Tina Swithin

Divorcing a Narcissist Tina Swithin, 2012 Tina Swithin was swept off her feet by a modern day Prince Charming and married him one year later. Tina soon discovered that there was something seriously wrong with her fairytale. The marriage was filled with lies, deception, fraud and many tears. Tina was left in an utter state of confusion. This wasn't the man that she married...or was it? Tina first heard the term, Narcissistic Personality Disorder from her therapist in 2008 but quickly dismissed the notion that something could be wrong with her husband. It took several years for Tina to begin researching the disorder and suddenly, the past ten years of her life made complete sense. Tina soon discovered that there is only one thing more difficult than being married to a narcissist and that is divorcing a narcissist. In her book, Tina will explain how a smart, independent woman can fall prey to a narcissistic man. Tina discusses the red flag reflections that she chose to ignore while dating and during the marriage. Tina acted as her own attorney in an extremely high-conflict divorce and she will share the strategies that helped her to navigate through this battle while maintaining her sanity and sense of humor. Tina will help you to feel less alone in your journey and will assure you that there is light at the end of the tunnel no matter how dark things are right now. While Tina endured a tumultuous 6-year custody battle, she prevailed and today, her daughters have peace.

Diva Delaney Mysteries: Bundle 3: Books 7 - 9 Anni Jayde, This bundle contains books 7 - 9 of the Diva Delaney Mysteries. No Bad Deed Goes Unpunished: Now that Diva Delaney knows the sinister truth about how her parents died, she has a plan to get to the bottom of exactly what happened. The only catch is that she'll have to rely on Haydn to help her. The ancient curse that affects both of their families means it would be a bad idea to be close to him, yet she can't rest until she has the facts. Diva's friend, Tyrone Ferrell, needs her help to find a missing person. She'll have to find the time to assist the sheriff from Lakeview to catch a very disturbed man even with her increasingly busy work schedule. Even though she barely knows how to use magic, she will discover talents that aren't in any spell books that will be invaluable to help her find the missing person. The Pentland Coven are holding a ball to find one of their young warlocks a wife. They've invited the most prestigious families with eligible young witches, including the Delaney Coven. Rumor has it that Liam has apparently already chosen his

bride-to-be. Diva is quietly terrified that she's the one he's chosen when she hears the details of how he met the witch. If her hunch is correct, it could start more than one feud when the truth comes out. Feuding Covens Can Never Make Peace: Diva Delany's high school nemesis has it in for her. Angelica Mayhew is hell bent on making Diva pay for everything that has gone wrong with her love life lately. Thanks to the enchanted ring that she's being forced to wear to control her power, Diva won't be able to defend herself against her rival's revenge. Sylvester Creighton holds the key to the real story behind how Diva's parents died. When she visits the asylum to see him, she'll learn everything that happened the day of the accident, but the truth won't be what she was expecting. It will just add to the mystery even more. When Diva visits England to solve Chance Alderdale's case, she has another agenda in mind. She intends to end the ancient curse that has been plaguing the Creighton and Delaney covens for centuries. At least she won't be alone during this mission. Her grandmother, Aunt Janet and Jess will be with her. It isn't going to be easy and dreaded voodoo magic will be involved, but they're determined to break the spell and finally set her free from Haydn Creighton. Everyone Loves A Good Comeuppance: The Delaney Coven has been given the task of taking down Minerva Kensington and her cronies. They'll have to work with the mysterious person the UK Council of Conjurers have chosen to be their mole. Their mission is to find enough evidence against the councilmembers to have them ousted from their positions. Diva's

hairstylist has left town unexpectedly and appears to be on the run. It seems Khloe was involved with a dangerous coven who have friends in high places. Their powerful connections might have protected them in the past, but they won't save them from facing justice forever. With the curse still hanging over them, Diva and Haydn must find the last of Yvonne Creighton's remains and destroy them. Even if they manage to accomplish this, they'll still be bound together. Now that their power has been merged, they'll never be free from each other completely. The worst part is that Haydn has been involved in Diva's life for so long that she isn't even sure if she wants to be free from the man who is supposed to be her enemy. cozy paranormal mysteries, cozy mystery, witches wizards warlocks, supernatural occult paranormal, female sleuth, spells magic, ghosts spirits phantoms poltergeist

Africa's Informal Workers Ilda Lindell, 2013-04-04 Africa's Informal Workers is a vigorous examination of the informalization and casualization of work, which is changing livelihoods in Africa and beyond. Gathering cases from nine countries and cities across sub-Saharan Africa, and from a range of sectors, this volume goes beyond the usual focus on household 'coping strategies' and individual agency, addressing the growing number of collective organizations through which informal workers make themselves visible and articulate their demands and interests. The emerging picture is that of a highly diverse landscape of organized actors, providing grounds for tension but also opportunities for alliance. The collection examines attempts at organizing across the formal-informal work spheres, and explores the novel trend of transnational organizing by informal workers. Part of the ground-breaking Africa Now series, Africa's Informal Workers is a timely exploration of deep, ongoing economic, political and social transformations.

inequalities across biological, social, cultural and historical dimensions.

Bone Song John Meaney,2015-10-15 Lieutenant Donal Connor has been given the

most bizarre of new cases. Four famous stage performers have died in recent months, three of them in state capitals within Transifiga, the fourth in far Zurinam. And now the idolised diva Maria deLivnova is coming to Tristopolis. Donal's boss is determined that nothing like this is ever to happen in his city. Connor is to have anything he needs, as long as the diva lives. And so begins a dark investigation through a world where corpses give up their psychic energy in the massive necroflux generators which power the city, where gargoyles talk, where wraiths work in slavery, a world of the dead where corruption is alive. This is an extraordinary SF novel set in alternate universe quite unlike any imagined in SF before; a universe where magic and the supernatural and the undead are given a scientific rationale and hoorfyingly plausible rationale. The novel's setting, Tristopolis, is the ultimate noir city; an immense baroque creation of haunted stone skyscrapers, black metal and city-wide catacombs. Its hero Donal Connor is immensely likeable and easy to identify with. Even once he's dead.

