The First Collection of Criticism by a Living Female Rock Critic Jessica Hopper, 2021-07-06 Jessica Hopper's criticism is a trenchant and necessary counterpoint not just on music, but on our culture at large. —Annie Clark, *St. Vincent* An acclaimed, career-spanning collection from a fiercely feminist and revered contemporary rock critic, reissued with new material Throughout her career, spanning more than two decades, Jessica Hopper, a revered and pioneering music critic, has examined women recording and producing music, in all genres, through an intersectional feminist lens. *The First Collection of Criticism by a Living Female Rock Critic* features oral histories of bands like Hole and Sleater Kinney, interviews with the women editors of 1970s-era *Rolling Stone*, and intimate conversations with iconic musicians such as Björk, Robyn, and Lido Pimienta. Hopper journeys through the truths of Riot Grrrl's empowering insurgence; decamps to Gary, Indiana, on the eve of Michael Jackson's death; explodes the grunge-era mythologies of Nirvana and Courtney Love; and examines the rise of emo. The collection also includes profiles and reviews of some of the most-loved, and most-loathed, women artists making music today: Fiona Apple, Kacey Musgraves, M.I.A., Miley Cyrus, Lana Del Rey. In order for the music industry to change, Hopper writes, we need "the continual presence of radicalized women . . . being encouraged and given reasons to stay, rather than diminished by the music which glues our communities together." *The First Collection of Criticism by a Living Female Rock Critic*—published to acclaim in 2015, and reissued now with new material and an introduction by Samantha Irby—is a rallying cry for women-centered history and storytelling, and a groundbreaking, obsessive, razor-sharp panorama of music writing crafted by one of the most influential critics of her generation.

The Autobiography of Gucci Mane Gucci Mane, Neil Martinez-Belkin, 2017-09-19 The highly anticipated memoir from Gucci Mane, one of hip-hop's most prolific and admired artists (*The New York Times*).

The Sprawl Jason Diamond, 2020-08-25 For decades the suburbs have been where art happens despite: despite the conformity, the emptiness, the sameness. Time and again, the story is one of gems formed under pressure and that resentment of the suburbs is the key ingredient for creative transcendence. But what if, contrary to that, the suburb has actually been an incubator for distinctly American art, as positively and as surely as in any other cultural hothouse? Mixing personal experience, cultural reportage, and history while rejecting clichés and pieties and these essays stretch across the country in an effort to show that this uniquely American milieu deserves another look.

Ballad of the Bullet Forrest Stuart, 2021-05-04 Drawing on two years of ethnographic fieldwork and over 150 interviews with gang-affiliated youth in the Taylor Park neighborhood on Chicago's South Side, *Ballad of the Bullet* reveals that those coming of age in America's poorest neighborhoods are developing new, creative, and online strategies for making ends meet. Dislocated by the erosion of the crack economy and the splintering of corporatized gangs, these young people exploit the unique affordances of digital social media to capitalize on an emerging online market for urban violence (or, more accurately, a market for the representation of urban violence). In the past, violence functioned primarily as a means of social control, allowing urban youth to compete in illegal street markets and defend the social statuses otherwise denied to them by mainstream society. Today, with the rise of platforms like YouTube, Instagram, and Twitter, violence has become a premier cultural commodity in and of itself. By amassing millions of clicks, views, and followers, these young people convert their online displays of violence into vital offline resources, including cash, housing, drugs, sex, and, for a very select few, a ticket out of poverty --

Hip-Hop (And Other Things) Shea Serrano, 2021-10-26 HIP-HOP (AND OTHER

THINGS) is about, as it were, rap, but also some other things. It's a smart, fun, funny, insightful book that spends the entirety of its time celebrating what has become the most dominant form of music these past two and a half decades. Tupac is in there. Jay Z is in there. Missy Elliott is in there. Drake is in there. Pretty much all of the big names are in there, as are a bunch of the smaller names, too. There's art from acclaimed illustrator Arturo Torres, there are infographics and footnotes; there's all kinds of stuff in there. Some of the chapters are serious, and some of the chapters are silly, and some of the chapters are a combination of both things. All of them, though, are treated with the care and respect that they deserve. HIP-HOP (AND OTHER THINGS) is the third book in the (And Other Things) series. The first two—Basketball (And Other Things) and Movies (And Other Things)—were both #1 New York Times bestsellers.

