Do You Want to Go to College Now? Huldah Ohene Kena,2021-08-09 If going to college in the US is nothing but a MUST as it was for me this book is for you. Just like many of you I came from a background that did not necessarily prepare me for college. I have only been successful by asking questions from my teachers and professors and never losing my dream or determination to attend college. This book is filled with information to motivate, encourage and give students tips on how to prepare to attend a university or college in the United States. Most importantly I want students to know that you are not alone in your journey to higher education. I also go into details about specific steps I took that made me a good candidate for universities I applied for and got accepted into. I even share my experience going back to middle school on how I was able to achieve my degree in science as a young, uniformed, minority in a world somewhat created to be against my dreams and aspirations.

Do You Want to Go to Jail Today? Peter Hall,2008-11-04 Why you should be reading this book. To the victims of crime: Make no mistake about it, after reading this book, you will know beyond a reasonable doubt that prisoners in jail are suffering. Whether it is on the city, county, or state level, prisoners are living in a world that far extends the suffering they have inflicted upon you. Having this knowledge will never make up for your loss or ill feelings. It can only do two things: give you peace of mind...or allow you to forgive. In any case, each and every day a criminal is behind bars, s/he is subject to disease, destruction, despair, and death. This book will provide you with extremely vivid details of the life of a prisoner...And I can assure you, whats going in the mind of a prisoner is far more torturous than whats happening in the cell. To the parents: What will it be today that sets you apart from the responsibility of being accountable to your children. How will you spend your day? What puts you at risk of coming to jail today? Consider the events that make up your day; the drives, the pick ups, the drops, the fighting, the stealing, the dealing, the doping, the drinking. How much longer can you play this game of roulette with your children? Whats it going take for you to already realize the sorrow, regret, and despair, you will feel by coming to jail and simultaneously abandoning your children. To the criminal: Are you alone? Did you come to jail today? Will you be here tomorrow? Does your history wish for a better re-occurrence of events unfolding in your life? Right now, at this very moment, are you in jail because of some unforeseen future that should have been recognized long before the cuffs were place around your wrists? If you are in jail today, have been in jail before, or are setting yourself up to go to jail, this is the book to read. Jail is the sentence you receive for committing a crime. The sentence will be time. But the true punishment of your crime will come from the imprisonment of your mind. Peter Hall

Do You Really Want to Know Why I Am Not at Home? Aaron Cox,Gregory Wright,2011-08-12 This book was written from the REAL perspective of everyday men and women that struggle with finding peace in their home. No clinical sounding or Doctoral thesis was necessary to discuss what real people like you and I need to know. Stop paying the bills for drama to live in your home. A PLEA FOR CHANGE is here. Long time friends and Co-Authors Gregory Wright and Aaron Cox look at the real issues that divide men and women in todays relationships. They feel society has conditioned us how to think, act and look. They also believe mass media ploys are becoming more main stream than family values. The hearts of men and women in this society have been suppressed by emotional thinking. They ask the question Is society REALLY interested in your well being and quality of life? Is it true to say our emotions drive our wants, but needs are attached to the heart? Our chapters will also identify how our wants have taken priority and our needs have been put off until another day that will come too late, if at all. Please dont be offended or take anything personally, we had to keep it REAL. Along with some laughs this book guarantees to put you back on track for whats REALLY important and living the American dream and not the American theme. Do you REALLY want to know why I am not at home exposes key issues to why we REALLY dont want to be home.
