Queerly Canadian, Second Edition Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology, many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played—and continues to play—in the building of our nation, and in our national narratives, myths, and anxieties about Canadian identity. Thoroughly updated, this new edition features twenty-six new chapters on topics including Indigenous kinship, Blackness, masculinity, disability, queer resistance, and sex education. Covering both historical and contemporary perspectives on nation and community, law and criminal justice, organizing and activism, health and medicine, education, marriage and family, sport, and popular culture and representation, the essays also take a strong intersectional approach, integrating analyses of race, class, and gender. This interdisciplinary collection is essential for the Canadian sexuality studies classroom, and for anyone interested in the mythologies and realities of queer life in Canada. FEATURES: - Sixty percent new and expanded content with twenty-six new chapters - Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada - Each chapter includes a brief introduction, written for this collection by the author, that provides helpful context about their work for both students and teachers

The Burden of Choice Jonathan Cohn, 2019-03 The Burden of Choice examines how recommendations for products, media, news, romantic partners, and even cosmetic surgery operations are produced and experienced online. With its cultural studies and humanities-driven methodologies focused on close readings, historical research, and qualitative analysis, this book models a promising avenue for the study of algorithms and culture.

Always On Brian Chen, X Chen, 2012-09-25 Even Steve Jobs didn't know what he had on his hands when he announced the original iPhone as a combination of a mere three revolutionary products—an iPod, a cell phone, and a keyboard-less handheld computer. Once Apple introduced the App Store and opened it up to outside developers, however, the iPhone became capable of serving a rapidly growing number of functions—now more than 200,000 and counting. But the iPhone has implications far beyond the phone or gadget market. In fact, it's opening the way to what Brian Chen calls the always-on future, where we are all constantly connected to a global Internet via flexible, incredibly capable gadgets that allow us to do anything, anytime, from anywhere. This has far-reaching implications—both positive and negative—throughout all areas of our lives, opening the door for incredible personal and societal advances while potentially sacrificing both privacy and creative freedom in the process. Always On is the first book to look at the surprising and expansive significance of Apple's incredibly powerful vertical business model, and the future it portends.

Video Production Handbook Jim Owens, Gerald Millerson, 2012-11-12 Techniques matter! Great ideas don't automatically translate into great programs. It's not enough simply to show what is going on. The way you present your subject will influence how your audience responds. You need to choose your picture and sound carefully, to convey your ideas in an interesting, persuasive way. This book will show you how. Video Production Handbook shows the full production process, from inception of idea to final distribution. The book focuses especially on why each step occurs as it does and provides guidance in choosing the simplest methods of creating the shots you want in your video project. Concentrating on the techniques and concepts behind the latest equipment, this book demonstrates the fundamental principles needed to create good video content on any kind of budget. Suitable for students and beginning videographers, the new edition of this classic text retains its clarity and directness but has been completely revised and updated. This practical sourcebook has been specially prepared to give you an at-a-glance guide to quality video program-making on a modest budget. Emphasis throughout is on excellence with economy; whether you are working alone or with a small multi-camera group. The well-tried techniques detailed here will steer you through the hazards of production, helping you to avoid those frustrating, time-wasting problems, and to create an effective video program. * Highly visual: more than 450 full color photos and illustrations demonstrate techniques * Modern: Revised by Jim Owens, who brings a wealth of hands-on experience to the text; up-to-date information on current equipment, techniques, and new distribution outlets such as the

Web and mobile phones * A complete resource: Detailed teaching ancillaries are available for instructors, including instructor's manual, test bank, sample syllabi, image collection, video content, and more * Brand new coverage of contemporary distribution methods * Interviews featuring industry professionals provide students with inside knowledge of the industry * Sidebars featuring new coverage of topics such as shooting for 3D, shooting with HDSLRs for video, and much more!

