

DVDRip 3.92

Dade Hayes,Jonathan Bing

1,000 Best Movies on DVD Peter Travers,2005-11-23 Rolling Stone's Peter Travers, one of the nation's most influential and popular film critics, takes readers beyond the movie to discuss what really counts on the DVD Peter Travers, film critic and senior editor at Rolling Stone, has compiled reviews of the 1000 best film DVDs available. With an irreverent tone and an eclectic scope, Rolling Stone's 1000 Best Movies on DVD was compiled on the premise that there's room for Citizen Kane and Dodgeball in the same list. It details best bonus features (actor, director, commentaries, deleted scenes, new endings, and surprises hidden on the disc); reviews all aspects of the films and the quality of the DVD transfer; and includes Hot Bonus notes designed to let the reader know which segments will show off their DVD player and surround sound to greatest advantage. Full of fun factoids to know and share, Rolling Stone's 1000 Best Movies on DVD is the book no movie lover's library will be complete without.

ReelViews James Berardinelli,2003 The popular film critic offers full-length reviews of his choices for the best one thousand movies from the 1990s to today.

Movie Lists Paul Simpson,2011-05-26 Action, African greats, alcohol, Robert Aldrich, aliens, Woody Allen, Pedro Almodovar, Robert Altman, animated, anime, apocalypses, Argentina, art, Asia minor, avant garde... And that's just A for you. A taste of this fabulously quirky and enjoyable book which is both a celebration of movies - and movie trivia - and a handy, entertaining guide to films that we know you will enjoy. It is fantastically functional. The lists are well conceived and easy to understand - mostly assembled by genre, actor, director, theme or country of origin - and the reviews are witty and informative. Oddly enough, most movie guides are not full of recommendations. But *Movie Lists* is, in spades, leaving readers in no doubt that the films reviewed are the business. Oh - and you don't have to watch them all before you die. There is no premise of death in this book. You just need to get down to the local Blockbusters or flick your remote to Movies on Demand. Only the popcorn is not supplied.

Rotten Movies We Love The Editors of Rotten Tomatoes,2019-10-08 Hook. Wet Hot American Summer. Valley of the Dolls. There are some movies that defy traditional critical assessment -- films that are panned by reviewers, but that go on to become beloved classics and cult phenoms anyway. Ever been crushed to learn your favorite movie -- or a new one you're dying to see -- has been given the big green splat from Rotten Tomatoes' infamous Tomatometer? The site's editors stand by their critics and scores, but they also feel your pain: Fresh films shouldn't get all the glory! In *Rotten Movies We Love*, the RT team celebrates 101 Rotten movies that can't be missed, including: Box office behemoths that bombed with critics: *Space Jam*, *Maleficent*, *Bad Boys* Sci-fi treasures so bad they're awesome: *Cherry 2000*, *Zardoz*, *Masters of the Universe* Rare Rottens from Fresh directors: *The Life Aquatic with Steve Zissou*, *Marie Antoinette*, *Legend*, *Willow* Deeply beloved cult classics: *The Last Dragon*, *Empire Records*, *The Craft*, *MacGruber* Underrated gems ahead of their time: *The Strangers*, *Event Horizon*, *Practical Magic*, *The Cable Guy* Sequels worth a second look: *Home Alone 2*, *Rocky IV*, *Jurassic Park III*, *Return to Oz* Featuring 16 essays from some of the world's most well-known film critics -- Leonard Maltin, Terri White, Amy Nicholson, David Fear, K. Austin Collins, and more -- and punctuated with black-and-white film stills and punchy graphics, it's a fun romp through the quirkier corners of film history, sure to delight any cinephile or pop-culture fanatic.

