

DALI

Salvador Dali

Salvador Dalí Felix Fanes,Fèlix Fanés,2007-01-01 Discusses Dali's years in Spain and first years in Paris as a young artist, provides a detailed assessment of his revolutionary work, and shows how the stage was set for his mature artistic personality.

The Life and Masterworks of Salvador Dalí Eric Shanes,2012-05-08 Painter, designer, creator of bizarre objects, author and film maker, Dalí became the most famous of the Surrealists. Buñuel, Lorca, Picasso and Breton all had a great influence on his career. Dalí's film, *An Andalusian Dog*, produced with Buñuel, marked his official entry into the tightly-knit group of Parisian Surrealists, where he met Gala, the woman who became his lifelong companion and his source of inspiration. But his relationship soon deteriorated until his final rift with André Breton in 1939. Nevertheless Dalí's art remained surrealist in its philosophy and expression and a prime example of his freshness, humour and exploration of the subconscious mind. Throughout his life, Dalí was a genius at self-promotion, creating and maintaining his reputation as a mythical figure.

Salvador Dali Tim McNeese,Salvador Dalí,2006 Discusses the life and works of the Spanish artist, Salvador Dali.

Salvador Dali Meryle Secrest,1987 Meryle Secrest's unauthorized and uncensored investigative biography penetrates both the psychological enigma of Dali's personality and the sometimes glamorous, sometimes fraudulent behind-the-scenes art world that sustained it. 38 halftones.

Salvador Dalí: The Impossible Collection Paul Moorhouse,2020-11-01 In the popular imagination, possibly no other artist's work is more recognizable than that of Salvador Dalí. Indeed, for many he is the ultimate mad artist, whose singular vision remorselessly probed his own psychological depths. His nightmarish visions and bizarre landscapes express the angst and turbulence of the twentieth century. Dalí's creativity embraced many different modes of expression and was never constrained by any one style. Over eight decades, the prodigious range of Dalí's activity spanned every conceivable medium, from painting and drawing to sculpture, film, furniture, books, stage design and jewelry, not to mention his highly eccentric public persona, which could be considered an art form in itself.

The World of Salvador Dali Robert Descharnes,1968

Dalí, Surrealism and Cinema Elliott King,2007-09-28 One of the most widely recognized and controversial artists of the 20th century, Salvador Dalí was also an avant-garde filmmaker, collaborating with such giants as Luis Buñuel, Walt Disney, and Alfred Hitchcock. Influenced by the Marx Brothers, Buster Keaton, and Stanley Kubrick, Dalí used the cinema to bring the dream subjects of his paintings to life, providing the groundwork for revolutionary forays into television, video, photography, and holography. From a moviegoing experience that would incorporate all five senses to the tale of a woman's hapless love affair with a wheelbarrow, Dalí's hallucinatory vision never fails to leave its indelible mark, while his writings continue to be relevant to discourses surrounding film and surrealism.

Dali & I Stan Lauryssens,2008-07-08 An extraordinary memoir of fortune, fraud, and the master of modern art Art dealer Stan Lauryssens made millions in modern art, but he sold only one name: Salvador Dalí. The surrealist painter's work was a hot commodity for the newly rich, investors, and shady businessmen looking to launder their black-market cash. Stan didn't mind looking the other way; he just hoped the buyers would look the other way as well. The artworks he sold came from some very questionable sources, but he soon discovered that the shadiest source of all was Dalí himself. The more successful Stan became, the closer he came to Dalí, until he found himself living next door to the aging artist, in the Catalanian hills. While hiding from Interpol's detectives, Stan spent his time with the artists, musicians, business associates, and eccentrics who surrounded Dalí. He learned about Dalí's secret history, the studio of artists who produced his work, and the moneymaking machine that kept Dalí's extravagant lifestyle afloat long after his creativity began to flounder. *Dalí & I* offers a behind-the-scenes view of the commerce and conspiracy that go hand in hand in the international art world, written by a man who has been to the top only to discover that it's not so different from the bottom.

Dali Paul Moorhouse,Salvador Dalí,2001 The infamous Surrealist in full colour and in his own words Picasso called Dali an outboard motor that's always running. Dali thought himself a genius with a right to indulge in whatever lunacy popped into his head. Painter, sculptor, writer and film maker, Salvador Dali (1904-1989) was one of the century's greatest exhibitionists and eccentrics -- and was rewarded with fierce controversy wherever he went. He was one of the first to apply the insights of Sigmund Freud and psychoanalysis to the art of painting. He brought extraordinary sensitivity, imagination and concern for precision to bear upon submerged levels of consciousness.

Salvador Dali Tim McNeese,2013 Briefly describes the life and work of the twentieth-century Spanish surrealist painter, describing and giving examples of his art.

Salvador Dali Eric Shanes (Auteur),2003

Salvador Dalí Frank Weyers,Salvador Dalí,2005 a Summary od Dali's life and work featuring a timeline of his works from 1904-1989.

Salvador Dalí and the Surrealists Michael Elsohn Ross,2003 Examines the lives and creative work of the surrealist artist Salvador Dali and other artists and friends who shared his new ways of exploring art.

The Secret Life of Salvador Dalí Salvador Dali,2013-06-10 This startling early autobiography takes Dalí through his late 30s and communicates the...total picture of himself (Dalí) sets out to portray – Books. Superbly illustrated with over 80 photographs and scores of drawings.

Dali Conroy Maddox,Salvador Dalí,1979

Dali Meredith Etherington-Smith,1992

The Secret Life of Salvador Dali Salvador Dalí,1942

Salvador Dalí Kenneth Wach,1996-09 Kenneth Wach provides commentaries on forty of Dali's works, discussing their style and their often complex psychological content. Wach also provides a broad overview of Dali's development, from childhood to his last works

The Dalí Renaissance Michael R. Taylor,2008 Perhaps the best-known artist of the international Surrealist movement, Salvador Dalí (1904-1989) transformed his dreams and personal obsessions into some of the most original and arresting images of the 20th century. While the Surrealist works from his early years are widely known and admired, Dalí's controversial late works--often inspired by science and religion--have been given a different reception. In this important book, experts provide a revisionist account of the last five decades of the artist's career. The Dalí Renaissance explores a wide range of topics from this period, including the artist's fascination with religion and popular culture, his Nuclear Mysticism lecture tour of the midwestern United States, and his influence on film, photography, design, and fashion. Based on an international symposium held at the Philadelphia Museum of Art, the volume also features an enlightening discussion between two of Dalí's former companions, Ultra Violet and Amanda Lear, that provides a glimpse into his personal life and working methods. Distributed for the Philadelphia Museum of Art

Masters of Art Robert Descharnes,1985-01-15 Reproductions and text present critical commentary on the artist and his work.
