Conversational French Quick and Easy - PART II Yatir Nitzany, 2020-02-19 Have you always wanted to learn how to speak French but simply didn't have the time? If so, then, look no further. You can hold in your hands one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language. If your heart has been set on learning French, then the Conversational French Quick and Easy series is the ideal way to learn quickly and comprehensively. The aim is to get you talking to those around you as quickly as possible. The three books in the series work together. In Part 1, you learn the core set of words, three hundred and fifty of them, and then in Part 2, you learn the sentences that you need to supplement the core words. In Part 3, your set of sentences is expanded to increase the topics you can talk about. This set of language tools is all you need to master the language to even greater proficiency and quicker than with other courses. If your

previous attempts at learning French have failed, then this series will restore your sense of hope and success. The trick is in identifying which topics are useful and gathering just the right sentences and words. The author draws on his own experiences in learning other languages, which brought him to discover this unique method. In Part 2, you are presented with a wide range of topics for learning conversational languages, and this helps you get involved with greater possibilities for engaging in conversation. This method helps students learn faster and easier. It is a flawless method that has proven itself time and time again. If you decide to travel to France then this book will help you speak the French language. This method has worked for the author and surpasses any other conversational language-learning method system currently on the market today. By including social issues such as travel, common themes such as food, daily activities like eating, and essential practices like shopping, it will help you to engage with more people who speak the language you are learning. Don't wait to travel. Learn French using this new method, and set yourself free to explore the world.

Learn French Oliver Robichaud, 2019-08 Are you looking for the best way to learn French? Well, look no further. This book is, simply put, the best on the market for learning French. Why do I say that? Because this book does what language books should do - teach you the mechanics of the language, not a bunch of tourist trap phrases that you'll forget the second you leave the country. If books don't do that, then they make the critical mistake of going into far too much detail and managing to bore you half to death by virtue of the fact that they've spent 30 pages going on about

three different kinds of articles. I don't do that either. What this book does do, and does very well in fact, is set you up with the knowledge that you want and need of French in a very short time frame, so that you can blast through this book and already feel like you're set up for success. This book isn't a reference, nor is it a crash course on the French language; it's both. You'll read through this book and understand, then you'll apply what you've learned (and inevitably look back at this book down the line to rehash your memory), and you'll grow even more as a French speaker. Don't waste your time and money on a subpar French book. Go with the best from the get-go.

How to Get Really Good at French Polyglot Language Learning, 2019-03-21 Millions of people learn French but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn French and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to memorize thousands of French vocabulary words or grammar rules or are struggling to speak French with native speakers, try this book! This is not a basic French for beginners textbook designed to teach French but a book that will teach you how to learn French the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of French language coursebooks, French phrase books, and basic French for beginners textbooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall French language ability. In How to Get Really Good at French, discover how you can easily conquer French language learning using highly effective methods and strategies used by polyglots (language learning experts). These methods and techniques can even be used to learn French vocabulary, grammar, and phrases

from TV shows, videos, music, and video games. Learn French smarter and faster starting today!

3 Minute French - Course 1 Kieran Ball, 2016-08-19 This book will teach you to speak French using an extremely simple and easy to follow method. If you've struggled to learn French in the past, this book is for you; you will succeed with this method. This book is split up into nine lessons, each of which will teach you a selection of useful words and phrases, and you'll learn how to put them together to form sentences, enabling you to communicate effectively in French from the very first lesson. You need no prior experience with French, you need no other materials; everything you'll need is contained within this book. You'll learn vocabulary that will be useful on any trips to France or any other French speaking country. It's perfect for the holiday-maker who wants to be able to communicate during their vacation. You'll have opportunity to practise what you've learnt thanks to hundreds of recap exercises, and you'll also learn about the 3 Minute Ideology and why extremely short bursts of study are much more effective for your overall learning than long, drawn out study sessions. Each word or phrase also comes with a useful pronunciation guide to show you how to say it in French. I wrote this book under the assumption that you know nothing about the French language, in fact, I wrote it under the assumption that you know nothing about languages full stop. This is because when I first started learning languages, I was always thrown off by specific grammar terms or strange rules that weren't really explained properly. I explain everything in an easy-to-follow manner so you won't get lost. So, give *3 Minute French: Course 1* a go today and start speaking this beautiful language.
