**Invest Diva's Guide to Making Money in Forex: How to Profit in the World's Largest Market** Kiana Danial,2013-07-05 Q: Ladies, Do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works--and mastered it. Now you can do the same. In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com--the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond: \* Technical Analysis \* Fundamental Analysis \* Sentimental Analysis \* Capital Analysis \* Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies--without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why forex can work for you. Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does. -- FAN YANG, CMT, CEO, FXTimes.com A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize--that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money. -- JAY NORRIS, founder, Trading University, and author of Mastering the Currency Market and Mastering Trade Selection and Management

**Every Day I'm Hustling** Vivica A. Fox,2018-04-03 Vivica A. Fox is a dynamo who has created a lasting career on her own, through sheer, roll-up-your-sleeves DIY hustle. Every Day I'm Hustling is a personal book with a message Fox passionately believes in: that you make your own luck, that you never ever wake up in the morning thinking somebody's going to call you and offer you that part or ask you out on that date that's going to change your life, that you have to wake up and put on your longest eyelashes and fiercest heels and go out and make your life happen yourself. The actress provides start-today strategies for success in business and “been there” lessons in love, buttressed with stories from her early family life all the way through to today. Always honest and always funny, Fox also tells behind-the-scenes tales from some of her biggest movies – such as Uma Thurman's life-changing advice during Kill Bill and Will Smith's downtime pep talk on Independence Day. And she maps out exactly what it took to come back with a role on the smash hit Empire and her own frisky show on Lifetime, Vivica's Black Magic. She also shares her how-is-she-53? secrets to looking your best, no matter the age on your driver's license.

**The Diva Principle** Michelle McKinney Hammond,2024-05-14 Deep inside the heart of every woman is a diva just waiting to be released. It lies underneath all of the other things she has supposedly “learned” about herself—truth, fiction, deception, or just the superimposed bad feelings of others who've tried to smother the diva within. Although the word diva now evokes the image of a vain or undisciplined person, author Michelle McKinney Hammond takes diva back to its original meaning. It comes from the word prima donna or “first lady” and was used to describe the principal female singer in an opera or concert organization, who was the best of the best. The DIVA Principle: Divine Inspiration for Victorious Attitude shines a spotlight on fourteen women of the Bible who displayed diva-tude, including Deborah from the book of Judges, the Queen of Sheba, Wisdom, Ruth, Jacob's wives Rachel and Leah, Esther, Rahab, and more. In the process, Michelle encourages women to embrace their God-given qualities and assets with the understanding that they are fearfully and wonderfully made. With solid, practical advice, Michelle suggests ways for women to get their head, heart, life, and act together so that they will emerge happy and victorious as divas in the best sense of the word.
