**Dancing Solo** Mary Hall Surface, 1996

*Dancing and Dancers of Today* Caroline Caffin, Charles Henry Caffin, 1912

**Becoming Beautiful** Joanna Bosse, 2015-02-28 In *Becoming Beautiful*, Joanna Bosse explores the transformations undergone by the residents of a Midwestern town when they step out on the dance floor for the very first time. Bosse uses sensitive fieldwork as well as her own immersion in ballroom culture to lead readers into a community that springs up around ballroom dance. The result is a portrait of the real people who connect with others, change themselves, and join a world that foxtrots to its own rules, conventions, and rewards. Bosse's eye for revealing, humorous detail adds warmth and depth to discussions around critical perspectives on the experiences the dance hall provides, the nature of partnership and connection, and the notion of how dancing allows anyone to become beautiful.

The Healthful Art of Dancing Luther Halsey Gulick, 1910

**Dancing on the Canon** S. Dodds, 2011-06-24 Employing a cultural theory approach, this book explores the relationship between popular dance and value. *The Black Dancing Body* B. Gottschild, 2016-04-30 What is the essence of black dance in America? To answer that question, Brenda Dixon Gottschild maps an unorthodox 'geography', the geography of the black dancing body, to show the central place black dance has in American culture. From the feet to the butt, to hair to skin/face, and beyond to the soul/spirit, Brenda Dixon Gottschild talks to some of the greatest choreographers of our day including Garth Fagan, Francesca Harper, Meredith Monk, Brenda Buffalino, Doug Elkins, Ralph Lemon, Fernando Bujones, Bill T. Jones, Trisha Brown, Jawole Zollar, Bebe Miller, Sean Curran and Shelly Washington to look at the evolution of black dance and its importance to American culture. This is a groundbreaking piece of work by one of the foremost African-American dance critics of our day.

*Glamour Addiction* Juliet McMains, 2006-11-17 Behind the scenes of DanceSport.

**Always a Dancer** Robert Brassel, 2020-02-26 This is the story of a young boy who wants to be a professional dancer. Surmounting the inevitable obstacles of parental rejection and the advice of guidance counselors, with stakes set against one starting training as late as seventeen, he ventures to New York City in hopes of dancing in *West Side Story*. Instead, he discovers his true love is Classical Ballet, not Broadway. In his first year with the Joffrey Ballet, he is drafted into the US Army. Changing from dance tights to M-16 rifles, he encounters one of the more remarkable periods of his young life. Miraculously avoiding assignment in Vietnam, he returns to the ballet career that then takes him to twenty-five countries on five continents. Along the way he meets and marries his favorite ballerina, Linda DeBona, and together, they dance the great classical repertoire on the world's stages, meeting and working with many of the great names in music and dance. Upon becoming a father and changing careers, he sees new opportunities. In his work as an insurance broker, he is able to give back to his former profession in the form of creating a disability insurance product for dancers: a first for the insurance industry and for the professional dance world. A new stage has been set, this time with the audience across the table. Finally, he finds his way back to dance by developing the health club industry's first adult ballet class. He is back in his element reminding one and all that he is first and Always a Dancer.

Dancing With a Star: The Maxine Barrat Story Kristin Baggelaar, 2018-02-19 Yes, it's true—Elegant and sophisticated Ballroom dancing is back, and bigger than ever. We've seen the magazine covers, talk show appearances, huge ratings and the launching of careers. Well the time has come to answer the question. "What's behind this worldwide ballroom dance phenomenon?" One of the answers is an American dance legend named Maxine Barrat. Her story is the stuff of dreams—riveting, exotic, passionate—fracturing her back as a child; sneaking into Radio City Music Hall as a teenager;

meeting the perfect partner Don Loper and dancing into the arms of Gene Kelly in her first Broadway show. A stint at the glamorous Copacabana catapulted Loper & Barrat to international fame and a role in MGM's star-studded *Thousands Cheer*. She reinvented herself as a nightclub singer, donated her time and talents to the war effort and continued her stellar career as a model in the world of fashion. Then a new career in the up-and-coming medium of television. Maxine's sensational life is interlaced with those of the stars she befriended, from Katharine Hepburn and Ginger Rogers, to those with whom she danced and romanced—from admiring South American caballeros, Hollywood moguls and stars, to an affair with *Gone with the Wind* matinee idol Clark Gable. Maxine Barrat is a performing arts legend who holds a vital key to the American dance story. She is a real star and it's time to put Maxine Barrat back on the dance floor.

