📖 ***Dragon's Reach*** J. A. Andrews, 2020-11-25 The truth is neither plain, nor simple. Sable, a reluctant thief from the slums, can feel truth when people speak. For years she's been using that skill to try to break free from the vicious gang boss she's indebted to. Escape comes in the form of an odd set of companions:--a dwarf running from the past,--an actor with a magical, glowing tree--a too-helpful kobold,--a playwright with a knack for getting stories out of people, and--a man and woman with suspicious, magical powers. But Sable's freedom is short lived. On the edges of civilization, they discover hidden, terrifying lies in the offers of peace from the brutal Kalesh Empire. Now, she must return to the city she fled, and along with her companions, attempt an impossible task--convince everyone, including the powerful Dragon Prioreess, of the truth. Except the Kalesh web of lies has ensnared everyone. With her land, her people, and everything she loves hanging in the balance, Sable is the only one standing between freedom, and certain death. Pick up the first book of the Keeper Origins Trilogy today, and begin the tale of how an orphaned thief escaped the slums, united a nation, and brought a mighty empire to its knees. The Keeper Origins Trilogy, and the Keeper Chronicles Trilogy can be read in any order. They take place in the same world, but are standalone series.

📖 ***The Old Place*** Bobby Finger, 2023-08-29 A bighearted and moving debut about a wry retired schoolteacher whose decade-old secret threatens to come to light and send shockwaves through her small Texas town. Billington, Texas, is a place where nothing changes. Well, almost nothing. For the first time in nearly four decades, Mary Alice Roth is not getting ready for the first day of school at Billington High. A few months into her retirement—or, district mandated exile as she calls it—Mary Alice does not know how to fill her days. The annual picnic is coming up, but that isn't nearly enough since the menu never changes and she had the roles mentally assigned weeks ago. At least there's Ellie, who stops by each morning for coffee and whose reemergence in Mary Alice's life is the one thing soothing the sting of retirement. Mary Alice and Ellie were a pair since the day Ellie moved in next door. That they both were single mothers—Mary Alice widowed, Ellie divorced—with sons the same age was a pleasant coincidence, but they were forever linked when they lost the boys, one right after the other. Years later, the two are working their way back to a comfortable friendship. But when Mary Alice's sister arrives on her doorstep with a staggering piece of news, it jeopardizes the careful shell she's built around her life. The whole of her friendship with Ellie is put at risk, the fabric of a place as steadfast as Billington is questioned, and the unflappable, knotty fixture that is Mary Alice Roth might have to change after all.

Brody, New York Times An empowering, timely guide to raising anti-racist, compassionate, and socially conscious children, from a diversity and inclusion educator with more than thirty years of experience. As a global pandemic shuttered schools across the country in 2020, parents found themselves thrust into the role of teacher—in more ways than one. Not only did they take on remote school supervision, but after the murder of George Floyd and the ensuing Black Lives Matter protests, many also grappled with the responsibility to teach their kids about social justice—with few resources to guide them. Now, in Social Justice Parenting, Dr. Traci Baxley—a professor of education who has spent 30 years teaching

THE KEEPER CHRONICLES Ja Andrews,2019-04-25 It will take the Keepers of Legend to save Queensland. Too bad all they’ve got is one man haunted by his past, another who’s a failure at magic, and an untrained girl. Mallon the Undying’s reign of terror ended eight years ago when he entered the Elven Wood and never returned. The country of Queensland has shakily returned to normal, and the Keepers who helped defend her have returned to their own pursuits as historians, storytellers, and studiers of magic. But Mallon’s moniker was truer than anyone knew. His followers still work to keep his ruthless ideas alive by abducting powerful children, sowing discord among the people, and nibbling away at Queensland’s borders. Unfortunately, the only Keepers left between Queensland and destruction are: -Alaric, who betrayed everything he believed to save his wife - and still failed.-Will, a storyteller who’s convinced his weak magic makes him useless.-And Sini, a former slave girl with unimagined power but no way to wield it. With the help of unsettling elves, gruff dwarves, sentient stones, and magical swords, Alaric, Will, and Sini will have to find a way to overcome their own weaknesses and face the growing shadows. Can the Keepers survive being hunted by dragons, attacked by frost goblins, and deceived by wizards? Or will Mallon’s forces of destruction overwhelm them and the land they love? The complete trilogy of The Keepers Chronicles includes: A Threat of Shadows Pursuit of Shadows Siege of Shadows