Our Daughter's Bones Ruhi Choudhary, 2020-08-19 When Mackenzie opened the door to the kitchen, she froze. Her father lay on his stomach, blood pooling around his head. She lurched forward to touch him, but her mother held her back. Mackenzie felt like bursting. Her twelve-year-old heart couldn't handle the grief. She would never forget that night, nor what her mother asked her to do... Twenty years later, Detective Mackenzie Price is back in Lakemore, a town where the woods hide the darkest of crimes. Determined to atone for the sins of the past, she is unstoppable in her quest for justice. When eighteen-year-old Abigail goes missing, Mack is sure the case is linked to that of Erica Perez, who vanished one year before. Mack's co-workers believe Abby is just another runaway, but Mack isn't convinced. Abby and Erica were friends, and when Mack finds Abby's diary, she begins to suspect Abby knew something about Erica's disappearance. Something that put her in danger. Then a body is discovered in the woods and the race to bring Abby back alive becomes even more urgent. As Mack fights to keep her in the spotlight, she discovers a shocking secret that goes back decades. But that is not the only secret lurking beneath the surface, as Mack knows only too well. The first book in the Detective Mackenzie Price series, *Our Daughter's Bones* is a haunting and utterly unputdownable crime thriller, perfect for fans of Lisa Regan, Angela Marsons and Karin Slaughter. Previously published as *Hidden Lake*. What readers are saying about *Our Daughter's Bones*: "Oh my WOW!... Ruhi Choudhary knocks it out of the park... Full of intrigue, suspense, and stunning twists. I honestly didn't see that conclusion coming. I will definitely be reading the next book." Goodreads Reviewer [REDACTED] "What a thrill ride of a book. Had me on the edge of my seat. I couldn't put it down. Just when I thought I had everything figured out I was proven wrong." Goodreads Reviewer [REDACTED] "Wow, Wow just WOW!!!... Completely left me speechless and sitting there with my mouth hanging open... if you are looking for a heart-racing, page-turning psychological crime that will leave you shocked and demanding more this is the book for you." Bookworm86 [REDACTED] "Astoundingly, jaw-droppingly brilliant... The twists kept on coming, one after the other; the pace never lets up and as a reader you are on tenterhooks, frantically turning the pages while at the same time not wanting the book to end because it's just SO good." Renita D'Silva [REDACTED] 'What a page-turner! It's my first book by Ruhi Choudhary, but it won't be my last! A town filled with secrets, and quirky people. What's not to like? I had to finish it in one go.' The World is Ours to Read [REDACTED] "I finished this book in 2 days. I couldn't put it down... reminded me a lot of the Josie Quinn Series and Tracy Crosswhite series. Oh, and the last page is a cliffhanger!!! Can't wait to read the next book in this series. Great debut." Goodreads Reviewer [REDACTED] 'A great start for a new series that made me turn pages as fast as I could... It's a complex, gripping and highly entertaining thriller with plenty of red herring, twists and turns.' Scrapping and Playing [REDACTED] "Gripping and brilliantly written... The eventual breakthrough, which sees the case solved, delivers a twist I honestly didn't see coming... I eagerly await the next outing with Mackenzie Price and her team. A brilliant debut!" Netgalley Reviewer [REDACTED] "Addictive... Not only has Ruhi Choudhary created a great character she has created a great scene... Without doubt she is now one of my must-read authors, and I can't wait to see what happens next." Nigel Adams Bookworm [REDACTED]

Marketing Strategy and Competitive Positioning, 7th Edition Prof Graham Hooley, Brigitte Nicoulaud, John Rudd, Nick Lee, 2020-01-09 *Marketing Strategy and Competitive Positioning* 6e deals with the process of developing and implementing a marketing strategy. The book focuses on competitive positioning at the heart of marketing strategy and includes in-depth discussion of the processes used in marketing to achieve competitive advantage. The book is primarily about creating and sustaining superior performance in the marketplace. It focuses on the two central issues in marketing strategy formulation – the identification of target markets and the creation of a differential

advantage. In doing that, it recognises the emergence of new potential target markets born of the recession and increased concern for climate change; and it examines ways in which firms can differentiate their offerings through the recognition of environmental and social concerns. The book is ideal for undergraduate and postgraduate students taking modules in Marketing Strategy, Marketing Management and Strategic Marketing Management.

Dreamers and Unicorns Abhijit Bhaduri,2023-01-09 Which description fits your organisation? DREAMERS: Most Dreamers or early-stage startups, know how to build products, not organisations. Most Dreamers stay local and never become a Unicorn with a national footprint. UNICORNS: Three curses the Unicorns have to watch for-a narcissistic leader, a leadership team of old cronies and a toxic culture. These prevent them from going global and becoming Market Shapers. MARKET SHAPERS: A Market Shaper changes how we live and work-across countries and cultures. Their challenge is to continuously earn the trust of governments and communities. INCUMBENTS: Many Incumbents were once Market Shapers and Unicorns. The leaders don't know that the firm and its offerings are irrelevant. Not being able to attract and retain talent is a warning bell the leaders often ignore. Packed with ideas and innovations, this powerhouse of a book by best-selling author and

talent management specialist Abhijit Bhaduri explains why leadership, talent and culture are the new drivers of growth whether you are a Dreamer, a Unicorn, a Market Shaper or an Incumbent.

