The Concise New Partridge Dictionary of Slang and Unconventional English Tom Dalzell,Terry Victor,2014-11-27 The Concise New Partridge Dictionary of Slang and Unconventional English presents all the slang terms from The New Partridge Dictionary of Slang and Unconventional English in a single volume. Containing over 60,000 entries, this concise new edition of the authoritative work details the slang and unconventional English of from around the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning. New to this second edition: a new preface noting slang trends of the last eight years over 1,000 new entries from the US, UK and Australia, reflecting important developments in language and culture new terms from the language of social networking from a range of digital communities including texting, blogs, Facebook, Twitter and online forums many entries now revised to include new dating and new glosses, ensuring maximum accuracy of content. World War S 1-2 Stephen Paul Thomas,2020-07-14 In the near future, the world stands on the brink of another worldwide economic and social crisis. People look for understanding through occult practices, so that mediums and fortunetellers have become wildly successful in helping them escape reality. There are no more churches, and established religion is a thing of the past. Christians must now gather in secret. In this fragile era emerges Josh Heartley, a young boy with astounding prophetic abilities. Though Josh had a heart transplant in his early years, it doesn't slow him down. He is a light for everyone around him, and he can often tell future events with supernatural clarity. During an accident, Josh has a Near Death Experience and finds himself in the middle of a spiritual battle that goes back more than two thousand years. Dr Julie Bond, conducting a research study involving Josh, hopes to unlock the secret behind NDEs and their ties to the human soul. She soon suspects the key lies within this very special boy. Stephen Paul Thomas's thrilling novel is based on shocking real-world events of a thousand-years-long demonic occupation told through exciting storylines, unexpected twists, and many historical examples. Thomas (Cluster, 2015) deftly paints a world in which Christians have been backed into a corner by the belief systems of other cultures—like that of Linda's ancestral village in Central America—and by demons. These demons, including Karnelo, the "lust-addict spirit," have been possessing people for hundreds of years, using human tools to instigate everything from the Inquisition to organized pedophilia. Thomas' prose presents the complex story evocatively, as in the line "Linda's chest rhythmically lifted and sank, like water in the mighty ocean, which kept its

secrets in the dark deep.” - Kirkus Review

The Concise New Partridge Dictionary of Slang and Unconventional English Terry Victor, Tom Dalzell, 2007-12 Reviews of the two-volume New Partridge Dictionary of Slang and Unconventional English, 2005: The king is dead. Long live the king! The old Partridge is not really dead; it remains the best record of British slang antedating 1945 Now, however, the preferred source for information about English slang of the past 60 years is the New Partridge. James Rettig, Booklist, American Library Association Most slang dictionaries are no better than momgrams or a rub of the brush, put together by shmegegges looking to make some moola. The New Partridge Dictionary of Slang and Unconventional English, on the other hand, is the wee babes. Ian Sansom, The Guardian The Concise New Partridge presents, for the first time, all the slang terms from the New Partridge Dictionary of Slang and Unconventional English in a single volume. With over 60,000 entries from around the English-speaking world, the Concise gives you the language of beats, hipsters, Teddy Boys, mods and rockers, hippies, pimps, druggies, whores, punks, skinheads, ravers, surfers, Valley girls, dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful, and its a prize for anyone with a love of language.