Compton Street Legend Duane 'Keffe D' Davis, Yusuf Jah, 2019-05-05 The infamous Suge Knight, former Death Row Records CEO, and Keffe D are the only living eyewitnesses to the deadly confrontation on the Las Vegas strip between the occupants of our two vehicles. A violent confrontation that led to the deaths of two of Hip-Hop's biggest stars (Tupac Shakur & Christopher 'Notorious B.I.G.' Wallace) and changed Hip-Hop history forever. There's a strict code on the streets. One that real street players live, kill, and die by. *Compton Street Legend* reveals the street-level code violations and the explosive consequences when the powerful worlds of the streets, entertainment, and corrupt law enforcement collide. More than twenty years after the premature deaths of Tupac and Biggie there have been numerous TV specials, documentaries, books, magazine and newspaper, and social media dedicated to the subject. But at the end of the day, none of the private investigators, retired police officers, informants, Hip-Hop heads, actors, or academics that have weighed in on the topic truly know what happened and the reasons behind it, because none of them were there. Duane 'Keffe D' Davis, a native of Compton, California, admittedly lived most of his life as a gangster; a real gangster that did the shit that real gangsters do. He rose up the gang-banging ranks to become a shot-caller for the notorious Southside Compton Crips, while running a multi-million dollar, multi-state drug empire. Keffe D has been a central figure in both the Tupac Shakur and Biggie murders for the past 20 years. *COMPTON STREET LEGEND* will add valuable information about two of the biggest unsolved crimes in American history. It will serve as the missing piece of the puzzle that Hip-Hop Fans have been waiting for. On the surface, *COMPTON STREET LEGEND* will look like a story based on violence and hate, it is actually a story about Love, Family, Brotherhood, Loyalty, Trust, and Honor. It's time to set the story straight. Fasten your seatbelts.

Changes Sheldon Pearce, 2022-06-14 A New Yorker writer's intimate, revealing account of Tupac Shakur's life and legacy, timed to the fiftieth anniversary of his birth and twenty-

fifth anniversary of his death. In the summer of 2020, Tupac Shakur's single "Changes" became an anthem for the worldwide protests against the murder of George Floyd. The song became so popular, in fact, it was vaulted back onto the iTunes charts more than twenty years after its release—making it clear that Tupac's music and the way it addresses systemic racism, police brutality, mass incarceration, income inequality, and a failing education system is just as important now as it was back then. In *Changes*, published to coincide with the fiftieth anniversary of Tupac's birth and twenty-fifth anniversary of his death, Sheldon Pearce offers one of the most thoughtful and comprehensive accounts yet of the artist's life and legacy. Pearce, an editor and writer at *The New Yorker*, interviews dozens who knew Tupac throughout various phases of his life. While there are plenty of bold-faced names, the book focuses on the individuals who are lesser known and offer fresh stories and rare insight. Among these are the actor who costarred with him in a Harlem production of *A Raisin in the Sun* when he was twelve years old, the high school drama teacher who recognized and nurtured his talent, the music industry veteran who helped him develop a nonprofit devoted to helping young artists, the Death Row Records executive who has never before spoken on the record, and dozens of others. Meticulously woven together by Pearce, their voices combine to portray Tupac in all his complexity and contradiction. This remarkable book illustrates not only how he changed during his brief twenty-five years on this planet, but how he forever changed the world.

Views from the Streets Roberto Aspholm, 2020-02-04 Chicago has long served as a symbol of urban pathology in the public imagination. The city's staggering levels of violence and entrenched gang culture occupy a central place in the national discourse, yet remain poorly understood and are often stereotyped. *Views from the Streets* explains the dramatic transformation of black street gangs on Chicago's South Side during the early twenty-first century, shedding new light on why gang violence persists and what might be done to address it. Drawing on years of community work and in-depth interviews with gang members, Roberto R. Aspholm describes in vivid detail the internal rebellions that shattered the city's infamous corporate-style African American street gangs. He explores how, in the wake of these uprisings, young gang members have radically refashioned gang culture and organization on Chicago's South Side, rejecting traditional hierarchies and ideologies and instead embracing a fierce ethos of personal autonomy that has made contemporary gang violence increasingly spontaneous and unregulated. In calling attention to the historical context of these issues and to the elements of resistance embedded in Chicago's contemporary gang culture, Aspholm challenges conventional views of gang members as inherently pathological. He critically analyzes highly touted "universal" violence prevention strategies, depicting street-level realities to illuminate why they have ultimately failed to reduce levels of bloodshed. An unprecedented analysis of the nature and meaning of gang violence, *Views from the Streets* proposes an alternative framework for addressing the seemingly intractable issues of inequality, despair, and violence in Chicago.

2Fish Jhené Aiko Efurū Chilombo, 2017-12-19 Grammy-nominated singer/songwriter Jhené Aiko Efurū Chilombo has developed and refined a method of emoting through writing. *2Fish* is a collection of intimate poems (and a few short stories) written by Chilombo from adolescence to adulthood, in no particular order. The book details Chilombo's thoughts in their most raw and honest form taken directly from a collection of notebooks she has kept since age 12.