Best iPhone Apps Josh Clark, 2009-06-30 Presents a guide to the apps that are available for the iPhone and iPod Touch.

Beginning iPhone Development Jack Nutting, Fredrik Olsson, David Mark, Jeff LaMarche, Kim Topley, 2014-11-17 The team that brought you the bestselling Beginning iPhone Development, the book that taught the world to program on the iPhone, is back again, bringing this definitive guide up-to-date with Apple's latest and greatest new iOS 8 and its SDK, as well as with the latest version of Xcode (6.1). You'll have everything you need to create your very own apps for the latest iOS devices. Every single sample app in the book has been rebuilt from scratch using Xcode 6.1 and the latest 64-bit iOS 8-specific project templates, and designed to take advantage of the latest Xcode features. Assuming only a minimal working knowledge of Objective-C, and written in a friendly, easy-to-follow style, Beginning iPhone Development offers a complete soup-to-nuts course in iPhone, iPad, and iPod touch programming. The book starts with the basics, walking through the process of downloading and installing Xcode 6.1 and the iOS 8 SDK, and then guides you through the creation of your first simple application. From there, you'll learn how to integrate all the interface elements iOS users have come to know and love, such as buttons, switches, pickers, toolbars, and sliders. You'll master a variety of design patterns, from the simplest single view to complex hierarchical drill-downs. The confusing art of table building will be demystified, and you'll learn how to save your data using the iPhone file system. You'll also learn how to save and retrieve your data using a variety of persistence techniques, including Core Data and SQLite. And there's much more!

Creative Selection Ken Kocienda, 2018-09-04 * WALL STREET JOURNAL BESTSELLER * An insider's account of Apple's creative process during the golden years of Steve Jobs. Hundreds of millions of people use Apple products every day; several thousand work on Apple's campus in Cupertino, California; but only a handful sit at the drawing board. Creative Selection recounts the life of one of the few who worked behind the scenes, a highly-respected software engineer who worked in the final years of the Steve Jobs era—the Golden Age of Apple. Ken Kocienda offers an inside look at Apple's creative process. For fifteen years, he was on the ground floor of the company as a specialist, directly responsible for experimenting with novel user interface concepts and writing powerful, easy-to-use software for products including the iPhone, the iPad, and the Safari web browser. His stories explain the symbiotic relationship between software and product development for those who have never dreamed of programming a computer, and reveal what it was like to work on the cutting edge of technology at one of the world's most admired companies. Kocienda shares moments of struggle and success, crisis and collaboration, illuminating each with lessons learned over his Apple career. He introduces the essential elements of innovation—inspiration, collaboration, craft, diligence, decisiveness, taste, and empathy—and uses these as a lens through which to understand productive work culture. An insider's tale of creativity and innovation at Apple, Creative Selection shows readers

how a small group of people developed an evolutionary design model, and how they used this methodology to make groundbreaking and intuitive software which countless millions use every day.

Test-Driven iOS Development Graham Lee, 2012-04-12 As iOS apps become increasingly complex and business-critical, iOS developers must ensure consistently superior code quality. This means adopting best practices for creating and testing iOS apps. Test-Driven Development (TDD) is one of the most powerful of these best practices. Test-Driven iOS Development is the first book 100% focused on helping you successfully implement TDD and unit testing in an iOS environment. Long-time iOS/Mac developer Graham Lee helps you rapidly integrate TDD into your existing processes using Apple's Xcode 4 and the OUnit unit testing framework. He guides you through constructing an entire Objective-C iOS app in a test-driven manner, from initial specification to functional product. Lee also introduces powerful patterns for applying TDD in iOS development, and previews powerful automated testing capabilities that will soon arrive on the iOS platform. Coverage includes Understanding the purpose, benefits, and costs of unit testing in iOS environments Mastering the principles of TDD, and applying them in areas from app design to refactoring Writing usable, readable, and repeatable iOS unit tests Using OUnit to set up your Xcode project for TDD Using domain analysis to identify the classes and interactions your app needs, and designing it accordingly Considering third-party tools for iOS unit testing Building networking code in a test-driven manner Automating testing of view controller code that interacts with users Designing to interfaces, not implementations Testing concurrent code that typically runs in the background Applying TDD to existing apps Preparing for Behavior Driven Development (BDD) The only iOS-specific guide to TDD and unit testing, Test-Driven iOS Development covers both essential concepts and practical implementation.
