Edan Paola Camberti,2017-11-28 Edan Mackenzie sa bene che la vita può cambiare da un momento all'altro. Ma quando accetta la proposta del nonno di prendersi sei settimane per ricominciare da zero, di certo non si aspetta di rimanere bloccato in una città polverosa dell'Arizona. Il vantaggio? Va a lavorare per una splendida investigatrice privata...e la passione che scoppia tra di loro è più bollente del deserto. Per l'investigatrice privata Audrey Coleman, la necessità di Edan di trovare un'occupazione è la sua salvezza. Le occorre tutto l'aiuto possibile per risolvere il caso su cui sta lavorando. E nonostante la grande attrazione che c'è tra loro due, una relazione sentimentale non è sicuramente nei suoi programmi. Ma potendo avere Edan a sua disposizione per sei settimane, non pensa che ci sia niente di sbagliato a lasciarsi un po' andare...o no? Tutto quello che deve fare è trovare un modo per tenere quest'uomo bello e sexy nel suo letto, ma fuori dalla sua vita. La serie è formata da quattro libri distinti che possono essere letti da soli.

California Edan Lepucki,2014-07-08 The world Cal and Frida have always known is gone, and they've left the crumbling city of Los

Angeles far behind them. They now live in a shack in the wilderness, working side-by-side to make their days tolerable in the face of hardship and isolation. Mourning a past they can't reclaim, they seek solace in each other. But the tentative existence they've built for themselves is thrown into doubt when Frida finds out she's pregnant. Terrified of the unknown and unsure of their ability to raise a child alone, Cal and Frida set out for the nearest settlement, a guarded and paranoid community with dark secrets. These people can offer them security, but Cal and Frida soon realize this community poses dangers of its own. In this unfamiliar world, where everything and everyone can be perceived as a threat, the couple must quickly decide whom to trust. A gripping and provocative debut novel by a stunning new talent, California imagines a frighteningly realistic near future, in which clashes between mankind's dark nature and deep-seated resilience force us to question how far we will go to protect the ones we love. In her arresting debut novel, Edan Lepucki conjures a lush, intricate, deeply disturbing vision of the future, then masterfully exploits its dramatic possibilities.-Jennifer Egan, author of *A Visit from the Goon Squad*

Zeroville Steve Erickson, 2013-04-30 The novel that inspired the

film starring James Franco and Seth Rogen: “One of a kind . . . a funny, unnervingly surreal page turner” (Newsweek). Named one of the Best Books of the Year by the Washington Post Book World, Newsweek, and the Los Angeles Times Book Review *Zeroville* centers on the story of Vikar, a young architecture student so enthralled with the movies that his friends call him “cinéautistic.” With an intensely religious childhood behind him, and tattoos of Elizabeth Taylor and Montgomery Clift on his head, he arrives in Hollywood—where he’s mistaken for a member of the Manson family and eventually scores a job as a film editor. Vikar discovers the frames of a secret film within the reels of every movie ever made, and sets about splicing them together—a task that takes on frightening theological dimensions. Electrifying and “darkly funny,” *Zeroville* dives into the renegade American cinema of the 1970s and ’80s and emerges into an era for which we have no name (Publishers Weekly). “Funny, disturbing, daring . . . dreamlike and sometimes nightmarish.” —The New York Times Book Review “Magnificent.” —The Believer “[A] writer who has been compared to Vladimir Nabokov, Don DeLillo, and Thomas Pynchon.” —Bookmarks Magazine “Erickson is as unique and vital and pure a voice as American fiction has produced.” —Jonathan Lethem

The Anteater Edan Benn Epstein,2015-09-08 Edan Benn Epstein's fourth novel, *The Anteater*, follows the hopes, fears, and secrets of seven men working for a third rate messenger service in 1985. Over the course of three days in November, the perfect storm - both literal and emotional - threatens to change each of their lives forever. Magic intertwines soulfully with grim reality in a tale of deep inner longing forever just one step ahead of existential checkmate. *The Anteater* integrates seven life stories together, all of which are set against the vital backdrop of Los Angeles itself. This is not a novel about the big and glamorous Los Angeles, the dramatic Los Angeles, or the evil and

violent Los Angeles. It is about something much harder to portray: the Caulfields and Willy Lomans of L.A..... offering a tantalizing cross-section of L.A.'s variegated human as well as physical landscape....The Anteater delves deeply into areas of the human psyche that fiction rarely explores