**Dance and the Hollywood Latina** Priscilla Peña Ovalle, 2011 *Dance and the Hollywood Latina* asks why every Latina star in Hollywood history began as a dancer or danced onscreen. Introducing the concepts of inbetween-ness and racial mobility to further illuminate how racialized sexuality and the dancing female body operate in film, this book focuses on the careers of Dolores Del Rio, Rita Hayworth, Carmen Miranda, Rita Moreno, and Jennifer Lopez and helps readers better understand how the United States grapples with race, gender, and sexuality through dancing bodies on screen

**Dancing Till Dawn** Julie Malnig, 1995-05 Malnig examines exhibition ballroom dance as both a theatrical genre and a cultural and social phenomenon, promoting new cultural standards, including the emancipation of women and a new casualness and spontaneity between the sexes. A lively and thorough account of a dance form that has found renewed popularity in recent years.

**Ethno Identity Dance for Sex, Fun and Profit** Anthony Shay, 2016-08-30 People all over the world dance traditional and popular dances that have been staged for purposes of representing specific national and ethnic groups. Anthony Shay suggests these staged dance productions be called “ethno identity dances”, especially to replace the term “folk dance,” which Shay suggests should refer to the traditional dances found in village settings as an organic part of village and tribal life. Shay investigates the many motives that impel people to dance in these staged productions: dancing for sex or dancing sexy dances, dancing for fun and recreation, dancing for profit - such as dancing for tourists - dancing for the nation or to demonstrate ethnic pride. In this study Shay also examines belly dance, Zorba Dancing in Greek nightclubs and restaurants, Tango, Hula, Irish step dancing, and Ukrainian dancing.

**Joan Myers Brown and the Audacious Hope of the Black Ballerina** Brenda Dixon Gottschild, 2016-04-29 Founder of the Philadelphia Dance Company (PHILADANCO) and the Philadelphia School of Dance Arts, Joan Myers Brown's personal and professional histories reflect the hardships as well as the advances of African-Americans in the artistic and social developments of the second half of the twentieth and the early twenty-first centuries.

**From Ballroom to DanceSport** Caroline Joan S. Picart, 2012-02-01 Drawing on recent media portrayals and her own experience, author and dancer Caroline Joan S. Picart explores ballroom dancing and its more sporty equivalent, DanceSport, suggesting that they are reflective of larger social, political, and cultural tensions. The past several years have seen a resurgence in the popularity of ballroom dance as well as an increasing international anxiety over how and whether to transform ballroom into an Olympic sport. Writing as a participant-critic, Picart suggests that both are crucial sites where bodies are packaged as racialized, sexualized, nationalized, and classed objects. In addition, Picart argues, as the choreography, costuming, and genre of ballroom and DanceSport continue to evolve, these theatrical productions are aestheticized and constructed to encourage commercial appeal, using the narrative frame of the competitive melodrama to heighten audience interest.

**PEOPLE Dirty Dancing** The Editors of People, 2017-05-12 It has been 30 years since Johnny pulled Baby from the corner to have the time of their lives. To mark the occasion, People offers a loving look back at the classic dance romance. Featuring a Dirty Dancing oral history: Jennifer Grey, choreographer Kenny Ortega, and other members of the cast and creative team recall the making of a movie, both the challenges and mishaps as well as the on-location party atmosphere. With a foreword by Dancing with the Stars pro Derek Hough. Includes: Meet the real Baby, Dirty Dancing creator Eleanor Bergstein. And the three guys who wrote *ñ(Ílve Had) the Time of My Life* talk about its creation, and how it changed their lives The movie's living legacy: the wildly successful stage musical, the annual summer festival, and how to nab the Housemans' bungalow at the hotel that doubled as Kellerman's. Also: inside the ABC television 30th anniversary movie remake From the People archive: a 20th anniversary interview with Patrick Swayze on the role that made him a leading man. Plus: tributes to the lives and careers of Jerry Orbach, director Emile Ardolino and others we've lost from the Dirty Dancing family All about *ñthe lift* and how to do it!
