Heirloom Kitchen Anna Francese Gass,2019-04-30 A gorgeous, full-color illustrated cookbook and personal cultural history, filled with 100 mouthwatering recipes from around the world, that celebrates the culinary traditions of strong, empowering immigrant women and the remarkable diversity that is American food. As a child of Italian immigrants, Anna Francese Gass grew up eating her mother’s Calabrian cooking. But when this professional cook realized she had no clue how to make her family’s beloved meatballs—a recipe that existed only in her mother’s memory—Anna embarked on a project to record and preserve her mother’s recipes for generations to come. In addition to her recipes, Anna’s mother shared stories from her time in Italy that her daughter had never heard before, intriguing tales that whetted Anna’s appetite to learn more. Reaching out to her friends whose mothers were also immigrants, Anna began cooking with dozens of women who were eager to share their unique memories and the foods of their homelands. In *Heirloom Kitchen*, Anna brings together the stories and dishes of forty-five strong, exceptional women, all immigrants to the United States, whose heirloom recipes have helped shape the landscape of American food. Organized by region, the 100 tantalizing recipes include: Magda’s Pork Adobo from the Phillippines Shari’s Fersenjoon, a walnut and pomegranate stew, from Iran Tina’s dumplings from Northern China Anna’s mother’s Calabrian Meatballs from Southern Italy In addition to the dishes, these women share their recollections of coming to America, stories of hardship and happiness that illuminate the power of food—how cooking became a comfort and a respite in a new land for these women, as well as a tether to their native cultural identities. Accented with 175 photographs, including food shots, old family photographs, and ephemera of the cooks’ first years in America—such as Soon Sun’s recipe book pristinely handwritten in Korean or Bea’s cherished silver pitcher, a final gift from her own mother before leaving Serbia—*Heirloom Kitchen* is a testament to empowerment and strength, perseverance and inclusivity, and a warm and inspiring reminder that the story of immigrant food is, at its core, a story of American food.

The Inspired Room Melissa Michaels,2015-11-01 New York Times bestselling author, Melissa Michaels, will inspire you to make your house a well-loved home. Her relatable style, unique voice, and practical decorating ideas have made her highly respected blog, *The Inspired Room*, a haven for fans of real-life style. Step inside Melissa's home as she shares lessons learned, inspiring photos, and encouraging insights to help you embrace your authentic style through doable improvements for every room; attainable decorating, organizational, and DIY solutions; transforming tips for lighting, color, and style; motivation to reclaim and organize small spaces Best of all, you don't need a big budget or perfect DIY skills to embrace Melissa's practical home decor philosophy. You'll return to this book again and again for inspiration to fall in love with the home you have.

Salad Freak Jess Damuck,2022-03-29 One of TIME’s most anticipated cookbooks of Spring 2022 One of Food & Wine’s best cookbooks of Spring 2022 A USA TODAY and PUBLISHERS WEEKLY bestseller! Delicious and beautiful recipes from Martha Stewart’s personal salad chef and the self-proclaimed “Bob Ross of salads.” Offering more than 100 inspired recipes, recipe developer and food stylist Jess Damuck shares her passion for making truly delicious salads. *Salad Freak* encourages readers to discover and embrace their own salad obsessions. With the right recipes, you will want to eat salad for every meal and never get bored. By playfully combining color, texture, shape, and, of course, flavor, Damuck demonstrates how a little extra effort in the kitchen can be meditative, delicious, and fun. The recipes—such as her Citrus Breakfast Salad; Tea-Smoked Chicken and Bitter Greens Salad; Caesar Salad Pizza Salad; and Roasted Grapes, Ricotta, Croutons, and Endive Salad—are meant to be hearty enough for a meal all year round but versatile enough to be incorporated into a larger menu. For Damuck, the perfect salad balances each bite, with something tart enough to twinge your cheeks, something sweet to balance out the bitter, and something with a little salty crunch to finish. *Salad Freak* is not just about eating to feel good; it’s about confidently combining flavors to create fresh, bright, and satisfying meals that you will want to make again and again.

