Gateway Sharon Shinn,2009-10-15 As a Chinese adoptee in St. Louis, teenage Daiyu often feels out of place. When an elderly Asian jewelry seller at a street fair shows her a black jade ring--and tells her that black jade translates to Daiyu--she buys it as a talisman of her heritage. But it's more than that; it's magic. It takes Daiyu through a gateway into a version of St. Louis much like 19th-century China. Almost immediately she is recruited as a spy, which means hours of training in manners and niceties and sleight of hand. It also means stealing time to be with handsome Kalen, who is in on the plan. There's only one problem. Once her task is done, she must go back to St. Louis and leave him behind forever. . . .

Consumer Behavior in Action Geoffrey Paul Lantos,2015-01-28 Consumer Behavior in Action is a down-to-earth, highly engaging, and thorough introduction to consumer behavior. It goes further than other consumer behavior textbooks to generate student interest and activity through extensive use of in-class and written applications exercises. Each chapter presents several exercises, in self-contained units, each with its own applications. Learning objectives, background, and context are provided in an easy-to-digest format with liberal use of lists and bullet points. Also included in each chapter are a key concepts list, review questions, and a solid summary to help initiate further student research. The author’s practical focus and clear, conversational writing style, combined with an active-learning approach, make this textbook the student-friendly choice for courses on consumer behavior.
