Incursion Mitchell Hogan,2020-10-05 A corrupted power stirs from beyond the grave. The Necromancer Queen will rise again. Seventeen years have passed since the Necromancer Queen Talia was overthrown and slain, and her capital city destroyed by the Knights of the Order of Eternal Vigilance. Anskar DeVantte, raised in the sacred disciplines of the Order, is now ready to face the brutal initiation trials to become a consecrated knight-sorcerer. But the further Anskar rises in the ranks the more his faith wavers, and he is beset by harrowing dreams and uncertainty. As troubling powers awaken within him, a schism grows between Anskar and his hallowed Order, and he draws the hungry gaze of the vanquished queen's fanatical followers. As Anskar pieces together the mysteries of his early life, and begins to understand the malevolent forces gathering in his path, he finds himself with a crucial choice to make: Remain loyal to the Order's righteous mission, or control the dark powers growing within him. Either way, his destiny is steeped in war. The only question is, which side will he be on?

Yoranthium Book One: Lost Hope Mark P. Bromley,2021-12-30 Princess Kumithra has lived a life of lies and awakens believing the day of her fairytale wedding has arrived. She is ready to marry her savior and hero Rarailmuir. Who saved her heroically in her youth and became the champion who stole her heart and slain a dragon. All goes well aside from the amusements of those nearest to her. She was going to have her fantasy fulfilled never aware of the problems of her kingdom. Suddenly darkness covers the island kingdom of Yoranthium and a legend of epic proportions unfolds. As the sky, land, and waters become a battleground of the heavenly cosmos and the deep dark hellish abyss in the seas of the world of Ishormot. Time falls to the wayside as temporal incursions caused by technology, mages, magics, demon witches, and spirits, have erased and changed kingdoms overnight. Plans of demons and cosmic horrors unfold and lives are lost in terrible tragedy. The once admired and mighty tropical idyllic kingdom of Yoranthium falls. The last light and bastion a beacon of hope and peace. The last hope for refugees fleeing oppression and wars caused by the nightmare of a cruel and evil world. A world that has been corrupted and falling into darkness. All Hope is Lost as many lives are lost and this story has just begun. Yoranthium Book One: Lost Hope is only the beginning of the series and a fast paced novel. There are other titles in this slated twenty book series as it's not just a world it moves beyond just some kingdoms that are explored. Aspects like Heaven, the deep dark abyss, an epic conflict of Angels and Demons unfold and mystical creatures such as Dragons, Mechanations, Yagrallmagrunds, Riarks, Archangels, Eight Demons and the One Evil, of their God to be born, Impundalu, Altered Faefolken, Faefolken of the Dawn, and the vulnerable Elfaefolken get explored. How nature has a plan to deal with corruption and heal not only the world of Ishormot but other worlds in the Cosmos. A cosmic tale that ponders ideas of fancy on the meaning of space exploration. Delving into the very nature of the soul and DNA. Touching upon modern political spectrum. Time falls to the wayside and the Past Future interacts via Incursions with the Future Past. This series explores a wide range of thoughts and ideas in philosophy, ethics, morals, theology, mythology, Gothic Horror, including the yucky stuff (Romance) and so much more. All carefully in guise as stories and simple tales of an ever expanding world that is astonishing. A soft yet ridged Magics system that is comparable to Technology and Science with of course mumbo jumbo Mystical powers and lore. As Love and Hart is at the core of the only real power our hero's have against overwhelming odds of survival. I the Author have spent a life time in research and development for this epic tale. Traveling the world, always reading and learning and had lived in Japan and getting parking tickets in Perth. Just to pursue my need to study the world and visit museums and historical sights around the globe. It's about time I write this incredible story of Fantasy based on reality. It reads Fiction but if you see beyond the words you will find a deeper meaning in a simple story. Yoranthium could be considered a world healing book of our time.

Incursion of Darkness Keegan Hennis,2012-08-30 Anya lived in a small city in the Ukraine. She worked her job and lived in a small apartment little more than a hovel, held together by the rooms around it. She hoped for nothing great in her life, but lived each day as she could, just trying to stay alive. One cold January night, a world-changing loss comes to her, and in the ashes of her life, when she can't help but think of if she can make it to the next month, something wondrous and terrible enters her world. It is a force of darkness so profound, with a history so rich and long as to defy reason. But this dark being has only intentions to teach Anya, to show her exactly what she has in her future. And how does he do this? You'll have to dive in to this book to find out. Will Anya's life ever be the same again? The bigger question is, would she want it to go back to normal? Would anyone?

The Latecomer Jean Hanff Korelitz,2022-05-31 *A New York Times Notable Book of 2022* *A Washington Post Notable Work of Fiction* *An NPR Best Book of the Year* *A New Yorker Best Book of 2022* From the New York Times bestselling author of *The Plot*, Jean Hanff Korelitz's *The Latecomer* is a layered and immersive literary novel about three siblings, desperate to escape one another, and the upending of their family by the late arrival of a fourth. *The Latecomer* follows the story of the wealthy, New York City-based Oppenheimer family, from the first meeting of parents Salo and Johanna, under tragic circumstances, to their triplets born during the early days of IVF. As children, the three siblings - Harrison, Lewyn, and Sally - feel no strong familial bond and cannot wait to go their separate ways, even as their father becomes more distanced and their mother more desperate. When the triplets leave for college, Johanna, faced with being truly alone, makes the decision to have a fourth child. What role will the "latecomer" play in this fractured family? A complex novel that builds slowly and deliberately, *The Latecomer* touches on the topics of grief and guilt, generational trauma, privilege and race, traditions and religion, and family dynamics. It is a profound and witty family story from an accomplished author, known for the depth of her character studies, expertly woven storylines, and plot twists.

Amor Dei in the Sixteenth and Seventeenth Centuries David C. Bellusci,2013-06-10 Amor Dei, “love of God” raises three questions: How do we know God is love? How do we experience love of God? How free are we to love God? This book presents three kinds of love, worldly, spiritual, and divine to understand God’s love. The work begins with Augustine’s Confessions highlighting his Manichean and Neoplatonic periods before his conversion to Christianity. Augustine’s confrontation with Pelagius anticipates the unresolved disputes concerning God’s love and free will. In the sixteenth-century the Italian humanist, Gasparo Contarini introduces the notion of “divine amplitude” to demonstrate how God’s goodness is manifested in the human agent. Pierre de Bérulle, Guillaume Gibieuf, and Nicolas Malebranche show connections with Contarini in the seventeenth-century controversies relating free will and divine love. In response to the free will dispute, the Scottish philosopher, William Chalmers, offers his solution. Cornelius Jansen relentlessly asserts his anti-Pelagian interpretation of Augustine stirring up more controversy. John Norris, Malebranche’s English disciple, exchanges his views with Mary Astell and Damaris Masham. In the tradition of Cambridge Platonism, Ralph Cudworth conveys a God who “sweetly governs.” The organization of sections represents the love of God in ascending-descending movements demonstrating that, “human love is inseparable from divine love.”

Warfare in the Dark Ages Kelly DeVries,2017-05-15 The articles in this volume explore the way in which military developments helped to sculpt, out of very strange and diverse components, our familiar Europe. The period studied covers the fall of the Western Roman Empire, the rise of the Carolingian Empire and its eventual collapse, leaving a vacuum in the heart of Europe into which flowed new forces: the Vikings from outside and the great lords from within.