The Stationery Shop Marjan Kamali,2019-06-18 A poignant, heartfelt new novel by the award-nominated author of *Together Tea*—extolled by the Wall Street Journal as a “moving tale of lost love” and by Shelf Awareness as “a powerful, heartbreaking story”—explores loss, reconciliation, and the quirks of fate. Roya, a dreamy, idealistic teenager living amid the political upheaval of 1953 Tehran, finds a literary oasis in kindly Mr. Fakhri’s neighborhood stationery shop, stocked with books and pens and bottles of jewel-colored ink. Then Mr. Fakhri, with a keen instinct for a budding romance, introduces Roya to his other favorite customer—handsome Bahman, who has a burning passion for justice and a love for Rumi’s poetry—and she loses her heart at once. Their romance blossoms, and the little stationery shop remains their favorite place in all of Tehran. A few short months later, on the eve of their marriage, Roya agrees to meet Bahman at the town square when violence erupts—a result of the coup d’etat that forever changes their country’s future. In the chaos, Bahman never shows. For weeks, Roya tries desperately to contact him, but her efforts are fruitless. With a sorrowful heart, she moves on—to college in California, to another man, to a life in New England—until, more than sixty years later, an accident of fate leads her back to Bahman and offers her a chance to ask him the questions that have haunted her for more than half a century: Why did you leave? Where did you go? How is it that you were able to forget me?

Pizza Camp Joe Beddia,2017-04-18 Follow the man behind Philadelphia’s celebrated Pizzeria Beddia as he takes you through the pizza-making process—from the dough to the sauce to the cheese. Joe Beddia’s pizza is old school—it’s all about the dough, sauce, cheese, and baking basics. And now, he’s offering his methods and recipes in a cookbook that’s anything but old school, teaching the foundation for making perfectly crisp, satisfyingly chewy, dangerously addictive pies at home. With more than fifty iconic and new recipes, Pizza Camp delivers everything you’ll need to make unforgettable and inventive pizza, stromboli, hoagies, and more, with plenty of vegetarian options (because even the most die-hard pizza lovers can’t eat pizza every day). In this book you will find pizza combinations that have gained Beddia’s pizzeria a cult following, alongside brand new recipes like: Dinosaur Kale, Pickled Red Onion, and Spring Cream Pizza Bintje Potato with Cream and Rosemary Speck, Collard Greens, Fontina, and Cream Roasted Corn with Heirloom Cherry Tomato and Basil Breakfast Pizza with Sausage, Eggs, Spinach, and Cream And dozens more! Designed by Walter Green, art director of Lucky Peach, and packed with drawings, neighborhood photos, and lots of humor, Pizza Camp is a novel approach to homemade pizza. “I will never forgive my parents for not sending me to Pizza Camp.” —Jimmy Kimmel, comedian/pizza eater “Never have I encountered an individual so singularly focused on his craft. Joe Beddia is hilarious, intelligent, and lovingly produces the best pizza in the f*cking universe.” —Michael Solomonov, James Beard Award–winning chef and author

Install the app, set up your account, and track analytics Upload your photos and videos, and expand your reach with hashtags Use Instagram Stories and live video Create paid ads to reach your target audience Instagram For Business For Dummies will help you learn to use Instagram to connect with users in a fresh and relevant way—and instantly get ahead of the competition.

Quilt As-You-Go Made Modern Jera Brandvig,2014-10-01 Learn to create modern quilts more quickly and easily than ever with this popular method, featuring thirteen projects and twenty-five bonus ideas. Do you believe rules were meant to be broken? If so, this improvisational quilt-as-you-go technique is for you. Instead of dealing with precise paper patterns and cutting measurements, you’ll learn how to piece fabric onto small, manageable batting blocks. Let your creative juices flow as you quilt directly on the blocks (not the whole quilt!), whether in large abstract zigzags or small structured stitches. After the blocks have been joined, all you need to do is add backing fabric and binding, and—voilà—it’s finished! A modern approach to quilting that’s fresh, fun, and simpler than it sounds; it will change the way you quilt (for the better) Great for moms or anyone with a busy schedule—these thirteen projects are easy to transport because they make it simple to pick up where you left off Go your own way: This method allows you to use a pattern or improvise, creating a wide variety of design options Save money! Learn how to finish your own quilts without the use of a longarm professional “Quilting is easier than ever with Jera Brandvig’s modern spin on the popular quilt-as-you-go technique.” —Modern Quilts Unlimited “Quilt-as-you-go (QAYG) is one of those techniques that every quilter is curious about trying, but can be daunting as the process is so different to the traditional process of making a quilt top and then quilting it. . . . The book introduces the technique very thoroughly, so you can clearly understand the difference between traditional piecing and quilting and QAYG. Then there’s a great selection of gorgeous quilts that are sure to appeal to the modern quilter. A must if you’ve ever thought about trying QAYG and haven’t had a clue where to start.” —Make Modern Magazine

