Conjugeur Expert Duálá - Français Philippe Mbappé

Bessémè, 2018-08-13 En langue duálá, le verbe est l'élément central de la phrase. Il donne ses fonctions aux mots et groupe de mots qui s'organisent autour de lui. L'objectif de cet ouvrage est de présenter et d'expliquer toutes les structures et les subtilités qui permettent aux verbes d'apprécier, de situer dans le temps, les actions effectuées ou subies par les êtres ou les chose et aussi de renseigner sur le sujet, qui il est, ce qu'il fait, ce qu'il pense, ce qu'il ressent... Chacun des 113 verbes modèles conjugués dans cet ouvrage se trouvent dans un tableau clairement structuré, avec l'ensemble des formes simples et composés, permettant ainsi de conjuguer n'importe autre verbe en duálá. Chaque titre est traduit en français et également illustré. Guide pratique, le Conjugeur Expert est un ouvrage de références et un outil indispensable pour comprendre et apprendre la langue duálá.

Multi conjugueur Marie-Éva de Villers, 2012-05 Le multiconjugueur constitue un mode d'emploi complet de la conjugaison qui permet de déjouer facilement toutes ses difficultés. Par ses tableaux grammaticaux, ce nouvel outil de la famille du multi présente les règles d'emploi des modes et des temps, le choix de l'auxiliaire, l'accord du verbe et des participes passés, notamment des verbes pronominaux, les différents types de verbes et la concordance des temps. Un répertoire alphabétique de 5000 verbes, dont plusieurs québécoisismes, renvoie à l'un des 107 modèles complets de conjugaison afin de conjuguer rapidement les verbes à tous les modes et à tous les temps.

Rédaction de courriels efficaces, suivi de Rédiger avec concision Nathalie Armand, 2011 Dans notre monde moderne, savoir écrire par courriel est devenu un art que tous les employés doivent désormais maîtriser... en plus du reste ! Quel que soit votre domaine, en plus d'être qualifié dans ce que vous faites, vous devez également être en mesure de communiquer efficacement

par écrit. C'est bien connu: les paroles s'envolent, mais les écrits restent. Chaque message envoyé est le reflet de votre image professionnelle, tout comme celle de l'entreprise qui vous emploie. Quel ton utiliser ? Comment structurer efficacement votre contenu ? Quelles formules de salutation privilégier ? Quels sont les pièges à éviter ? Ce livre vous fait part des trucs et des astuces qui vous aideront dans les moments où vous aurez à rédiger (rapidement) des courriels. La première section porte spécifiquement sur la rédaction de courriels, alors que la deuxième vous révèle les dix techniques éprouvées pour écrire avec concision. Car pour aller vite, il faut faire court ; mais faire court demande de la pratique. Les exercices proposés vous permettront de parfaire votre technique. Ils ne feront peut-être pas de vous un homme ou une femme de lettres, mais vos courriels seront désormais clairs et efficaces !

Proposition d'une didactique de l'orthographe ayant recours au correcteur orthographique Lise Desmarais, Centre international de recherche en aménagement linguistique, 1994 A study was undertaken to determine the effectiveness of a spelling instruction method using a computer spell-checking program. The proposed teaching methodology is supported by theoretical hypotheses drawn from the field of cognitive psychology associated with the learning of spelling and pedagogical principles associated with the teaching of spelling. Subjects were 20 francophone and 5 anglophone federal employees in Canada. All were pretested for French spelling problems using a standardized test. After familiarization with the operation of the computer software, students engaged in structured exercises involving editing and correction of spelling over a period of four weeks, in two sessions a week. The exercises were based on individual spelling problem patterns. Subjects were then post-tested with the same standardized instrument used for pre-testing. Results indicate that the

intervention was effective for certain error types, but some inadequacies were found in the grammatical typology used and in the lexical distinctions possible with the spell-checker. The software was found to be useful for identifying subjects with a deficient strategy for correction. The method is seen as having significant potential for instructional purposes, especially with some further software development. (MSE).

Le BACKPACK de l'Artiste Margaux Derhy,Delphine

Toutain,2020-01-01 Le monde de l'art est en pleine mutation.

L'artiste se retrouve face à de nouvelles opportunités pour développer sa créativité. Mais encore faut-il être bien équipé pour ne pas les manquer ! Le BACKPACK de l'artiste, structuré en dix chapitres et 220 pages, présente les meilleurs outils à utiliser pour mieux appréhender le milieu de l'art, présenter son travail, se

former, financer ses projets, les exposer, et bien plus encore. Porte vers un nouveau voyage, rampe de lancement et véritable compagnon de route, le BACKPACK de l'artiste est donc un sac à dos rempli d'outils et de conseils indispensables pour épauler l'artiste dans les grandes étapes de sa carrière et préparer son futur succès.

