**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**How to Make Maximum Money in Minimum Time** Gary Halbert, 2014-08-29 WARNING: Read this BEFORE buying. While every single strategy, technique and concept revealed in this easy-to-follow little book are more profitable than ever... this cult classic was written back in 1990 so please keep in mind how the tech has changed but the psychology of selling hasn't. For example, inside the book, there is a section on 900 numbers which appears useless until you realize it's 100% applicable to texting short codes. Anyway, in the interest of preserving the original experience, we have only removed outdated contact info and any updates have been added to the end of chapters but... even with the occasional reference to ancient technology, this book is loaded with step-by-step guidance on marketing. Techniques people are still using to make a lot of money. Here is why How To Make Maximum Money In Minimum Time is so popular. Out of necessity, Gary invented Gun-To-The-Head-Marketing... and... used it to write what would become the most widely mailed sales letter in history. A Letter Mailed Close To 1 Billion Times And To Almost Every Household In America Nearly 7 Times! Gary continued to defy the experts and industry norms and smash sales record after sales record for over 35 more years with his breakthrough copy! Halbert wrote record-smashing newspaper ads, magazine ads, web copy, direct mail pieces, infomercials, phone scripts and just about anything and everything where words are used to sell. Even more impressive, Gary wrote record-breaking advertisements in finance, cosmetics, diet, real estate, self-help, marketing, collectibles, genealogy, chiropractic, dentistry, water filtration and more. The list goes on and on... The Gary Halbert Letter is also the first newsletter to dish out real-world advice from one of the best marketers and copywriters on Earth. Soon, all the pros started copying his headlines, bullets, closing copy, offers... and now... to this day, you see his words being used in sales copy everywhere. In fact, the beginning of Gary's famous dollar-bill letters is almost certainly the most replicated piece of opening sales copy in the world of direct-mail. Even after he passed away, TheGaryHalbertLetter.com has enjoyed a huge following and is more popular than ever for a reason. And that reason is... They Are Addictive! Gary Halbert's mark is everywhere because so many marketers around the world learned part of their craft directly from Mr. Halbert... or... they learned the business from mentors who learned their best secrets from Gary. Top ad writer Paris Lampropoulos may have put it best when he said... In the world of copywriting, all roads lead back to Gary Halbert. And it's true! Here's just a small sample of the what's revealed inside... How to get your mail open and read! (For many savvy marketers, direct mail is actually working better today than it ever has!) The single best advantage any business owner can have! (It's so simple, yet almost everyone overlooks it.) How top pros write killer headlines, fast... and... how you can do it too! The sordid details of Gary's infamous and scandalous life... including... how he went from being a military policeman... to self-made multi-millionaire... to prison inmate... to self-made multi-millionaire yet again! What it really takes to write breakthrough promotions. (Hint: The actual writing has very little to do with it!) Why the fastest writing is often the best writing! The one secret nearly ALL top copywriters used to get to the top of their profession as fast as humanly possible! Why you should not start your sales messages with a question! How to create killer sales messages... writing a single word! Out of room to list more.