Instagram Affiliate Marketing Guide Mauro Avent,2021-07-30 Instagram was originally distinguished by only allowing content to be framed in a square aspect ratio with 640 pixels to match the display width of the iPhone at the time. As of January 2019, the Stories feature is used by 500 million users daily. This book is a great reference, it pretty much answers all the questions I had, and then some. I am already thinking of ideas that I can use outside of Instagram. As far as social media marketing goes, this book is top-notch.

So Sad Today Melissa Broder,2016-03-15 From acclaimed poet and creator of the popular twitter account @SoSadToday comes the darkly funny and brutally honest collection of essays that Roxane Gay called sad and uncomfortable and their own kind of gorgeous. Melissa Broder always struggled with anxiety. In the fall of 2012, she went through a harrowing cycle of panic attacks and dread that wouldn't abate for months. So she began @sosadtoday, an anonymous Twitter feed that allowed her to express her darkest feelings, and which quickly gained a dedicated following. In *So Sad Today*, Broder delves deeper into the existential themes she explores on Twitter, grappling with sex, death, love low self-esteem, addiction, and the drama of waiting for the universe to text you back. With insights as sharp as her humor, Broder explores--in prose that is both ballsy and beautiful, aggressively colloquial and aching poetic--questions most of us are afraid to even acknowledge, let alone answer, in order to discover what it really means to be a person in this modern world.

America by Car Lee Friedlander,2010 Consisting of photographs taken over the last decade in a majority of the fifty states, [book title] is a vast compendium of the country's eccentricities and obsessions documented at the beginning of the twenty-first century. ... they reveal the photographer's lifelong preoccupation with America's distinctive landscape and his humorous, often revelatory view of the nation from the driver's seat--Book jacket.

Laura in the Kitchen Laura Vitale,2015-10-06 At long last, the companion cookbook to the hit YouTube cooking show—including recipes for 120 simple, delicious Italian-American classics. When Laura Vitale moved from Naples to the United States at age twelve, she cured her homesickness by cooking up endless pots of her nonna's sauce. She went on to work in her father's pizzeria, but when his restaurant suddenly closed, she knew she had to find her way back into the kitchen. Together with her husband, she launched her Internet cooking show, *Laura in the Kitchen*, where her enthusiasm, charm, and irresistible recipes have won her millions of fans. In her debut cookbook, Laura focuses on simple recipes that anyone can achieve—whether they have just a little time to spend in the kitchen or want to create an impressive feast. Here are 110 all-new recipes for quick-fix suppers, such as Tortellini with Pink Parmesan Sauce and One-Pan Chicken with Potatoes, Wine, and Olives; leisurely entrées, including Spinach and Artichoke-Stuffed Shells and Pot Roast alla Pizzaiola; and 10 fan favorites, like Cheesy Garlic Bread and No-Bake Nutella Cheesecake. Laura tests her recipes dozens of times to perfect them so the results are always spectacular. With clear instructions and more than 100 color photographs, *Laura in the Kitchen* is the perfect guide for anyone looking to get comfortable at the stove and have fun cooking.

Swipe, Scan, Shop Kate Schaefer,2021-03-11 Successful fashion merchandising, branding and communication start with satisfyingly sensory and interactive shopping experiences. With Kate Schaefer's beautifully illustrated and practical book, learn how retailers create these experiences to connect with shoppers, enhance the retail experience, and achieve brand loyalty. With company highlights from brands such as Amazon Go, FIT:MATCH and Sephora, *Swipe, Scan, Shop* shows how fashion retailers are embracing the omnichannel retail experience, by using virtual and augmented reality, beacon technologies and facial recognition, among others. As shoppers become more dependent on digital devices as part of their shopping experience, visual merchandisers are adapting by incorporating mobile tech to tell a story, alert shoppers of product locations and inventory levels, and allow for the customization of products and sharing with friends. With a companion website that includes resources and links to further information and videos discussed in the book, this practical guide shows how to inform, entice, and engage customers by incorporating social technology throughout the shopping experience.