Les secrets de l'Écrevisse Sacrée en langue Douala Philippe Mbappé Bessémè, 2022-06-23 Les divinités ont toujours accompagné l'histoire de l'humanité depuis l'origine des temps. C'est ainsi qu'on les trouve dans la plupart des civilisations. La mythologie grecque, romaine, nordique, égyptienne, hindou, asiatique etc... Mais la mythologie africaine qui est d'ailleurs l'une des plus anciennes n'est souvent pas citée ; par conséquent, mal connue par les africains eux-mêmes, dépossédés de leurs croyances ancestrales, à cause de la colonisation de leurs peuples. Dans cet ouvrage, nous vous invitons à la découverte de plusieurs divinités africaines avec des mythes des origines, de la création, la cosmogonie, qui permettent d'expliquer l'origine, l'essence et le sens du monde par les éléments naturels comme l'eau, la terre, le feu ou le vent ; à travers des histoires et des contes que nous vous proposons en langue douala.

Dictionnaire des Synonymes de la langue Douala Philippe

Mbappé Bessémè,2019-11-07 Pour mieux parler une langue, les répétitions sont à éviter dans une phrase. Ce Dictionnaire des synonymes de la langue Douala répond à ce critère. Il a été conçu pour donner une réponse immédiate aux problèmes de vocabulaire qui se posent dans la vie étudiante, professionnelle ou familiale. Il regroupe, par ordre alphabétique, les mots les plus fréquemment utilisés dans la langue Douala. Avec lui, et c'est son originalité, l'on trouve les mots exacts sans perte de temps, sans renvoi vers d'autres pages, d'autres rubriques. Tous les mots cités sont suivis de leurs synonymes les plus courants sans qu'il soit nécessaire d'aller chercher plus loin les équivalences. Un ouvrage de références qui vous fait pénétrer dans la profondeur de l'intimité du peuple Douala, sa langue et sa culture. Rédigé avec l'AGLC, un alphabet plus adapté à l'écriture des langues camerounaises, ce dictionnaire est un guide pratique pour tout public. Aider à mieux parler, et à bien écrire, en trouvant rapidement le mot juste : c'est l'unique ambition de ce « Dictionnaire des Synonymes », accessible à tous, moderne et fonctionnel. L'auteur

Petit guide de l'auto-édition Boris Foucaud, Jean-Pierre

Gerault, Sabrina Grimaldi,2016-02-01 Un guide pratique sur un

phénomène qui prend de l'ampleur dans le monde du livre : l'auto-édition. S'éditer soi-même ? S'autoéditer ? Facile ! Le petit guide de l'auto-édition vous livre les ficelles de la réussite. Faire éditer son manuscrit n'est pas aisé et connaître le succès n'est pas donné à tous les auteurs ; le travail d'un auteur indépendant ne s'improvise pas, il est soumis à des règles et demande ambition, créativité, organisation, passion. Depuis Gutenberg à E.L James en passant par Marcel Proust, les auteurs ont toujours cherché à conserver la maîtrise de leur œuvre. Aujourd'hui, l'auto-édition permet aux auteurs de s'émanciper et de se libérer des contraintes de l'édition traditionnelle. L'objectif de ce guide est avant tout de retracer le travail que devra effectuer un auteur souhaitant s'autoéditer et lui fournir les clés, pour réaliser son projet, grâce à de nombreuses fiches pratiques et ressources. Une évolution du monde éditorial que ce petit traité sur l'auto-édition aborde d'une manière originale, du point de vue de l'auteur et du lecteur.

EXTRAIT Mise en perspective Son manuscrit achevé, tout écrivain se retrouve face à son œuvre, qui désormais lui échappe tout en le constituant. La soumission à un éditeur de son manuscrit est toujours une épreuve pour l'écrivain : épreuve du jugement, peur du rejet, angoisse de l'attente... L'épreuve de l'écriture est d'être

seul face à soi-même, celle de l'édition est liée à l'exposition de soi, de son intimité et de son être intérieur. Si le manuscrit est accepté, cette première épreuve sera bientôt remplacée par celle de la perte de son oeuvre. Claude-Edmonde Magny, dans sa magnifique Lettre sur le pouvoir d'écrire (pour Jorge Semprun en 1943) écrit : « Nul ne peut écrire s'il n'a le cœur pur, c'est-à-dire s'il n'est assez dépris de soi. » C'est exactement le processus inverse qui se joue dans l'édition ; l'écrivain ne peut pas supporter toutes les épreuves d'être édité s'il n'est pas suffisamment épris de lui car ces épreuves seront une succession de pertes (le psychanalyste parlerait de manque et de désir). Le processus d'écriture renvoie donc à la sublimation, à la faculté pour l'écrivain à s'emparer de son vécu : là où la fonction cathartique s'ajoute le bénéfice narcissique de l'estime de soi. Le parcours de l'auteur l'amène un jour ou l'autre à être pris dans la tourmente de l'édition.

A PROPOS DE L'EDITEUR Le Texte Vivant est une maison d'édition rattachée à Publishroom. Ils ont édité ensemble leurs premiers ebooks (Le Texte Vivant) en juin 2012, issus d'un concours d'écriture intitulé Chroniques Urbaines pour lequel ils ont reçu plus de 400 manuscrits.
