The Eight Katherine Neville,2015-07-21 The “fascinating” #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on

assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly “Game” still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

Eight Years vs. Three Weeks – Executive Orders Signed by Barack Obama and Donald Trump

U.S. Government, White House, 2017-02-17 During his years in office, from 2009 to 2017, Barack Obama signed more landmark legislation than any Democratic president since Lyndon Baines Johnson. His main reforms include the Obamacare, changes of the financial regulation as a response to the Great Recession; as well as reforms for greater inclusiveness for LGBT Americans. He also advocated gun control and issued wide-ranging executive actions concerning climate change and immigration. The presidency of Donald Trump began on January 20, 2017. During the first three weeks in the office, Trump has issued several consequential presidential orders, such as Executive Order 13769, which suspended the admission of refugees into the United States, Expediting Environmental

Reviews, Affordable Care Act Pending Repeal, International Trafficking and many more... According to some, these orders were aimed to repeal the work of Barack Obama, according to others they represent a determined action, long awaited changes and positive progress. In this collection you can see in the clearest way the true political program and the goal of both presidents through their legislation actions and speeches.

Jonang: The One Hundred and Eight Teaching Manuals Jamgon Kongtrul, 2021-01-26 Jamgön
Kongtrul Lodrö Taye presents practical teachings from a variety of Tibetan Buddhist traditions in this
volume of The Treasury of Precious Instructions. The Treasury of Precious Instructions by Jamgön
Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature,
presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its
eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist
thought and practice as well as authoring significant new sections of his own. In this, the eighteenth

volume, Kongtrul expands on The One Hundred and Eight Guidebooks, a collection of teaching manuals compiled by the sixteenth-century Tibetan master Kunga Drolchok, adding Indic source texts, Tibetan antecedents, and later interpretations. Though compiled by a Jonangpa abbot and transmitted by the Jonang tradition, these teaching manuals are actually drawn from the Kadam, Sakya, Kagyu, and, to a lesser extent, Nyingma traditions. They are succinct and impart practical wisdom, as transmitted by key figures like Kunga Chogdrub and Lowo Khenchen Sonam Lhundrub. Gyurme Dorje, the translator, provides extensive notes and helpful context throughout. The resulting volume preserves and integrates the diverse lineages of Tibetan Buddhism while providing useful advice to practitioners.
