Conversational French Quick and Easy - PART II Yatir

Nitzany,2020-02-19 Have you always wanted to learn how to speak French but simply didn't have the time? If so, then, look no further. You can hold in your hands one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language. If your heart has been set on learning French, then the *Conversational French Quick and Easy*

series is the ideal way to learn quickly and comprehensively. The aim is to get you talking to those around you as quickly as possible. The three books in the series work together. In Part 1, you learn the core set of words, three hundred and fifty of them, and then in Part 2, you learn the sentences that you need to supplement the core words. In Part 3, your set of sentences is expanded to increase the topics you can talk about. This set of language tools is all you need to master the language to even greater proficiency and quicker than with other courses. If your previous attempts at learning French have failed, then this series will restore your sense of hope and success. The trick is in identifying which topics are useful and gathering just the right sentences and words. The author draws on his own experiences in learning other languages, which brought him to discover this unique method. In Part 2, you are presented with a wide range of topics for learning conversational languages, and this helps you get involved with greater possibilities for engaging in conversation. This method helps students learn faster and easier. It is a flawless method that has proven itself time and time again. If you decide to travel to France then this book will help you speak the French language. This method has worked for the author and surpasses

any other conversational language-learning method system currently on the market today. By including social issues such as travel, common themes such as food, daily activities like eating, and essential practices like shopping, it will help you to engage with more people who speak the language you are learning. Don't wait to travel. Learn French using this new method, and set yourself free to explore the world.

15-Minute French DK,2023-07-18 The ideal French language course for beginners, the 15-Minute language series will teach you how to speak a new language in just 12 weeks! This is the perfect book for anyone who wants to learn French fast. 12 themed chapters are broken down into 15-minute daily lessons, spanning a range of practical themes, from socializing to doing business. Each lesson combines French vocabulary and grammar essentials with full-color photographs for a user-friendly, accessible language guide. This course in a handy-sized book comes with a free downloadable audio app for Apple and Android phones, enabling you to hear words and phrases spoken by native French speakers. The book also includes a menu guide and a two-language dictionary for quick reference when you're out and about. Each lesson is broken down into easy-to-follow stages, including a warm-

up box to reinforce what you've already learned and "words to remember" lists that you can hide with the book's front cover flap to hide, remember, and check again. Become a confident speaker in topics such as introductions, food and drink, travel, work, health, and much more.

Conversational French Dialogues Lingo Mastery, 2018-09-19 Is conversational French turning a little too tricky for you? Do you have no idea on how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this – we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED French Stories for Beginners along with their translations, allowing new French speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well! We're not wasting time here with conversations that

don't go anywhere: if you want to know how to solve problems (while learning a ton of French along the way, obviously), this book is for you! How Conversational French Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. A French version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational French book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational French Dialogues and start learning French right now!
