The Sheik E. M. Hull,2021-03-02 The Sheik (1919) is a romance novel by English author E.M. Hull. Written while the author's husband was serving in the Great War, The Sheik launched Hull's career as a bestselling author of romance fiction, selling millions of copies following the release of a 1921 film of the same name. Part of a tradition of Orientalist fiction, The Sheik has proven as controversial as it has been popular, and serves now as a reminder of the ways in which British subjects imagined themselves in relation to the colonial world. In an Algerian city, the young Diana Mayo prepares for a month-long journey through the desert. Despite warnings from family and friends, she departs with her Arab guide. Surrounded by endless swaths of sand, Diana is soon kidnapped by Sheik Ahmed Ben Hassan, who has bribed her guide to abandon her. Taken to his camp, Diana is repeatedly raped over a period of weeks, and soon gives up hope of ever escaping. After a thwarted attempt at stealing one of the Sheik's horses, she slowly begins to fall in love with Ben Hassan, but realizes she must hide her feelings from a man who views her solely as an object of desire. As months go by, Diana learns the tragic truth behind the Sheik's hatred of the English, and the two begin to grow close. When she is kidnapped by a rival, however, Ben Hassan must risk his life in order to save her. The Sheik is a bestselling romance novel by a master of English popular fiction. With a beautifully designed cover and professionally typeset manuscript, this edition of E.M. Hull's The Sheik is a classic of English romance fiction reimagined for modern readers.

Desert Passions Hsu-Ming Teo,2012-11-15 The Sheik--E. M. Hull's best-selling novel that became a wildly popular film starring Rudolph Valentino--kindled "sheik fever" across the Western world in the 1920s. A craze for all things romantically "Oriental" swept through fashion, film, and literature, spawning imitations and parodies without number. While that fervor has largely subsided, tales of passion between Western women and Arab men continue to enthrall readers of today's mass-market romance novels. In this groundbreaking cultural history, Hsu-Ming Teo traces the literary lineage of these desert romances and historical bodice rippers from the twelfth to the twenty-first century and explores the gendered cultural and political purposes that they have served at various historical moments. Drawing on "high" literature, erotica, and popular romance fiction and films, Teo examines the changing meanings of Orientalist tropes such as crusades and conversion, abduction by Barbary pirates, sexual slavery, the fear of renegades, the Oriental despot and his harem, the figure of the powerful Western concubine, and fantasies of escape from the harem. She analyzes the impact of imperialism, decolonization, sexual liberation, feminism, and American involvement in the Middle East on women's Orientalist fiction. Teo suggests that the rise of female-authored romance novels dramatically transformed the nature of Orientalism because it feminized the discourse; made white women central as producers, consumers, and imagined actors; and revised, reversed, or collapsed the binaries inherent in traditional analyses of Orientalism.

Warned in the meantime that progress and civilization were advancing into the desert by leaps and bounds we approached it again with misgivings. So when at last, late on a hot Sunday afternoon, the train from the north wound slowly into the tiny terminus, it was cheering to find that the town was still unaltered and unspoiled.

The Sheik E. M. Hull,2014-05-02 Written over nine decades ago, The Sheik retains its power to shock even today. Diana Mayo is young, beautiful, wealthy, and independent. Bored by the eligible bachelors and endless parties of the English aristocrats, she arranged for a trek through the Algerian desert. Two days into the her adventure, she is kidnapped by the powerful Sheik Ahmed Ben-Hassan, who forces her into submission. Diana tries desperately to resist but finds herself falling inlove with the dark and handsome stranger. What follows is a tale of mystery,

power, and forbidden love fulfilled. Diana endures days of sexual abuse before falling in love with her Middle Eastern captor: “She understood perfectly the change that had taken place in her. She had never had any illusions about herself, and had never attempted to curb the obstinate self-will and haughty pride that had characterized her. She thought of it curiously, her mind going back over the last few months that had changed her whole life. The last mad freak for which she had paid so dearly had been the outcome of an arrogant determination to have her own way in the face of all protests and advice. And with a greater arrogance and a determination stronger than her own Ahmed Ben Hassan had tamed her as he tamed the magnificent horses that he rode. He had been brutal and merciless, using no half measures, forcing her to obedience by sheer strength of will and compelling a complete submission. She thought of how she had feared and hated him with passionate intensity, until the hatred had been swamped by love as passionate and as intense. She did not know why she loved him, she had never been able to analyse the passion that held her so strongly, but she knew deep down in her heart that it went now far past his mere physical beauty and superb animal strength. She loved him blindly with a love that had killed her pride and brought her to his feet humbly obedient. All the love that had lain dormant in her heart for years was given to him. Body and soul she belonged to him. And the change within her was patent in her face, the haughty expression in her eyes had turned to a tender wistfulness, with a curious gleam of expectancy that flickered in them perpetually; the little mutinous mouth had lost the scornful curve. And with the complete change in her expression she was far more beautiful now than she had ever been.” The Sheik is credited with starting the desert-romance genre. But it also paved the way for countless erotic classics with its daring prose. Today it has largely been forgotten and even the classic 1921 movie is now rarely seen. Fortunately, The Sheik has been remastered and reformatted for Kindle, with illustrations and a fully functionally Table of Contents for seamless navigation. Here it is, E.B. Hull's erotic masterpiece, for the special low price of 99c.
