Seattle Chocolatiers Cornelia Gallen-Kimmell and Cordula Drossel-Brown, 2015 On the heels of the coffee bean, Seattle is embracing the cocoa bean. There is a long chocolate history here, from the legendary melt-in-your-mouth Frango Mint originally found at the Frederick & Nelson department store to Dilettante's pioneering espresso mocha drinks and truffles and Fran's Chocolates. They paved the way for today's innovative chocolatiers. Seattle's chocolatiers are inventive and provocative, creating bold flavors and colors. They are responding to changing palates, and even changing dietary needs, while remaining dedicated to social justice, sustainability, and stewardship of the land and the people. Home to the nation's first bean-to-bar chocolate factory, Seattle is forever impacting the chocolate industry, educating people on chocolate quality and global responsibility.

Pure Chocolate Fran Bigelow, Helene Siegel, 2004 The most stylish, approachable, and mouth-watering chocolate cookbook ever, from award-winning chocolatier Fran Bigelow In 1982, Fran Bigelow proudly opened the doors to Fran's Chocolates, a boutique storefront styled after European chocolate salons, where she could showcase the pure flavors of the exquisite confections she had spent years perfecting. Chocolate lovers in Seattle immediately beat a path to Madison Street to taste desserts as wonderful as anything in Paris or Belgium. Over the past two decades, Fran Bigelow has grown into a world-class chocolatier, operating two elegant shops that enjoy cult status in Seattle and beyond, by way of her mail-order and Internet business. Now, in her debut cookbook, Fran reveals the magic behind her addictive creations: how she manipulates a few ingredients—butter, cream, eggs, sugar, salt, vanilla, and nuts—to create sublime textures and highlight pure flavors in her elegant

modern desserts. The seventy-five recipes included here range from extravagant celebration cakes and holiday specialties (White Chocolate Torte or Souffléed Chocolate Mocha Roll); to European style fruit and nut tarts (Chocolate Cherry Tart or Milk Chocolate Crème Fraîche Tart), soufflés, cheesecakes (White Chocolate Brie Cheesecake, a Fran specialty), homemade ice creams (Dark Chocolate and Ginger Bombe), and extraordinary renditions of American classics, including brownies, chocolate cookies, the ultimate hot fudge sauce, and a chocolate milkshake that will instantly transport you back to childhood. Fran also tells you everything you need to know about chocolate, from the different styles of chocolate-making employed in Europe, South America, and the U.S. (and how each result in different flavors), to deciphering labels (which ingredients enhance meltability, for example), and how the amount of cocoa in different brands and styles of chocolate influences the final taste of a dessert. You will learn how to taste a truffle—preferably in two bites—and the language of chocolate “signs,” the squiggles atop candies. Recipes for some of Fran’s award-winning confections are also included here: chocolate cherries and nut clusters; chocolate stuffed fruits; easy cocoa-dusted truffles; and more ambitious dipped truffles featuring liqueurs, coffee, vanilla, and other chocolate-friendly ingredients; and chocolate fondue, a perfect party dessert for children and adults alike. Whether you are a cocoa connoisseur or devotee of the cacao bean with cravings that won’t quit, *Pure Chocolate* is a must-have for any chocolate aficionado.

Making Artisan Chocolates Andrew Garrison Shotts, 2007-01-01 Forget milk chocolate molded into childish candy bars. Today's chocolate candies use chocolates with high cocoa content and less sugar than previously available and are molded into highly decorated pieces of art. Once only accessible to pastry chefs and candy makers, home cooks can now purchase high-end domestic and imported chocolates in their local specialty stores. The recent availability of bittersweet chocolates

coupled with our access to a global food market and unique ingredients has created an increased interest in artisanal chocolates. Drew Shotts has been at the forefront of this renaissance because of his daring use of unique flavor combinations not typically associated with chocolates, such as chili peppers, maple syrup, and spiced chai tea. Making Artisan Chocolates shows readers how to recreate Drew's unexpected flavors at home through the use of herbs, flowers, chilies, spices, vegetables, fruits, dairies and liquors.

Chocolat Pierre Marcolini, 2017-02-14 From the world's finest chocolatier, who originated the "bean-to-bar" concept, comes this collection of 170 recipes for the very best and most essential chocolate confections. Belgium's foremost practitioner of the art of fine chocolate making shares his passion and his knowledge in this extravagantly beautiful volume. Pierre Marcolini's confections have been acclaimed as the world's most delectable chocolate creations, and his book is a delicious immersion into the world of fine chocolate and a tribute to its majesty. Marcolini was the first chocolatier to create his chocolates according to a bean-to-bar philosophy— an idea born from the realization that just as the finest wines reflect the "terroir" in which the grapes are grown, so too would chocolate benefit from careful selection from specific estates. Here, he reveals the trade secrets of the art of fine chocolate making: learn how to roast, grind, and temper the chocolate at home just like the professionals and master all aspects of chocolate making. His recipes run the gamut of chocolate possibilities—irresistible creamy sauces, decadent pastries, bars, truffles, and even a smattering of savory dishes—and are beautifully presented and gorgeously photographed in this handsome volume that no chocolate lover should be without.