The Narc Decoder Tina Swithin, 2016-02-22 Divorcing a narcissist? You are

probably left feeling baffled and shaken by the communication that you receive from the narcissist. In my mid-twenties, I contemplated learning multiple foreign languages. I envisioned dabbling in French to successfully make my way around Paris or Irish Gaelic to explore the rich history of Ireland along with my deep ancestral roots in that country. My day dreams about learning new languages always went hand in hand with the imagery of world travel. The thought of exploring exotic and old world places far away from home intrigued me. My mind summoned several foreign adventures, but never did I think I would need to learn a foreign language to navigate my own life. In 2008, I heard the words, Narcissistic Personality Disorder (NPD) to describe my then-husband, Seth. It took a couple years for the reality of those three little words to really sink in. Looking back, the red flags had been waving in the wind since our very first date. Those flags grew taller and more vibrant in color during our marriage. As it turns out, those same red flags that had been lining my path for years were dipped in a highly flammable mixture of kerosene. I realized the danger only when they exploded near the end of my marriage. Like any unexpected explosion, I was unprepared and left nursing deep, emotional, third-degree burns. In my research, I discovered a new language which took quite a bit of studying and insight on NPD to understand. As it turns out, the reason that I was so bewildered by Seth's communication style was that we were speaking completely different languages. I spoke the English version of human while he was speaking the

non-human Narc-ish. I am convinced there is a Narc-ish dictionary or manual hidden deep in a dark, musty hole somewhere in a faraway land with step-by-step instructions on how to inflict fear, confusion and despair. From this land, narcissists hail. Their secret language can only be decoded by those who aren't fooled by the narcissist's stealth ability to inflict confusion and chaos with it. My computer has a feature that allows me to translate most languages. However, this particular area of my life requires technology that is a bit savvier. Need is the catalyst of industry: and I was in need of a device to decipher Narc-ish. So, I invented one. I call it the Narc Decoder and have made life-altering good use of it. The good news is, everyone has access to the Narc Decoder because it is a machine that I am honored to replicate and share with anyone who is forced to communicate with a narcissist. Once you understand how to use the Narc Decoder, your life will change for the better. You will become empowered and will regain your voice. Over time, you will begin to find humor in the communication style that once left you on your knees begging for mercy.

Leadership-as-Practice Joseph A. Raelin, 2016-01-29 This book develops a new paradigm in the field of leadership studies, referred to as the leadership-as-practice (L-A-P) movement. Its essence is its conception of leadership as occurring as a practice rather than residing in the traits or behaviours of particular individuals. A practice is a coordinative effort among participants who choose through their own rules to achieve a distinctive

outcome. It also tends to encompass routines as well as problem-solving or coping skills, often tacit, that are shared by a community. Accordingly, leadership-as-practice is less about what one person thinks or does and more about what people may accomplish together. It is thus concerned with how leadership emerges and unfolds through day-to-day experience. The social and material contingencies impacting the leadership constellation – the people who are effecting leadership at any given time – do not reside outside of leadership but are very much embedded within it. To find leadership, then, we must look to the practice within which it is occurring. The leadership-as-practice approach resonates with a number of closely related traditions, such as collective, shared, distributed, and relational leadership, that converge on leadership processes. These approaches share a line of inquiry that acknowledges leadership as a social phenomenon. The new focus opens up a plethora of research opportunities encouraging the study of social processes beyond influence, such as intersubjective agency, shared sense-making, dialogue, and co-construction of responsibilities.

Lost Places Sarah Pinsker, 2023-05-02 A new collection from the author of Nebula Award winning *A Song for a New Day* and Philip K Dick Award winning *Sooner or Later Everything Falls Into the Sea*. A half-remembered children's TV show. A hotel that shouldn't exist. A mysterious ballad. A living flag. Nebula and Hugo Award-winning author Sarah Pinsker's second collection brings together a seemingly eclectic group of stories that unite behind certain

themes: her touchstones of music and memory are joined by stories about secret subversions and hidden messages in art. Her stories span and transcend genre labels, looking for the truth in strange situations from possible futures to impossible pasts.

Self Help Richard Cravens, 2023-06-13 About the Book *Self Help* was born out of the notion that when people lose faith in our courts and other institutions, they will resort to “self-help,” which looks like chaos, vigilantism, and rioting in the streets. What does that mean for real people? How do we get stuff done when the courts and other institutions not only refuse to help in a timely manner, but actively get in the way? The answer is that we must help ourselves. This book is about three people who have urgent, desperate problems, which cannot wait for a broken system. They must help themselves, but how? The system may be broken, but it works frustratingly well when it comes to punishing those who help themselves. About the Author Richard Cravens lives in Albuquerque, New Mexico, with his wife, son, two daughters, four cats, and two dogs. After a relatively successful career in the hospitality industry, and after a bout of temporary insanity, he was sworn into the New Mexico State Bar at the age of 46. Despite his best attempts by hang-gliding, rock climbing, kickboxing, bar fighting, and drunken jeep crashes, he did not die of stupidity, got sober, and now he has an incredible life, for which he is very grateful. Richard has been a member of the Biomedical Ethics Committee at the University of New Mexico Health

Sciences Center since his first year of law school. He belongs to the New Mexico Lawyer's Assistance Committee, which helps lawyers with substance abuse and other issues to keep their licenses.