The World Is Always Coming to an End Carlo Rotella, 2019-04-26 This portrait of Chicago's South Shore and its people is "a thought-provoking deep dive into a neighborhood that remains in perpetual transition" (*Kirkus Reviews*). An urban neighborhood remakes itself every day—and unmakes itself, too. It is houses and stores

and streets, but it's also people—the people who make it their home, some eagerly, others grudgingly. A neighborhood can thrive or it can decline, and neighbors move in and move out. Sometimes they stay but withdraw behind fences and burglar alarms. If a neighborhood becomes no longer a place of sociability and street life, but of privacy indoors and fearful distrust outdoors, is it still a neighborhood? In the late 1960s and 1970s Carlo Rotella grew up in Chicago's South Shore neighborhood—a place of neat bungalow blocks and desolate commercial strips, and sharp, sometimes painful social contrasts. In the decades since, the hollowing out of the middle class has left residents confronting—or avoiding—each other across an expanding gap that makes it ever harder for them to recognize each other as neighbors. Rotella tells the stories that reveal how that happened—stories of deindustrialization; stories of gorgeous apartments with vistas onto Lake Michigan and of Section 8 housing vouchers held by the poor. At every turn, South Shore is a study in contrasts, shaped and reshaped over the past half-century by individual stories and larger waves of change that make it an exemplar of many American urban neighborhoods. Talking with current and former residents and looking carefully at the interactions of race and class, persistence and change, Rotella explores the tension between residents' deep investment of feeling and resources in the physical landscape of South Shore and their hesitation to make a similar commitment to the community of neighbors living there. "Unlike any work of contemporary urban studies that I know. It combines elements of journalism, archival research, ethnography, and memoir in a study of South Shore—the South Side, Chicago, neighborhood in which Carlo grew up, in the 1970s. It's at times lyrical, at times analytic, and always engaging." —Eric Klinenberg, Public Books

Hip-hop Revolution Jeffrey Ogbonna Green Ogbar, 2007 As hip-hop artists constantly struggle to keep it real, this fascinating study examines the debates over the core codes of hip-hop authenticity—as it reflects and reacts to problematic black images in popular culture—placing hip-hop in its proper cultural, political, and social contexts.

Invisible Child Andrea Elliott, 2022-05-17 PULITZER PRIZE WINNER • NATIONAL BESTSELLER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award • Longlisted for the Baillie Gifford Prize

The End of Chiraq Javon Johnson, Kevin Coval, 2018-05-15 *The End of Chiraq: A Literary Mixtape* is a collection of poems, rap lyrics, short stories, essays, interviews, and artwork about Chicago, the city that came to be known as Chiraq (Chicago + Iraq), and the people who live in its vibrant and occasionally violent neighborhoods. Tuned to the work of Chicago’s youth, especially the emerging artists and activists surrounding Young Chicago Authors, this literary mixtape unpacks the meanings of “Chiraq” as both a vexed term and a space of possibility. Chiraq has come to connote the violence—interpersonal and structural—that many Chicago youth regularly experience. But the contributors to *The End of Chiraq* show that Chicago is much more than Chiraq. Instead, they demonstrate how young people are thinking and mobilizing, engaged in a process of creating a new and safer world for themselves, their communities, and their city. In true mixtape fashion, the book is an exercise in low end theory that does not just include so-called underground and marginal voices, but foregrounds them. Edited by award-winning poets, writers, and teachers Javon Johnson and Kevin Coval, *The End of Chiraq* addresses head-on the troublesome relationship between Chicago and Chiraq and envisions a future in which both

might be transformed.

Down, Out & Under Arrest Forrest Stuart, 2016-08-02 “A well-supported critique of therapeutic policing and, by extension, of similar paternalistic efforts to help the poor by hassling them into good behavior.” —Los Angeles Times In his first year working in Los Angeles’s Skid Row, Forrest Stuart was stopped on the street by police fourteen times. Usually for doing little more than standing there. Juliette, a woman he met during that time, has been stopped by police well over one hundred times, arrested upward of sixty times, and has given up more than a year of her life serving week-long jail sentences. Her most common crime? Simply sitting on the sidewalk—an arrestable offense in LA. Why? What purpose did those arrests serve, for society or for Juliette? How did we reach a point where we’ve cut support for our poorest citizens, yet are spending ever more on policing and prisons? That’s the complicated, maddening story that Stuart tells in *Down, Out & Under Arrest*, a close-up look at the hows and whys of policing poverty in the contemporary United States. What emerges from Stuart’s years of fieldwork—not only with Skid Row residents, but with the police charged with managing them—is a tragedy built on mistakes and misplaced priorities more than on heroes and villains. At a time when distrust between police and the residents of disadvantaged neighborhoods has never been higher, Stuart’s book helps us see where we’ve gone wrong, and what steps we could take to begin to change the lives of our poorest citizens—and ultimately our society itself—for the better.
