John Paul Thomas

Daily Reflections A a,Aa World Services Inc,2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Being Present David Kundtz,2015-11-01 This beginner's guide to meditation offers a year of daily reflections to help bring greater mindfulness into your life. As you start to accumulate these mindful moments, your life will become more peaceful, more rewarding, and more awakened. With these daily reflections, Kundtz guides us

through the seasons of a year—and the seasons of a life—by drawing inspiration from poets and scientists, spiritual teachers and children, butterflies and big cities. With the help of this book, you will discover how to:

- Become a more mindful person
- Maintain the focus, awareness, and equanimity through stressful situations
- Experience the peaceful moments of mindful living

Daily Reflections Alcoholics Anonymous World Services, Inc., 2014-01-26 This collection of readings moves through the calendar year one day — and one page — at a time. For every day, a favorite quotation from the literature of Alcoholics Anonymous is followed by an A.A. member's personal reflection, making for daily reading that is at once inspired and inspiring. While focusing broadly on the Three Legacies of Recovery, Unity and Service, this volume offers experience, strength and hope on specific topics such as willingness, faith, making amends — themes that recovering alcoholics must address each day — and reminds us that we are never really alone in Alcoholics Anonymous. Whether using the day's reading as a source for their morning meditation, discussing it with a sponsor or sharing it with their home group, many in Alcoholics Anonymous consider Daily Reflections to be a critical tool in their "spiritual toolkit." Features a topical index to help guide discussion. Daily Reflections has been approved by the General Service Conference.

A Day at a Time Anonymous, 2009-09-29 Based on the spiritual foundations of Twelve Step programs, these daily readings—part of Hazelden's meditation series—offer inspiration, affirmation, and hope to those of us in recovery from addiction. Drawing upon insightful phrases often overheard in the rooms of recovery, the daily reflections and prayers in this collection are intended to offer comfort and guiding reminders to those recovering from alcoholism, drug addiction, substance use disorders, process addictions, or other compulsive behaviors. Recovery is a process that happens a day at a time, and this daily reader will support your journey.

Daily Reflections For Highly Effective Teens Sean Covey,1999-11-16 Presents daily meditations designed to inspire and motivate teenagers.

Daily Reflections from Dr. David R. Hawkins David R. Hawkins, M.D., PH. D.,2022-08-30 A collection of 365 insightful quotes from best-selling author and consciousness researcher Dr. David R. Hawkins to guide readers on the path to enlightenment. This collection of inspiring quotes from world-renowned consciousness researcher and mystic Dr. David R. Hawkins can help readers elevate their level of consciousness. In doing so, they will explore ways to understand truth, raise their awareness, and find enlightenment and infinite peace. Readers will engage with some of Dr. Hawkins's most profound insights from his classic works, such as: To best serve the world, seek enlightenment and transcend illusions rather than contribute to them. Success comes about automatically from knowing where to look. Not what to look for, but where to look. We do not look at what we have, nor at what we do, but at what we are. Once we find within ourselves what we've been searching for, we won't have to bother looking out there. We can't own that which is great within ourselves unless we learn to recognize it in others. Peace comes with total inner surrender to what is. By continuously letting go, it is possible to stay in that state of freedom. Feelings come and go, and eventually you realize that you are not your feelings, but that the real you is merely witnessing them.

The Promise of a New Day Karen Casey,Martha Vanceburg,1983-10-01 The Promise of a New Day offers daily reflections for simple, inspiring wisdom about creating and maintaining inner peace. Written without Twelve Step program language, these meditations are reminders for us to give our full attention to today, listen more closely, understand that pain is inevitable but suffering is optional, and that there is something to learn from each experience. The Promise of a New Day is a

book filled with hope for us or someone needing a special gift.

Daily Reflections on Divine Mercy John Paul Thomas, 2016-03-17 *Daily Reflections on Divine Mercy* was written to provide an awakening to the abundant Mercy of God. It offers daily reflections and prayers to help deepen the day-to-day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska. *Divine Mercy in My Soul: Diary of Saint Maria Faustina Kowalska* is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime. However, many find this invitation intimidating, not just because of the width of her book, but because of the depth of its message on The Divine Mercy in each of Saint Faustina's notebook entries. This book, *Daily Reflections on Divine Mercy*, was written with the hope of guiding you through Saint Faustina's Diary and her six notebooks of reflections. It can be used on its own to help you pause and reflect on the beauty of Jesus' messages to her, or as a companion book, as you simultaneously read Saint Faustina's Diary. *Daily Reflections on Divine Mercy* offers 365 daily teachings, reflections and prayers based upon the pages of Saint Faustina's Diary. The structured way to use this daily reflection book is to do just that...reflect upon one page each day. However, some may feel called to skip around a bit, read a few reflections at a time, or return to a particular reflection through which God spoke to you. Therefore, though this book was written with the intent of providing one reflection for each day of the year, the best way to use it is any way you feel called and the way that benefits your relationship with God the most. The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina. The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection.

Though the primary text of the Diary is never quoted, nor are the reflections of this book exact representations of the Diary, they do provide the foundational basis for the spiritual message shared in each reflection. The second paragraph for each day offers a short reflection put more as a question to the reader. It offers the same insight in a different format so as to enter more deeply into the message of the day. Finally, each daily reflection ends with a prayer focused upon the message and reflection for that day. The reader is encouraged to pray this prayer several times. Ideally, it is prayed first thing in the morning, again during the day, and again at night as an examination on how well the daily message was received. As you seek to survive the world we live in, allow these pages to be a font of Mercy for you from God. Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others.

Daily Reflections on Addiction, Yoga, and Getting Well Rolf Gates, 2018-09-25 Deeply personal essays and daily prompts for self-reflection while healing from addiction and walking the road of recovery from the author of *Meditations from the Mat* and *Meditations on Intention and Being*. You are a process that has called forth a teaching for this day. This teaching will not be new to you; rather it will be reminding you of what you already know. Reminding you of who you already are. Rolf Gates, author of *Meditations from the Mat*, has walked the walk of the 12-step method of recovery while traveling down the Buddhist eightfold way and practicing the Eight Limbs of Classical Yoga. His integrated approach has been the key to his understanding of sobriety for over 25 years. In his series of 365 essays, Gates explores the lessons and experiences from his own practice and study, classical teachings, and his career as a teacher and coach. Each eloquent and brief essay is accompanied by a self-reflection prompt to help guide you on your journey of introspection and change. As the co-founder of the Yoga + Recovery Conference at Kripalu Center

for Yoga and Health and Esalen Institute, Gates has made a significant contribution to understanding the role that yoga can play in recovery from addiction. With his personalized approach to both the modern and classic teachings and by embedding it within the space of the human heart and everyday life, Gates is a solid guide to finding and living the freedom that lives within each of us.

The Grand Miracle C. S. Lewis, 1986-01-12 "Captivating reading that builds the faith while it fills the mind with greatness."—Sherwood Wirt, former editor, DECISION Magazine One of this century's greatest writers of fact, fiction, and fantasy explores, in utterly beautiful terms, questions of faith in the modern world: • On the experience of miracles • On silence and religious belief • On the assumed conflict between work and prayer • On the error of trying to lead "a good life" without Christ • On the necessity of dogma to religion • On the dangers of national repentance • On the commercialization of Christmas . . . and more "The searching mind and the poetic spirit of C.S. Lewis are readily evident in this collection of essays edited by his one-time secretary, Walter Hopper. Here the reader finds the tough-mind polemicist relishing the debate; here too the kindly teacher explaining a complex abstraction by means of clarifying analogies; here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown."—The New York Times Book Review

By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.
