*Craigslist Confessional* Helena Dea Bala,2020-07-07 “Touching.” —The New York Times For fans of Humans of New York and PostSecret, a collection of raw, urgent, and heartfelt stories, shared anonymously. Helena Dea Bala was an exhausted and isolated DC lobbyist, suffocating under the weight of her student loan debt, when she decided to split her lunch with a man who often panhandled near her office. They chatted effortlessly as they ate; there were no half-truths or white lies, and no fear of judgment. Helena felt connected and unburdened in a way she hadn’t in years. Inspired, she posted an ad on Craigslist promising to listen, anonymously and for free, to whatever the speaker felt he or she couldn’t tell anyone else. Emails from people desperate to connect flooded her inbox, and she listened. Within months, Helena quit her job, deferred her loans, and dove into listening full time. The forty first-person confessions in this book are vivid, intimate, and real; they range from devastating traumas, to lost loves, to reflections on hard choices. Some accounts are quotidian, like that of one increasingly estranged husband: “I want to feel that we’re not just roommates—that we’re not just waiting for the kids to grow up so that we can move on.” Others are deeply disconcerting, like that of a sex addict employed by a religious organization and several are heartening, like that of a mother who dares to hope that her daughter, born with life-threatening heart defects, will one day walk down the aisle: “Sometimes you need to have the audacity to believe that it will all be okay, that it is okay to have the same kinds of dreams as everyone else.” In its complex portrayal of the common human experience, Craigslist Confessional challenges us to explore the depths of our vulnerability and expand the borders of our empathy.

*The Craigslist Model* Gene Geter,2020-11-01 It’s the job of the photographer to capture a moment within a lonesome medium. A photographer can meet and photograph people from all walks of life. Throughout Slade West’s life as a photographer, he is often asked who is the craziest model that he ever worked with. The one he met on Craigslist. Her name was Karen Zoom. Based on the idiocy of Kayllen Huan Zhang.

*An Internet for the People* Jessa Lingel,2022-06-14 How craigslist champions openness, democracy, and other vanishing principles of the early web Begun by Craig Newmark as an e-mail to some friends about cool events happening around San Francisco, craigslist is now the leading classifieds service on the planet. It is also a throwback to the early internet. The website has barely seen an upgrade since it launched in 1996. There are no banner ads. The company doesn't profit off your data. An Internet for the People explores how people use craigslist to buy and sell, find work, and find love—and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web. Drawing on interviews with craigslist insiders and ordinary users, Jessa Lingel looks at the site's history and values, showing how it has mostly stayed the same while the web around it has become more commercial and far less open. She examines craigslist's legal history, describing the company's courtroom battles over issues of freedom of expression and data privacy, and explains the importance of locality in the social relationships fostered by the site. More than an online garage sale, job board, or dating site, craigslist holds vital lessons for the rest of the web. It is a website that values user privacy over profits, ease of use over slick design, and an ethos of the early web that might just hold the key to a more open, transparent, and democratic internet.

**Ideas for Making Money on Craigslist** Haytham Al Fiqi,2016-04-29 There are many advantages of using craigslist.org to make money. The fact that this website reaches over 450 different communities and that almost every type of ad is free, there is very little reason not to post items and services for sale. Exactly what are the advantages of using craigslist.org to make money? The answer is very simple, it is free and easy to do. That's all good and fine, but we really should elaborate. First of all, anyone who has a valid email address can post an ad. This makes joining very easy. All you have to do is upload a picture if necessary and write a good ad. You can post just about anything on craigslist.org. From services and items for sale, to real estate and cars, and even job postings (although there is a charge for this in 10 cities), you can find anything and sell just about anything that is legal for sale. Selling items and services on craigslist.org is a great way to add extra income. It does not take a lot of effort and you can bring in a decent amount of money selling off your old and unwanted items. Some people also run their own business off of craigslist.org. Are you creative? Can you fix cars? Cars are bought, fixed up, and sold for a profit. Creative people sell quilts, crafts, and other items they have made. Yard sale junkies sell this weeks finds. It is all free, fun and profitable. This is the main advantage of using craigslist.org to make money.

Banging Your Way Across Craigslist Braun Schweiger,2014-03-09 Do you want to know the real secret to getting laid by a different woman every night? The problem most guys have hooking up on Craigslist is they let their dick get in the way of their commonsense. Guys, I hate to tell you but women are just like you. They want to see a face or body pic. It's their natural defense action at work. They want to make sure you're not super fat, or a one eyed Cyclops, or some sort of psycho killer type. Most women aren't going to respond to your ad if it's titled Let's fuck! Suck on this. Or I've got a really big package waiting for you! Women are looking for something a little different. Sure most of them want it as bad as you do, but they don't like to think of themselves as sluts. They want to have a great date, and just sort of have the sex follow naturally if it's meant to happen. Women are looking for a little finesse, and a little romancing. Women want the boyfriend experience even if you both know it's just for one night. So what's a guy to do? That's what this book is all about. First, we're going to take a look at the ads most guys post on Craigslist and examine what the hell's wrong with them. Second, we're going to look at the ads women post on Craigslist and try to figure out what they want. Finally, we're going to put together a strategy, and develop some sample ads that will help you get what you want as well as help the women who respond to your ads get what they want.