Sensational Movie Monologues Robert Cettl,2010-12-12

Movie books ,1984

For Keeps Pauline Kael,1996 We at Penguin Putnam mourn the death of Pauline Kael, a singularly unique voice in American letters. She will be sorely missed. In her decades-long career, Pauline Kael established herself as the most renowned and respected movie reviewer in the field. The breadth of her knowledge of film history and technique, her insight into the arts of acting and directing, and her unfailing wit and candor endeared her to movie lovers everywhere. *For Keeps* offers the best of Kael's reviews and other writings on movies from the collections that have marked her matchless career, starting with *I Lost it at the Movies* (1965), through *Kiss Kiss Bang Bang*, *Deeper into Movies* (a National Book Award winner), *The Citizen Kane Book* (Raising Kane, the full text on the making of the

movie, is included here), and all the others in a glorious run concluding with *Movie Love* in 1991. Once Kael retired from regular reviewing, her reputation only increased, and for the inimitable real thing, readers must turn to this volume to sample her perspicacity, fluency, and style. More than 275 reviews are arranged chronologically -in effect, a history of 30 years of movies. This ultimate compendium from America's most eloquent, passionate, and provocative critic is a boon to serious moviegoers and an indispensable companion to film in the age of technological and pop culture overload.

The 50 Greatest Movies Never Made Chris Gore,1999-07-30 Think you know Hollywood movies? Think again! No matter how many movies you've seen, no matter how many trivia contests you've won, this book is sure to have some surprises for you. The fifty flicks featured here aren't playing at the local Google-Plex or renting at your video store. These films never actually made it to the big screen---they're the gems that got lost in the Hollywood shuffle, consigned to Development Hell. Imagine, if you will: * Alfred Hitchcock's *The Blind Man*, about a pianist suddenly given the ability to see * *Destino*, the surreal fusion of two gigantic artistic talents: Salvador Dalí and Walt Disney * The unmade *Star Trek* film, *Starfleet Academy* * Greta Garbo's triumphant return to the screen that never happened, *Lover and Friend* * A senior citizens' *Animal House*?!? Each movie here is a treat for the imagination, and also a lesson in the dos and (mostly) don'ts of Hollywood. In here are dramas, sci-fi flicks, comedies, sequels, animated films, and biopics certain to stir the imagination! For the movie enthusiast, this book is a speculative joy, and for the aspiring filmmaker, it's a crash course in cinematic survival.

Taking it All in Pauline Kael,1984 From the movie critic of the *New Yorker* magazine, a collection of reviews published between 1980 and 1983. A later volume is *5001 Nights at the Movies* (1985).

Variety's "The Movie That Changed My Life" Robert Hofter,2008-12-11 In recent years, the editors of *Variety* have posed the same question to hundreds of famous personalities: "What is the movie that changed your life?" Gathered here for the first time are the responses of movie stars and comedians, politicians and war correspondents, athletes and business magnates, and many more. We discover Candace Bushnell's appreciation of *Annie Hall*, which she refashioned into *Sex and the City*; Sen. John McCain's quote-laden adoration of *Viva Zapata!*; and journalists Tom Brokaw and Lawrence Wright's disparate inspirations, *His Girl Friday* and *All the President's Men*. From Sarah Jessica Parker to Ralph Nader, Bill Maher to Jerry Rice, Donald Trump to Jesse Jackson, Danielle Steel to Gore Vidal, this fascinating and entertaining collection reveals the films that have left their mark on the individuals shaping our world.

At a Theater Or Drive-in Near You Randall Clark,1995 Millions of Americans have been thrilled, scared, titillated, and shocked by exploitation movies, low budget films with many scenes of sex, violence, and other potentially lurid elements. The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films. This is the first comprehensive study of the American exploitation film to be published. It discusses five distinct genres: the teen movie, the sexploitation film, the martial arts movie, the blaxploitation film and the lawbreaker picture. Contained within these genres are many popular American film types, including beach movies, biker pictures, and women's prison movies. The study provides a history and sociopolitical analysis of each genre, focusing on significant films in those genres. It also discusses the economics of exploitation films and their place in the motion picture industry, the development of drive-in theaters, the significance of the teenage audience, and the effect of the videocassette. Finally, the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience. (Ph.D. dissertation, Bowling Green State University, 1990; revised with new preface and index)

A Horrible Experience of Unbearable Length Roger Ebert,2012-03-06 Presents scathing reviews for over two hundred movies that the reviewer has given a rating of two stars or fewer since 2006.

Open Wide Dade Hayes,Jonathan Bing,2004-09-22 How is a blockbuster made? All it takes is three days: Friday, Saturday and Sunday. Opening weekend at the height of the summer blockbuster

season is a gruelling ordeal for studio execs and marketers. In *Open Wide*, Hayes and Bing take the reader behind the scenes during the first 72 hours of a film's release. They also explore the main phases in the life of a film and also offer a personal look at all the filmmakers, actors, producers and executives that help bring these films to the cinema. This really is the first book to examine, in depth, the importance of the opening weekend.

