Defeating the Double Mind Jada M. Ibekwe,2009-12-03

*The Single-Minded Christian* Timothy G. Baise,2019-01-08 Have you wondered whether something is keeping you from experiencing the full goodness and blessing of God? James 1:7 says that a double-minded person should not expect to receive anything from the Lord. Far from a mere critique of wishy-washy Christianity, this warning indicates the real spiritual dangers of an unstable or hypocritical faith-which can creep into every aspect of your life and keep you from experiencing God's presence, purpose, and power. Timothy G. Baise is the founder of Top Flite Financial, Inc., a dedicated husband and father, and above all, a student of the Bible and follower of Jesus Christ. Tim founded Harvest House Ministries in Williamston, Michigan, to combine rich weekly Bible studies with compassionate community outreach. In this book, he will challenge your thinking as you learn to: - Understand how double-mindedness permeates every area of life - Avoid double-mindedness in relationships, speech and activities - Live in balance, avoiding legalism as well as false grace - Overcome doubts and reject lies that cause you to be double-minded - Recognize double-mindedness and division in the church Each chapter concludes with workbook questions and an action step to help you begin exposing and eliminating the double-mindedness in your own life. Many Christians and churches are trying to have it all-biblical truth and worldly ways-but their attachment to ungodly habits and ideals is causing them to miss out on a real relationship with God and all He has for them. Start reading *The Single-Minded Christian* today for a revealing look at how to set your whole heart and mind toward the Lord and His purposes!

**Double Minds** Terri Blackstock,2009-02-10 The young girl with

the Bohemian style was on the floor where she'd fallen, between Parker's computer case and her file cabinet. She wore a long, flowing skirt—lavender, the color of calm—and camel-colored Uggs. She lay on her back, her long, wavy blonde hair matted with blood. For struggling singer/songwriter Parker James, the music business has just turned deadly. Her desk in the reception area of a busy recording studio has become a crime scene, and Parker finds herself drawn into a mystery where nothing is as it seems. Unraveling the truth puts her own life at risk when she uncovers high-level industry corruption and is terrorized by a menacing stalker. As the danger escalates, Parker begins to question her dreams, her future, and even her faith. *Double Minds* is a double treat—combining a compelling suspense novel with an inside look at the world of the Christian music industry in Nashville. Terri Blackstock grabs readers at page one and keeps them riveted until the final plot twist is untangled.
