and crime. After his arrest, Federal Judge Sterling Johnson, the special narcotics prosecutor in New York at the time of Lucas' crimes, called Lucas and his operation one of the most outrageous international dope-smuggling gangs ever, an innovator who got his own connections outside the U.S. and then sold the narcotics himself in the street. This powerful memoir reveals what really happened to the man whose career was dramatized in the 2007 feature film American Gangster, exposing a startling look at the world of organized crime.

Not only does she want vengeance, she also wants to save her flame Sebastian Freniere from misery after the tragedy. Sa mapanganib na misyong ito, Henrietta must forsake not only her allegiance to the Freniere Mafia as a reaper, but also stake her very life and the lives intertwined with her own. Her mission demands more than courage; it demands sacrifice. For vengeance and love, the ice princess is willing to risk it all, even her life as a Mafia reaper.

**The Italian American Heritage** Pellegrino A D'Acierno,2021-12-12 First published in 1999. The many available scholarly works on Italian-Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters, watching films that require a familiarity with Italian Americans, or looking at works of art that can be fully appreciated only if one understands Italian culture. This basic reference work for non-specialists and students offers quick insights and essential, easy-to-grasp information on Italian-American contributions to American art, music, literature, motion pictures and cultural life. This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola, Italian American poetry, the art of Frank Stella, the music of Frank Zappa, a survey of Italian folk customs and an analysis of the evolution of Italian-American biography. Comprising 22 lengthy essays written specifically for this volume, the book identifies what is uniquely Italian in American life and examines how Italian customs, traditions, social mores and cultural antecedents have wrought their influence on the American character. Filled with insights, observations and ethnic facts and fictions, this volume should prove to be a valuable source of information for scholars, researchers and students interested in pinpointing and examining the cultural, intellectual and social influence of Italian immigrants and their successors.

**Responsible Gangster** Freddy Sturman,2014-08-25 RESPONSIBLE GANGSTER is a fast paced thrill ride that is filled with my life experiences from childhood to right now. When I say that I have been to hell and back, I mean it. No matter how hard life has hit me, though, I have always maintained HOPE. I feel that there is no stronger force on earth than hope and that is part of what has made me the man I am today. I have also had enough fun for 50 people and RESPONSIBLE GANGSTER is full of that interesting stuff as well. This book has something for everyone and changed my life forever.

**Black Bird Medley** Stan Long,2011-08-04 Take an exciting ride as Stan Long tells the true story of a wild and outrageous life of sex, drugs, women, and high-end crime. Black Bird Medley begins with his fairly innocent childhood but digresses to a life of drug dealing on the mean streets of Washington, DC, where he grew up quickly. At the age of nine, he learned how to use a gun; by twelve he began having sexual encounters with women twice his age. This is a true tale of personal growth that is sure to motivate and inspire. Black Bird Medley is a powerful memoir and cautionary tale written by Stan Long in order to reach out to people that may find themselves in similar situations. He has purposely exposed his life to help show all of the possibilities of change. Our youth today are lost and misguided, so he feels that by allowing his life to be a literal open book, perhaps his life endeavors will assist in the positive transformation of others. The intent of writing Black Bird Medley was not to glorify nor condone his former lifestyle: however, writing Black Bird Medley has been therapeutic to this authors transformation. He hopes his experiences can help to inspire all who are dealing with personal struggles and can inevitably find a way towards greatness.

**A Brief History of Seven Killings** Marlon James,2014-10-02 Winner of the 2015 Man Booker Prize One of

Entertainment Weekly's Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, The New York Times A “thrilling, ambitious . . . intense” (Los Angeles Times) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of Black Leopard, Red Wolf In A Brief History of Seven Killings, Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer’s house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins’ fates, and there are suspicions that the attack was politically motivated. A Brief History of Seven Killings delves deep into that dangerous and unstable time in Jamaica’s history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the 1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, A Brief History of Seven Killings is a mesmerizing modern classic of power, mystery, and insight.