Simple Matters Erin Boyle,2016-01-12 More than a decluttering guide, this book “speaks to the heart and soul of the minimalist lifestyle . . . a must-have manual for serenity in the modern world!” (Anne Sage, author of *Sage Living*). For anyone looking to declutter, organize, and simplify, author Erin Boyle shares practical guidance and personal insights on small-space living and conscious consumption. At once pragmatic and philosophical, *Simple Matters* is an essential manual for anyone who wants to bring more purpose and sustainability to their daily lives. Boyle demonstrates how the benefits of “living small” are accessible to us all—whether we’re renting a tiny apartment or purchasing a three-story house. Filled with personal essays, projects, and helpful advice on how to be inventive and resourceful in a tight space, *Simple Matters* shows that living simply is about making do with less and ending up with more: more free time, more time with loved ones, more savings, and more things of beauty.

The Long Game Dorie Clark,2021-09-21 A Wall Street Journal Bestseller Your personal goals need a long-term strategy. It's no secret that we're pushed to the limit. Today's professionals feel rushed, overwhelmed, and perennially behind. So we keep our heads down, focused on the next thing, and the next, without a moment to breathe. How can we break out of this endless cycle and create the kind of interesting, meaningful lives we all seek? Just as CEOs who optimize for quarterly profits often fail to make the strategic investments necessary for long-term growth, the same is true in our own personal and professional lives. We need to reorient ourselves

to see the big picture so we can tap into the power of small changes that, made today, will have an enormous and disproportionate impact on our future success. We need to start playing The Long Game. As top business thinker and Duke University professor Dorie Clark explains, we all know intellectually that lasting success takes persistence and effort. And yet so much of the relentless pressure in our culture pushes us toward doing what's easy, what's guaranteed, or what looks glamorous in the moment. In The Long Game, she argues for a different path. It's about doing small things over time to achieve our goals—and being willing to keep at them, even when they seem pointless, boring, or hard. In The Long Game, Clark shares unique principles and frameworks you can apply to your specific situation, as well as vivid stories from her own career and other professionals' experiences. Everyone is allotted the same twenty-four hours—but with the right strategies, you can leverage those hours in more efficient and powerful ways than you ever imagined. It's never an overnight process, but the long-term payoff is immense: to finally break out of the frenetic day-to-day routine and transform your life and your career.

Instagram for Seniors: An Easy Beginner's Guide Philip Tranton,2015-12-23 A common misconception is that Instagram and other social media apps are only for young people. However, many seniors use social media such as Instagram. This is a guide that introduces Seniors and sharpens their skills in using Instagram. It gives a breakdown of online jargons and technical terms that are commonly used on Instagram. Upon completing this guide Seniors will be able to navigate Instagram like a professional.

With Granny Square Flair at your side as your indispensable crochet companion, you and the special people in your life will be wrapped in crochet love that is distinctly yours.

Social Media Marketing on Instagram. Exploration of Strategic Perspectives Lisa Jessen,2018-06-20 Master's Thesis from the year 2018 in the subject Communications - Public Relations, Advertising, Marketing, Social Media, grade: 1,7, University of Potsdam, language: English, abstract: With 800 million users worldwide Instagram is one of the world's leading social media platforms. The reason for the increasing relevance of Instagram is its mobile, local, social and visual character, which reflects how individuals are currently using social media and will continue to do so in the future. Instagram's combination of emotional visual content, story-telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others - to become unique in what are often very saturated markets. While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook, this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple-case study design. The framework and the case studies prove that the five identified social media dimensions - content marketing, engagement marketing, influencer marketing, hashtags and Instagram advertising - are applied in practice but are adapted very individual on each organisation, its goals and its target group.

Zakka from the Heart Minki Kim,2019-10-25 Sew sixteen whimsical, handmade gifts for you and your friends. Add peace to your busy life with a cozy afternoon of zakka sewing.
