Raising Cubby John Elder Robison,2013-03-12 The slyly funny, sweetly moving memoir of an unconventional dad's relationship with his equally offbeat son—complete with fast cars, tall tales, homemade explosives, and a whole lot of fun and trouble . Misfit, truant, delinquent. John Robison was never a model child, and he wasn't a model dad either. Diagnosed with Asperger's syndrome at the age of forty, he approached fatherhood as a series of logic puzzles and practical jokes. When his son, Cubby, asked, "Where did I come from?" John said he'd bought him at the Kid Store and that the salesman had cheated him by promising Cubby would "do all chores." He read electrical engineering manuals to Cubby at bedtime. He told Cubby that wizards turned children into stone when they misbehaved. Still, John got the basics right. He made sure Cubby never drank diesel fuel at the automobile repair shop he owns. And he gave him a life of adventure: By the time Cubby was ten, he'd steered a Coast Guard cutter, driven a freight locomotive, and run an antique Rolls Royce into a fence. The one thing John couldn't figure out was what to do when school authorities decided that Cubby was dumb and stubborn—the very same thing he had been told as a child. Did Cubby have Asperger's too? The answer was unclear. One thing was clear, though: By the time he turned seventeen, Cubby had become a brilliant chemist—smart enough to make military-grade explosives and bring state and federal agents calling. Afterward, with Cubby facing up to sixty years in prison, both father and son were forced to take stock of their lives, finally coming to terms with being "on the spectrum" as both a challenge and a unique gift. By turns tender, suspenseful, and hilarious, this is more than just the story of raising Cubby. It's the story of a father and son who grow up together.

South Beach Star ,2019-07-22 South Beach Star is a modern day Valley of the Dolls set in South Beach. Life is sweet for Jamie Kidd, a thirty-something writer, till he wakes up one morning to discover that his lover has left town after cleaning out the bank account and leaving Jamie heartbroken, penniless, and somewhat suicidal. Jamie makes the entirely sensible, or so he believes, decision to escape to South Beach where he finds success and quasi-celebrity as a nightlife columnist for the SOUTH BEACH STAR, a weekly tabloid that covers the trendy South Beach scene and the celebrities that populate it. South Beach opens its arms to Jamie, who, like an actor taking on a new role, throws himself into his fabulous new lifestyle covering the notorious celebrity-studded party scene where nightly he mingles with beautiful shallow fashionistas, famous models, and wealthy jet-setters. His coveted lifestyle masks an out-of-control roller-coaster ride of late-night parties and photo-ops, fueled by a gradual addiction to crystal meth. Like many before him, Jamie loses control and falls victim to his fast lifestyle.