Roger Ebert's Movie Yearbook 1999 Roger Ebert,1998 Presents detailed descriptions and reviews of virtually every movie that has opened nationally over the past year, reports from the major film festivals, interviews with important movie figures, and essays on the movie world.

The Movie that Changed My Life David Rosenberg,1991 Twenty-three prominent writers recall the films that shaped them and explore the mysterious intersection of art and life.

Best. Movie. Year. Ever. Brian Raftery,2019-04-16 From a veteran culture writer and modern movie expert, a celebration and analysis of the movies of 1999—"a terrifically fun snapshot of American film culture on the brink of the Millennium....An absolute must for any movie-lover or pop-culture nut" (Gillian Flynn). In 1999, Hollywood as we know it exploded: *Fight Club*. *The Matrix*. *Office Space*. *Election*. *The Blair Witch Project*. *The Sixth Sense*. *Being John Malkovich*. *Star Wars: The Phantom Menace*. *American Beauty*. *The Virgin Suicides*. *Boys Don't Cry*. *The Best Man*. *Three Kings*. *Magnolia*. Those are just some of the landmark titles released in a dizzying movie year, one in which a group of daring filmmakers and performers pushed cinema to new limits—and took audiences along for the ride. Freed from the restraints of budget, technology, or even taste, they produced a slew of classics that took on every topic imaginable, from sex to violence to the end of the world. The result was a highly unruly, deeply influential set of films that would not only change filmmaking, but also give us our first glimpse of the coming twenty-first century. It was a watershed moment that also produced *The Sopranos*; Apple's *AirPort*; *Wi-Fi*; and Netflix's unlimited DVD rentals. "A spirited celebration of the year's movies" (Kirkus Reviews), *Best. Movie. Year. Ever.* is the story of not just how these movies were made, but how they re-made our own vision of the world. It features more than 130 new and exclusive interviews with such directors and actors as Reese Witherspoon, Edward Norton, Steven Soderbergh, Sofia Coppola, David Fincher, Nia Long, Matthew Broderick, Taye Diggs, M. Night Shyamalan, David O. Russell, James Van Der Beek, Kirsten Dunst, the *Blair Witch* kids, the *Office Space* dudes, the guy who played Jar-Jar Binks, and dozens more. It's "the complete portrait of what it was like to spend a year inside a movie theater at the best possible moment in time" (Chuck Klosterman).

Spinegrinder Clive Davies,2015-03-06 First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on *DAWN OF THE DEAD*. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing *MYSTICS IN BALI* and *S.S. EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." *SPINEGRINDER* is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

i lost it at the movies pauline kael,1965

Flick Nation Dennis Willis,2009-09-23 *Flick Nation* is film critic Dennis Willis' compendium of over 500 capsule movie reviews -- including coverage of *Star Trek*, *Up*, *The Hangover*, *Inglourious Basterds*, *Funny People*, *Transformers: Revenge of the Fallen* and dozens of direct-to-DVD titles not covered in other books. Willis also provides entertainment industry analysis with subjects ranging from Oscar's hits and misses, the surprisingly positive effects from online piracy, Hollywood's obsession with rebooting franchises, and Blu-ray's identity crisis. *Flick Nation* is an indispensable viewing guide with attitude!

Transfigurations Asbjørn Grønstad, 2008 In many senses, viewers have cut their teeth on the violence in American cinema: from Anthony Perkins slashing Janet Leigh in the most infamous of shower scenes; to the 1970s masterpieces of Martin Scorsese, Sam Peckinpah and Francis Ford Coppola; to our present-day undertakings in imagining global annihilations through terrorism, war, and alien grudges. *Transfigurations* brings our cultural obsession with film violence into a renewed dialogue with contemporary theory. Grønstad argues that the use of violence in Hollywood films should be understood semiotically rather than viewed realistically; *Transfigurations* thus alters both our methodology of reading violence in films and the meanings we assign to them, depicting violence not as a self-contained incident, but as a convoluted network of our own cultural ideologies and beliefs.
